

City of Tshwane Metropolitan Municipality
Group Financial Services: Supply Chain Management

Notice 6 of 2026/27

The City of Tshwane is migrating to an online system, SAP Ariba Business Network.

The SAP Ariba Business Network is an e-tender portal that enables access and responses to bid opportunities published by the City of Tshwane. The portal enables interested bidders to download bid documents and respond to bids through online submission. In addition, and in accordance with Municipal Supply Chain Management Regulation 22(4), bidders are required to submit one supplementary hard copy of the bid submission. The hard copy shall be an exact copy of the electronic submission uploaded to the portal. The hard copy of the bid documents must be deposited in the tender box situated at Tshwane House, 320 Madiba Street, Pretoria before the stipulated closing time and date.

Bidders should note that the City of Tshwane will use the online platform to evaluate and conclude the evaluation of bids received on or before the stipulated closing time and date. The hard copy shall remain a supplementary submission and shall only be used in cases of online system deficiencies that might occur during evaluation processes and not being resolved to allow for further evaluation. During this transition period, the City will advertise its bids for a minimum of 40 days to allow bidders sufficient time to submit their bid responses. Bidders are therefore encouraged to submit their bids before the stipulated closing date to avoid disappointment.

Bidders are advised to register on the SAP Ariba Business Network as follows:

- Go to https://www.tshwane.gov.za/?page_id=838
- Select any sourcing event (advertised tender) to register
- Click on Respond, then Register

To login, follow the above process and login to submit your bid or respond to a bid.

Please note that the documents for the tenders below can be downloaded through SAP Ariba Business Network from the City of Tshwane website (www.tshwane.gov.za) and the National Treasury website (www.etenders.gov.za).
