Dear Sir/ Madam

Kindly refer to the above subject.

After careful deliberation, we regret to advise that Eskom Holdings SOC Limited would like to cancel the tender for the design, supply and installation of a fully functional water based fixed automatic fire protection system for all incline conveyors at Arnot Power Station for the period of 18 months (Turnkey Project) due to the following reason:

- This was due to improper market analysis and benchmarking.

Eskom would like to take the opportunity to thank you for participation in the above.

Yours Faithfully
