1. INTRODUCTION

The Council for Geoscience (CGS) is a schedule 3A public entity organisation, as defined by the Public Finance Management Act (Act 1 of 1999). The CGS derives its mandate from the Geoscience Act (no. 100 of 1993). The objectives of the CGS under the Act are to produce world-class geoscience knowledge products and to render geoscience-related services to the South African public and industry. The strategic position of the CGS is to ensure that its activities contribute to national imperatives, namely to free the potential of individuals by improving the quality of life of all citizens, to assist in the growth and wealth of the country and to eradicate poverty, especially in the rural areas of South Africa. It carries out these functions through the mandate of the Geoscience Act, which includes the following:

- 1.1 To systematically document and compile the geology of the earth's surface and the continental crust, including offshore areas within the territorial boundaries of South Africa.
- 1.2 To compile geoscience data, especially geological, geophysical, metallogenic and engineering geological information in the form of maps and accompanying explanations and to make this information available to the public.
- 1.3 To do basic geoscience research into the nature and origin of rocks, ores, minerals and the history and evolution of life and to understand the geological evolution of the earth. These findings are published in peer-reviewed geoscience publications nationally and internationally.
- 1.4 To collect and curate all geoscience knowledge for the country into the National Geoscience Repository and to make such information available to the public as far as possible.
- 1.5 To render geoscience knowledge services and advice to the State to enable informed and scientifically based decisions on the use of the earth's surface and its resources within the territory of South Africa.
- 1.6 To manage several national geoscience facilities on behalf of the country, such as the National Seismograph Network, the National Borehole Core Repository, the National Geoscience Heritage Collections (Geoscience Museum) and the National Geoscience Library.
- 1.7 To render commercial geoscience services and products to national and international clients.

20. EVALUATION ON PRICE AND SPECIFIC GOALS

Stage 1 – Price evaluation (80 points)

The following formula will be used to calculate the points for price:

Criterion	Points
Price evaluation $P_s = 80 \left(1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$	80

Where:

P_s = Points scored for comparative price of the bid under consideration.

Pt = Comparative price of bid under consideration.
PMing = Comparative price of lowest acceptable bid.

Stage 2 – Specific goals evaluation (20 points)

a. Specific goals points allocation

A maximum of 20 points will be allocated to a Bidder for attaining the specific goal status level of the contributor in accordance with the table below:

Specific goals	Number of points
1. ≥51% black ownership	20

Specific goals points may be allocated to Bidders upon submission of the following documentation or evidence:

- A duly completed preference point claim form: standard bidding document (SBD 6.1); and
- Valid originally certified accredited SANAS BBBEE certificate, DTIC certificate or sworn affidavit.

Stage 3

(80 + 20 = 100 points)

The price and specific goals points will be consolidated.

21. DISQUALIFICATION OF BIDDERS

Bidders who do not meet the full technical requirements will be disqualified from the bidding process.

22. CANCELLATION AND MODIFICATION OF TENDER

The CGS reserves the right to cancel or modify this tender. Any decision to modify the tender document will be communicated to all prospective Bidders. Failure by Bidders to adhere to modifications or addendums will constitute a disqualification.

23. PAYMENTS

The CGS will only pay for products that meet the minimum quality standards as specified in this specifications document. The CGS pays 30 days after receipt of a correct tax invoice/statement.

24. TENDER COMMUNICATION

Technical and tender questions can be directed to Ms X. Gugushe at [email: xgugushe@geoscience.org.za](mailto:xgugushe@geoscience.org.za).

25. SUBMISSION OF PROPOSALS

Bid documents may either be couriered to 280 Pretoria Street, Silverton, Pretoria, 0001, OR placed in the tender box before the closing date and time.

Bid documents will only be considered if received by the CGS before the closing date and time, regardless of the method used to send or deliver such documents to the CGS.

Bidders are required to submit three (3) copies of each file, one (1) original and two (2) copies.

b. Joint ventures, consortiums and trusts

A trust, consortium or joint venture will qualify for points on specific goals as a legal entity, provided that the entity submits its consolidated BBBEE certificate.

Bidders must submit concrete proof of the existence of joint ventures and/or consortium arrangements. The CGS will accept signed agreements as acceptable proof of the existence of a joint venture and/or consortium arrangement.

The joint venture and/or consortium agreements must clearly set out the roles and responsibilities of the Lead Partner and the joint venture and/or consortium party. The agreement must also clearly identify the Lead Partner, who will be given the power of attorney to bind the other party/parties in respect of matters pertaining to the joint venture and/or consortium arrangement.

26. GENERAL CONDITIONS OF CONTRACT

Any award made to a Bidder/Bidders under this bid is conditional, amongst others, upon –

31. CONFLICT OF INTEREST, CORRUPTION AND FRAUD

The CGS reserves its right to disqualify any Bidder who either him/herself or any of whose members (with the exception of such members who hold a minority interest in the Bidder through shares listed on any recognised stock exchange), indirect members (being any person or entity who indirectly holds at least a 15% interest in the Bidder, other than in the context of shares listed on a recognised stock exchange), directors or members of senior management, whether in respect of [Institution name] or any other government organ or entity and whether from the Republic of South Africa or otherwise ("Government Entity")

- b. It follows therefore that misrepresentations in a tender may give rise to service termination and a claim by the CGS against the Bidder, notwithstanding the conclusion of the Service Level Agreement between the CGS and the Bidder for the provision of the service in question. In the event of a conflict between the Bidder's proposal and the Service Level Agreement concluded between the parties, the Service Level Agreement will prevail.

This document will prevail over any information provided during any briefing session whether oral or written, unless the written information provided expressly amends this document by reference.

36. LIMITATION OF LIABILITY

37. A Bidder participates in this bid process entirely at its own risk and cost. The CGS will not be liable to compensate a Bidder on any grounds whatsoever for any costs incurred or any damages suffered as a result of the Bidder's participation in this bid process.**TAX COMPLIANCE**

No tender will be awarded to a Bidder who is not tax compliant. The CGS reserves the right to withdraw an award made or to cancel a contract concluded with a successful Bidder in the

event that it is established that such Bidder was not, in fact, tax compliant at the time of the award, or that he/she submitted a fraudulent information to the CGS or whose verification against the Central Supplier Database (CSD) proves non-compliant. CGS further reserves the right to cancel a contract with a successful Bidder in the event that such Bidder does not remain tax compliant for the full term of the contract.

38. TENDER DEFAULTERS AND RESTRICTED SUPPLIERS

No tender will be awarded to a Bidder whose name (or of any of its members, directors, partners or trustees) appears on the Register of Tender Defaulters kept by National Treasury, or who has been placed on National Treasury's List of Restricted Suppliers. The CGS reserves the right to withdraw an award or cancel a contract concluded with a Bidder should it be established, at any time, that the Bidder has been blacklisted with National Treasury by another government institution.

39. GOVERNING LAW

South African law governs this bid and the bid response process. The Bidder agrees to submit to the exclusive jurisdiction of the South African courts in any dispute of any kind that may arise out of, or in connection with, the subject matter of this bid, the bid itself and all processes associated with the bid.

In the event that the CGS allows a Bidder to make use of subcontractors, such subcontractors will at all times remain the responsibility of the Bidder and the CGS will not under any circumstances be liable for any losses or damages incurred by or caused by such subcontractors.

41. CONFIDENTIALITY

Except as may be required by operation of law, by a court or by a regulatory authority having the appropriate jurisdiction, no information contained in or relating to this bid or a Bidder's tender(s) will be disclosed by any Bidder or other person not officially involved with the CGS's examination and evaluation of a tender.

No part of the bid may be distributed, reproduced, stored or transmitted, in any form or by any means, electronic, photocopying, recording or otherwise; in whole or in part, except for the purpose of preparing a tender. This bid and any other documents supplied by the CGS remain proprietary to the CGS and must be promptly returned to the CGS upon request together with all copies, electronic versions, excerpts or summaries thereof or work derived there from.

Throughout this bid process and thereafter, Bidders must secure the CGS's written approval prior to the release of any information that pertains to (i) the potential work or activities to which this bid relates; or (ii) the process which follows this bid. Failure to adhere to this requirement may result in disqualification from the bid process and civil action.

42. COUNCIL FOR GEOSCIENCE PROPRIETARY INFORMATION

Bidders will in their bid cover letter make a declaration that they did not have access to any CGS proprietary information or any other matter that may have unfairly placed that Bidder in a preferential position in relation to any of the other Bidders.

43. AVAILABILITY OF FUNDS

Should funds no longer be available to pay for the execution of the responsibilities of this bid request for proposals, the CGS may terminate the Agreement at its own discretion or temporarily suspend all or part of the services by notice to the successful Bidder who will immediately make arrangements to stop the performance of the services and minimise further expenditure, provided that the successful Bidder will thereupon be entitled to payment in full for the services delivered up to the date of cancellation or suspension.
