TENDER NO: 33/2021

CONSTRUCTION OF BULK PIPELINES, REINFORCED CONCRETE RESERVOIRS AND BOOSTER PUMP STATIONS IN MAGOGENI (3A) AND LANGELOOP 2ML (3C)

ADDENDUM NO: 01

This addendum forms part of the Tender Document.

Each Tenderer for this Contract shall incorporate the following amendments and additions in the Tender document.

Each Tenderer is required to acknowledge receipt and acceptance of the amendments and additions contained in this Addendum and to submit the completed addendum with the Tender Document.

No pages may be removed from the Addendum.

1. Under the Tendering procedures “Functionality Competence Achievement Schedules”, Section Part T1 (A. Relevant Overall Experience of Company - 30 points) page 79, the following table must be removed:

No.	Value of Contract Appointment Letter and Certified Completion	Tender maximum points	Allocated Points
1	Previously completed five bulk pipeline and water retaining structures/reservoir projects amounting to a cumulative value less than R19 Million	5	
2	Previously completed five bulk pipeline and water retaining structures/reservoir projects amounting to a cumulative value between R20 Million – R34 Million	10	
3	Previously completed five bulk pipeline and water retaining structures/reservoir projects amounting to a cumulative value between R35 Million – R49 Million	15	
4	Previously completed five bulk pipeline and water retaining structures/reservoir projects amounting to a cumulative value between R50 Million – R79 Million	20	
5	Previously completed five bulk pipeline and water retaining structures/reservoir projects amounting to a cumulative value above R80 Million	30	
Total Points		30	

	ADDENDUM FORM	ADDENDUM NUMBER: 01
--	----------------------	----------------------------

Replaced with the following table:

No.	Value of Contract (Attach Certified Appointment Letter and Completion Certificate)	Tender maximum points	Allocated Points
1	Previously completed bulk pipeline and water retaining structures/reservoir projects amounting to a cumulative value less than R19 Million	5	
2	Previously completed bulk pipeline and water retaining structures/reservoir projects amounting to a cumulative value between R20 Million – R34 Million	10	
3	Previously completed bulk pipeline and water retaining structures/reservoir projects amounting to a cumulative value between R35 Million – R49 Million	15	
4	Previously completed bulk pipeline and water retaining structures/reservoir projects amounting to a cumulative value between R50 Million – R79 Million	20	
5	Previously completed bulk pipeline and water retaining structures/reservoir projects amounting to a cumulative value above R80 Million	30	
Total Points		30	

2. Under the “Returnable Documents”, Section Part T2 (Annexure H: Schedule of the Tenderer’s Experience) page 107, the following must be removed:

“Tenderers are required to only attach five (5) certified appointment letters and completion certificates. Failure to attach both appointment letter and completion certificate will result in zero points being awarded, and if tenderer attaches more than five (5) projects the evaluation will only be on the first five (5) for which appointment letter and completion certificate is submitted”

Replaced with the following statement:

“Tenderers are required to only attach certified appointment letters and their corresponding completion certificates. Failure to attach both appointment letter and completion certificate will result in zero points being awarded”
