CONTROLLED DISCLOSURE

When downloaded from the EDS database, this document is uncontrolled and the responsibility rests with the user to ensure it is in line with the authorised version on the database.

1. INTRODUCTION

This document was constructed to highlight the need of supply and delivery of various Personal Protective Equipment (PPE) on an “as-and-when” required basis which will be used by employees who are doing maintenance and engineering works at Komati Power Station. The Station has been utilising the once off orders to procure the PPE and a need to establish a contract was identified to procure the PPE due to the prolonged lead time for the National Contract to be in place. In this document the list of PPE that are needed for the employees at Komati Power Station will be outlined.

1.1 SCOPE

1.1.1 Purpose

The purpose of this scope is for the supply and delivery of various Personal Protective Equipment (PPE) on an “as-and-when” required basis at Komati Power Station for a period of 5 years.

1.1.2 Applicability

The following is lists of the Application Servers which can be affected:

- Stores

1.2 NORMATIVE/INFORMATIVE REFERENCES

Parties using this document shall apply the most recent edition of this document and the documents listed in the following paragraph.

1.2.1 Informative

None

1.3 DEFINITIONS

Work Package – are documents prepared by the Planner to be used before, during and after execution of work.

1.3.1 Classification

- a. **Controlled disclosure:** controlled disclosure to external parties (either enforced by law, or discretionary).

1.4 ABBREVIATIONS

Abbreviation	Description
HOD	Head of Department
WI	Work Instruction
PSM	Power Station Manager
ea	each
PAA	Per

CONTROLLED DISCLOSURE

When downloaded from the EDS database, this document is uncontrolled and the responsibility rests with the user to ensure it is in line with the authorised version on the database.

1.5 ROLES AND RESPONSIBILITIES

Roles and responsibilities will be included on the contract awards document (contract).

1.6 PROCESS FOR MONITORING

The document will be reviewed in 2027 unless there's plant modifications that seek the review consideration.

2. SCOPE OF WORK

2.1 WORKS INFORMATION

The following supply of PPE will be required for the scope:
