ii. VERY IMPORTANT NOTICE ON DISQUALIFICATION

A Bid not complying with the peremptory requirements stated hereunder will be regarded as being a not **“Acceptable Bid”** and as such will be rejected.

“Acceptable Bid” means any bid which, in all respects, complies with the conditions of Bid and specifications as set out in the bid document, including conditions as specified in the Preferential Procurement Policy Framework Act, revised Preferential Procurement Regulations and related legislations:

1. Submit bid in the correct bid box.
2. Submit bid before closing date and time.
3. All bids must be completed and submitted on the official forms provided by the municipality not to be re-typed or online and valid for 90 days after closing date of tender submission.
4. Complete all Forms/Schedules in black ink. Do not use pencils or correction fluid to make corrections.
5. Make corrections, if necessary, only by placing a line across the words/numbers to be corrected and initial next to the amended text. Do not scratch out, write over rates, paint over rates, or use correction fluid.
6. Do not remove pages from the bid document. Do not take the document apart or remove any pages.
7. Ensure that witnesses sign where required.
8. Complete the Authority for Signatory form included in the tender document and attach a certified copy of the members/ director's resolution.
9. Only the person authorised to do so may sign the bid offer.
10. Attach a copy of a signed Joint Venture agreement (if applicable).
11. Submit company registration documents. In the case of the Joint venture, such documents must be attached for all parties.
12. Submit certified copies of identity documents for the director (s) of the company.
13. Submit proof of the Tax Compliance Status (verification Pin) issued by the South African Revenue Services (SARS) or proof that necessary arrangements have been made to meet outstanding tax obligations. In the case of the Joint venture, such documents must be attached for all parties.
14. The Form of Offer must be completed and signed by the authorised signatory.
15. Submit proof of registration on the **Central Supplier Database (CSD)** of the National Treasury. In the case of the Joint venture, such documents must be attached for all parties.
16. Copies of municipal rates and taxes accounts of both company and director(s) not older than 3 months and not in arrears for more than 90 days from the date of tender closure.

A lease agreement may be submitted where applicable but must be accompanied by the municipal rates and taxes account of the leased property where the lessee is responsible for such account.

If the lessee is not responsible for the municipal rates and taxes account, then a statement of account from the lessor must be submitted as evidence that the lessee has met their obligations.

If municipal rates and taxes submitted is not in the name of the company and/or any of the directors, a written affidavit stating how the account relates to the said company and/or its directors must be submitted. In the case of the Joint venture, such documents must be

Witness 1

Witness 2

4.1.18	Letter of Acceptance	Means the written communication by the organisation to the contractor recording the acceptance by the Municipality recording the acceptance of the contractor's tender subject to the further terms and conditions to be itemized in the contract.
4.1.19	Local Content	means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.
4.1.20	Manufacture	means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.
4.1.21	Order	means an official written order issued for the supply of goods or works or the rendering of a service.
4.1.22	Project Site	where applicable, means the place indicated in bidding documents.
4.1.23	Purchaser	means the organization purchasing the goods.
4.1.24	Republic	Means the Republic of South Africa
4.1.25	SCC	Means the Special Conditions of Contract
4.1.26	Services	means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such obligations of the supplier covered under the contract.
4.1.27	Signature Date	Means the date of the letter or acceptance
4.1.28	Tender	Means an offer to supply goods/services to the organisation at a price
4.1.29	Tenderer	Means any person or body corporate offering to supply goods/services to the organisation
4.1.30	Written or In Writing	means handwritten in ink or any form of electronic or mechanical writing.

4.2. APPLICATION

4.2.1	These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services (excluding professional services related to the building and construction industry), sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise in the bidding documents.
4.2.2	Where applicable, special conditions of contract are also laid down to cover specific supplies, services or works.
4.2.3	Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

4.3. GENERAL

4.3.1	Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.

4.5 USE OF CONTRACT DOCUMENTS AND INFORMATION; INSPECTION

4.5.1	The provider shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the provider in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.
5.5.2	The provider shall not, without the purchaser's prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.
4.5.3	Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the provider's performance under the contract if so required by the purchaser.
4.5.4	The provider shall permit the purchaser to inspect the provider's records relating to the performance of the provider and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

4.6. PATENT RIGHTS

4.6.1	The provider shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of goods or any part thereof by the purchaser.
4.6.2	When a provider developed documentation/projects the intellectual, copy and patent rights or ownership or such documents or projects will vest in the Municipality

4.7. PERFORMANCE SECURITY

4.7.1	Within thirty (30) days of receipt of the notification of contract award, the success bidder shall furnish to the purchaser the performance security of the amount specified in SCC.
4.7.2	The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the provider's failure to complete his obligations under the contract.
4.7.3	The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms: (a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or (b) a cashier's or certified cheque.
4.7.4	The performance security will be discharged by the purchaser and returned to the provider not later than thirty (30) days following the date of completion of the provider's performance obligations under the contract, including any warranty obligations, unless otherwise specified.

4.8. INSPECTIONS, TESTS AND ANALYSES

4.8.1	All pre-bidding testing will be for the account of the bidder.
4.8.2	If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the purchaser or an organization acting on behalf of the purchaser.
4.8.3	If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.
4.8.4	If the inspections, tests and analyses referred to in clause 8.2 & 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.

Bidder

Witness 1

Witness 2

4.8.5	Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the provider.
4.8.6	Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.
4.8.7	Any contract supplies may on or after delivery be inspected, tested or analysed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the provider who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do not comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the providers cost and risk. Should the provider fail to provide the substitute supplies forthwith, the purchaser may, without giving the provider further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the provider.
4.8.8	The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

4.9. PACKAGING

4.9.1	The provider shall provide such packaging of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packaging shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packaging, case size and weights shall take into consideration, where appropriate, the remoteness of the good's final destination and the absence of heavy handling facilities at all points in transit.
4.9.2	The packaging, marking and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, and in any subsequent instructions ordered by the purchaser.

4.10. DELIVERY AND DOCUMENTS

4.13. INCIDENTAL SERVICES

4.13.1	The provider may be required to provide any or all of the following services, including additional services, if any: (a) performance or supervision of on-site assembly and/or commissioning of the supplied goods; (b) furnishing of tools required for assembly and/or maintenance of the supplied goods; (c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods; (d) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the provider of any warranty obligations under this contract; and (e) training of the purchaser's personnel, at the provider's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.
4.13.2	Prices charged by the provider for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the provider for similar services.

4.14. SPARE PARTS

4.14.1	As specified, the provider may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the provider: (a) such spare parts as the purchaser may elect to purchase from the provider, provided that this election shall not relieve the provider of any warranty obligations under the contract, and (b) in the event of termination of production of the spare parts: (i) Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and (ii) Following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.
--------	---

4.15. WARRANTY

4.15.1	The provider warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The provider further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the provider, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.
4.15.2	This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise.
4.15.3	The purchaser shall promptly notify the provider in writing of any claims arising under this warranty.
4.15.4	Upon receipt of such notice, the provider shall, within the period specified and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.
4.15.5	If the provider, having been notified, fails to remedy the defect(s) within the period specified, the purchaser may proceed to take such remedial action as may be necessary, at the provider's risk and expense and without prejudice to any other rights which the purchaser may have against the provider under the contract.

4.16. PAYMENT

4.16.1	The method and conditions of payment to be made to the provider under this contract shall be specified
4.16.2	The provider shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfillment of other obligations stipulated in the contract.
4.16.3	Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the provider.
4.16.4	Payment will be made in Rand unless otherwise stipulated.

4.17. PRICES

4.17.1	Prices charged by the provider for goods delivered and services performed under the contract shall not vary from the prices quoted by the provider in his bid, with the exception of any price adjustments authorized or in the purchaser's request for bid validity extension, as the case may be.
--------	---

4.18. INCREASE / DECREASE OF QUANTITIES

4.18.1	In cases where the estimated value of the envisaged changes in purchase does not exceed 15% of the total value of the original contract, the contractor may be instructed to deliver the revised quantities. The contractor may be approached to reduce the unit price, and such offers may be accepted provided that there is no escalation in price.
--------	--

4.19. CONTRACT AMENDMENTS

4.19.1	No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.
--------	---

4.20. ASSIGNMENT

4.20.1	The provider shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.
--------	---

4.21. SUBCONTRACTS

4.21.1	The provider shall notify the purchaser in writing of all subcontracts awarded under this contract if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the provider from any liability or obligation under the contract.
--------	--

4.22. DELAYS IN THE PROVIDER'S PERFORMANCE

4.22.1	Delivery of the goods and performance of services shall be made by the provider in accordance with the time schedule prescribed by the purchaser in the contract
4.22.2	If at any time during performance of the contract, the provider or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the provider shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the provider's notice, the purchaser shall evaluate the situation and may at his discretion extend the provider's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.
4.22.3	The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if any emergency arises, the provider's point of supply is not situated at or near the place where the supplies are required, or the provider's services are not readily available.
4.22.4	Except as provided under GCC Clause 25, a delay by the provider in the performance of its delivery obligations shall render the provider liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.
4.22.5	Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without cancelling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the provider's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the provider.

4.23. PENALTIES

- | | |
|--------|--|
| 4.23.1 | Subject to GCC Clause 25, if the provider fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed good or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23. |
|--------|--|

4.24. TERMINATION FOR DEFAULT

- | | |
|--------|--|
| 4.24.1 | The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the provider, may terminate this contract in whole or in part:
(a) if the provider fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2.
(b) if the provider fails to perform any other obligation(s) under the contract; or
(c) if the provider, in the judgement of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract. |
| 4.24.2 | In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the provider shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the provider shall continue performance of the contract to the extent not terminated. |

4.25. ANTI-DUMPING AND COUNTER-VAILING DUTIES AND RIGHTS

- | | |
|--------|---|
| 4.25.1 | When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favorable difference shall on demand be paid forthwith by the provider to the purchaser or the purchaser may deduct such amounts from moneys (if any) which may otherwise be due to the provider in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him. |
|--------|---|

4.26. FORCE MAJEURE

- | | |
|--------|---|
| 4.26.1 | Notwithstanding the provisions of GCC Clauses 22 and 23, the provider shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure. |
| 4.26.2 | If a force majeure situation arises, the provider shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the provider shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event. |

4.27. TERMINATION FOR INSOLVENCY

- | | |
|--------|---|
| 4.27.1 | The purchaser may at any time terminate the contract by giving written notice to the provider if the provider becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the provider, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser, |

6. MBD 2 - TAX CLEARANCE VERIFICATION PIN REQUIREMENTS

It is a condition of bid that the taxes of the successful bidder must be in order, or that satisfactory arrangements have been made with South African Revenue Services (SARS) to meet the bidder's tax obligations.

- 2.1 In order to meet this requirement bidders are required to complete in full form TCC 001 "Application for a Tax Clearance verification Pin" and submit it to any SARS branch office nationally.
- 2.2 SARS will then furnish the bidder with a Tax Clearance Verification Pin that will be valid for a period of 1 (one) year from the date of approval.
- 2.3 The original Tax Clearance Verification Pin must be submitted together with the bid. Failure to submit the original Tax Clearance Certificate will result in the invalidation of the bid. Certified copies of the Tax Clearance Certificate will not be acceptable.
- 2.4 In bids where Consortia / Joint Ventures / Sub-contractors are involved, each party must submit a separate Tax Clearance Certificate.
- 2.5 Copies of the TCC001 "Application for a Tax Clearance Verification Pin" form are available from any SARS branch office nationally or on the website www.sars.gov.za
- 2.6 Applications for the Tax Clearance Verification Pin may also be made via eFiling. In order to use this provision, taxpayers will need to register with SARS as eFilers through the website www.sars.gov.za

8. MBD 6.1 PREFERENCE POINTS CLAIM PROCUREMENT REGULATIONS 2022 – PURCHASES / SERVICES (80/20)

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022

1. GENERAL CONDITIONS

1.1 The following preference point systems are applicable to invitations to tender:

- the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and
- the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

1.2 **To be completed by the organ of state**

The applicable preference point system for this tender is the **80/20** preference point system.

1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
- (b) Specific Goals.

1.4 **To be completed by the organ of state:**

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20
Total points for Price and SPECIFIC GOALS	100

1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.

1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

2. DEFINITIONS

- (a) **“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation.
- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

3.1.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

$$\begin{array}{ccc} \mathbf{80/20} & \mathbf{or} & \mathbf{90/10} \\ P_s = 80 \left(1 - \frac{P_t - P_{min}}{P_{min}} \right) & \text{or} & P_s = 90 \left(1 - \frac{P_t - P_{min}}{P_{min}} \right) \end{array}$$

Where

P_s = Points scored for price of tender under consideration
 P_t = Price of tender under consideration
 P_{min} = Price of lowest acceptable tender

3.2. FORMULAE FOR DISPOSAL OR LEASING OF STATE ASSETS AND INCOME GENERATING PROCUREMENT

3.2.1. POINTS AWARDED FOR PRICE

A maximum of 80 or 90 points is allocated for price on the following basis:

$$\begin{array}{ccc} \mathbf{80/20} & \mathbf{or} & \mathbf{90/10} \\ P_s = 80 \left(1 + \frac{P_t - P_{max}}{P_{max}} \right) & \text{or} & P_s = 90 \left(1 + \frac{P_t - P_{max}}{P_{max}} \right) \end{array}$$

Where

P_s = Points scored for price of tender under consideration
 P_t = Price of tender under consideration
 P_{max} = Price of highest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:

4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—

- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
- (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,

then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

10. MBD 8 – DECLARATION OF BIDDER'S PAST SUPPLY CHAIN MANAGEMENT PRACTICES

- 9.1. This Municipal Bidding Document must form part of all bids invited.
- 9.2. It serves as a declaration to be used by municipalities and municipal entities in ensuring that when goods and services are being procured, all reasonable steps are taken to combat the abuse of the supply chain management system.
- 9.3. The bid of any bidder may be rejected if that bidder, or any of its directors have:
- abused the municipality's / municipal entity's supply chain management system or committed any improper conduct in relation to such system;
 - been convicted for fraud or corruption during the past five years;
 - willfully neglected, reneged on or failed to comply with any government, municipal or other public sector contract during the past five years; or
 - been listed in the Register for Tender Defaulters in terms of section 29 of the Prevention and Combating of Corrupt Activities Act (No 12 of 2004).
- 9.4. In order to give effect to the above, the following questionnaire must be completed and submitted with the bid.

9.4.1	Is the bidder or any of its directors listed on the National Treasury's database as a company or person prohibited from doing business with the public sector? <i>(Companies or persons who are listed on this database were informed in writing of this restriction by the National Treasury after the audi alteram partem rule was applied).</i>	Yes	No

11. MBD 9: CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 10.1. This Municipal Bidding Document (MBD) must form part of all bids² invited.
- 10.2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).³ Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 10.3. Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
- take all reasonable steps to prevent such abuse;
 - reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 10.4. This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 10.5. In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

² Includes price quotations, advertised competitive bids, limited bids and proposals.

³ Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

CERTIFICATE OF INDEPENDENT BID DETERMINATION:

In response to the invitation for the bid made by:

BELA-BELA LOCAL MUNICIPALITY

I, the undersigned, in submitting the accompanying bid, hereby make the following statements that I certify to be true and complete in every respect:

1. I have read and I understand the contents of this Certificate;
2. I understand that the accompanying bid will be disqualified if this Certificate is found not to be true and complete in every respect;
3. I am authorized by the bidder to sign this Certificate, and to submit the accompanying bid, on behalf of the bidder;
4. Each person whose signature appears on the accompanying bid has been authorized by the bidder to determine the terms of, and to sign, the bid, on behalf of the bidder;
5. For the purposes of this Certificate and the accompanying bid, I understand that the word "competitor" shall include any individual or organization, other than the bidder, whether or not affiliated with the bidder, who:
 - (a) has been requested to submit a bid in response to this bid invitation;
 - (b) could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and
 - (c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder
6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium⁴ will not be construed as collusive bidding.
7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
 - a) prices;
 - b) geographical area where product or service will be rendered (market allocation)
 - c) methods, factors or formulas used to calculate prices;
 - d) the intention or decision to submit or not to submit, a bid;
 - e) the submission of a bid which does not meet the specifications and conditions of the bid; or
 - f) bidding with the intention not to win the bid.
8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.
9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.
10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No. 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No. 12 of 2004 or any other applicable legislation.

PART B – SPECIFICATION AND PRICING SCHEDULE

13. SPECIFICATION

13.1. BACKGROUND

- a) The municipality intends to call for bids in respect of the provision of vending management system and advance metering infrastructure for a period of thirty-six (36) months.
- b) The purpose of the bid is to appoint a Service Provider to provide vending management system and advance metering infrastructure for a period of thirty-six (36) months.

13.2. CONTRACT TERM

The duration of the contract is for a period of thirty-six (36) months. The successful bidder will be further required to sign Service Level Agreement with Bela-Bela Local Municipality.

13.3. SPECIFICATION (SCOPE OF WORK)

The work to be carried out by the Service Provider includes but not limited to the following:

13.3.1. GENERAL PROJECT SPECIFICATION

13.3.2 Introduction

The system must incorporate Advanced Metering Infrastructure (AMI) platform to cover the following services:

- Prepayment Vending System (for electricity and water).
- Vendor Management.
- Data Management and Revenue Protection.
- Integration with current Bela-Bela Municipality financial and customer management systems.
- Comprehensive support and maintenance over the contract period.

13.3.3. Existing systems

Bela-Bela Local Municipality’s electricity distribution area includes the Bela-Bela Municipal area, Bela-Bela Town, and surrounding farms. Currently, vending is done through municipal cashier points and third-party vendors via a secure hosted system. The advanced metering infrastructure (AMI) system must be implemented in parallel with existing systems to ensure uninterrupted service during the transition.

13.3.4. System implementation timeline

All components of the advanced metering infrastructure (AMI) system must be installed, commissioned, and fully operational within 30 days from the tender award date. The transition must not result in any downtime for consumers. Key areas of the system (vendor management,

Bidder

Witness 1

Witness 2

data management, and revenue protection) must be prioritized for smooth integration with the existing infrastructure.

13.3.5. Payment and revenue collection

The Service Provider must collect and transfer all payments to the Bela-Bela Municipality's bank account within 48 hours of collection. No deductions or commissions should be applied. The municipality will make payments to the Service Provider in accordance with the agreed terms and conditions outlined in the SLA.

13.3.6. Staff continuity and expertise

The successful bidder must provide a Project Manager and senior technical personnel who will remain on-site for the duration of the implementation. If a key team member is replaced, a transition period of at least one week must be provided to ensure proper transfer of knowledge and continuity of service.

13.3.7. Health and safety compliance

The Service Provider must adhere to all requirements under the Occupational Health and Safety Act, 1993 (Act No. 85 of 1993). The system's implementation must consider potential hazards and ensure the safety of all staff and users during installation and maintenance.

13.3.8. Prepayment vending system requirements

13.3.8.1. General System Requirements

The system offered must be a Windows-based platform that is fully compliant with advanced metering infrastructure (AMI) solution. It must integrate seamlessly with Bela-Bela Municipality's existing systems and support the following features:

- Prepayment for electricity and water.
- Vendor management for cash and electronic payments.
- Comprehensive revenue protection through real-time monitoring and data analysis.
- Event-driven notifications for system alarms and anomalies.
- Seamless operation 24/7/365 with an option for offline operations if necessary.

13.3.8.2. Payment Methods Supported

The system must support multiple payment options including:

- Cash
- Credit and Debit Cards
- Electronic Bank Transfers
- Mobile Payments

13.3.8.3. Revenue Protection

The advanced metering infrastructure (AMI) system must incorporate advanced revenue protection features, including:

Bidder

Witness 1

Witness 2

- Real-time monitoring of consumption and detection of anomalies.
- Automatic alarms for electricity theft or tampering.
- Prepaid and post-paid modes, with the ability to automatically collect arrears.

13.3.8.4. Data Collection and Reporting

The system must support automatic and secure data collection from all installed meters (electricity). The system must offer flexible, customizable reporting options, including:

- Consumption reports
- Revenue collection reports
- Customer account history
- Event and alarm reports

13.3.8.5. System Security

The system must ensure the highest level of security:

- Encrypted data transmission.
- HTTPS SSL certification.
- Protection against XSS and CSRF attacks.
- Role-based access control for system operators.

13.3.8.6. Metering and equipment provision

The successful bidder must provide smart meters on an as and when required basis, which include a electricity meters as per the following specifications:

13.3.8.6.1. Electricity Maters

		Single Phase	Three Phase
Voltage Ratings	Nominal voltage (-20% ++5%) Supply frequency (+5%)	110VAC - 127VAC, 220VAC - 240VAC 60Hz, 50Hz	110VAC - 127VAC, 220VAC - 240VAC 60Hz, 50Hz

13.3.8.7. Vending management and third-party integration

13.3.8.7.1. Vendor Management

The advanced metering infrastructure (AMI) system must support a comprehensive vendor management module, which includes:

- Appointment and management of third-party vendors.
- Secure vending points for consumers to purchase prepaid tokens for electricity.
- Point-of-Sale (POS) terminals that are connected to the central system for real-time vending and data synchronization.

13.3.8.7.2. Third-Party Vendors

- At least 20% of third-party vendors must offer 24-hour services in secure, approved locations.
- Five vendors must have emergency fail-over capabilities and be able to operate offline in case of system outages.
- The system must ensure that all third-party vending stations are securely managed and provide transparent transaction reporting.

Bidder

Witness 1

Witness 2

13.3.8.8. System architecture and requirements

13.3.8.8.1. System Software Architecture

The advanced metering infrastructure (AMI) system is based on a flexible, modular design that supports:

- Integration with third-party applications like CRM, GIS, SAP, and Billing Systems.
- Customizable configurations for specific municipal requirements.
- A high-performance, scalable infrastructure that supports real-time data collection and analysis.

13.3.8.8.2. System Hardware Requirements

The system's hardware architecture must support:

- WAN (Wide Area Network) integration over 2G/3G/4G public networks.
- Secure communication and high-level encryption for data transmission.
- A fully redundant infrastructure for system reliability and uptime.

13.3.8.8.3. Data Center Requirements

The system must be hosted in at least a Tier 3 data center to ensure uptime, security, and disaster recovery. The data center must support:

- Mirrored offsite backups for disaster recovery.
- 24/7 monitoring and support for system stability.

13.3.8.9. Support, maintenance, and training

13.3.8.9.1. Support

The Service Provider must provide 24/7 technical support to Bela-Bela Municipality. Support must include:

- Onsite personnel during the initial implementation phase.
- Remote support via a help desk with a 24/7 service.
- Proactive monitoring and alerts for any system issues.

13.3.8.9.2. Maintenance and Upgrades

The Service Provider must provide continuous system maintenance, including:

- Regular firmware updates for all smart meters.
- Software upgrades and patches for the system.
- Hardware replacements if necessary.

13.3.8.9.3 Training

Comprehensive training must be provided to all stakeholders, including municipal staff, vendors, and technical personnel. Training materials must include a Standard Operating Procedure (SOP) tailored to Bela-Bela Municipality's operations.

Bidder

Witness 1

Witness 2

13.3.8.10. Reporting and auditing

The system must provide customizable reports on key performance indicators (KPIs) such as:

- Energy consumption patterns
- Revenue collection trends
- Arrears recovery
- Meter and equipment status

Reports must be accessible via a secure online portal, and audit trails must be maintained for all transactions and system changes.

13.3.8.11. Vending channels

The advanced metering infrastructure (AMI) system must support multiple vending channels to provide flexibility and convenience for Bela-Bela Municipality's customers. These vending channels will ensure that consumers can easily purchase electricity using various methods. The vending channels must include:

13.3.8.11.1. PC-Based Point of Sale (POS) Terminals

- Municipal cashier points and approved third-party vendors must be equipped with PC-based POS terminals that are fully integrated with the advanced metering infrastructure (AMI) system.
- The terminals must be able to vend tokens in real-time and accept various payment methods, including cash, credit/debit cards, and electronic transfers.

13.3.8.11.2. Mobile POS Terminals

- Mobile POS terminals must be provided for third-party vendors, enabling them to vend prepaid tokens remotely in both urban and rural areas.
- The mobile terminals must be able to operate both online and offline, with automatic synchronization when a network connection is available.

13.3.8.11.3. Mobile Phone Payments

- The system must support mobile phone vending, allowing consumers to purchase tokens via SMS or USSD.
- Integration with popular mobile payment platforms such as mobile wallets and banking apps must be supported to offer seamless transactions.

13.3.8.11.3. Vouchers

- Consumers must be able to purchase prepaid vouchers from retail outlets and third-party vendors, which can then be redeemed for prepaid electricity via the system.

13.3.8.11.4. Consumer Website

- A consumer self-service portal must be available, enabling customers to purchase tokens, view their usage history, and manage their accounts online.

Bidder

Witness 1

Witness 2

- The website must support secure online payments via credit card, debit card, and electronic bank transfers.

13.3.8.11.5. ATM Payments

- The system must integrate with automated teller machines (ATMs) to allow consumers to purchase prepaid tokens using their bank cards.

13.3.8.11.6. Third-Party Aggregators

- The system must allow third-party vendors (such as convenience stores, petrol stations, and supermarkets) to vend tokens using the national aggregator network.

- The system must track and reconcile all third-party transactions in real-time to ensure proper accounting of revenue.

13.3.8.12. System security and auditing

Security is a critical aspect of the advanced metering infrastructure (AMI) system. The following security measures must be implemented to protect both consumer data and municipal revenue:

13.3.8.12.1. Data Encryption

- All data transmitted between the system, smart meters, and vending channels must be encrypted using the latest SSL/TLS protocols to ensure secure communication.

- The system must also support encrypted storage of sensitive consumer data, such as payment details and usage history.

13.3.8.12.2. User Authentication and Role-Based Access Control

- The system must use role-based access control (RBAC) to manage user permissions and ensure that only authorized personnel can access specific functions of the system.

- Multi-factor authentication (MFA) should be implemented for system administrators and users with elevated privileges to enhance security.

13.3.8.12.3. Audit Trails and Logging

- The system must generate comprehensive audit trails for all user activities, including token vending, meter operations, and system configurations.

- The audit logs must be tamper-proof and accessible for internal audits and reviews by the Bela-Bela Municipality's internal audit section and the Auditor-General's office.

13.3.8.12.4. Fraud Prevention and Revenue Protection

- The system must have in-built mechanisms for detecting electricity theft and tampering, with automatic notifications sent to the relevant authorities when suspicious activity is detected.

- The advanced metering infrastructure (AMI) system must support remote disconnect/reconnect features, enabling the municipality to cut off service to non-compliant or delinquent consumers.

13.3.8.13. Hardware and software requirements

The successful bidder must ensure that all hardware and software supplied for the advanced metering infrastructure (AMI) system meets the following specifications:

13.3.8.13.1. Hardware Requirements

- Hosted Master Database Server: The system's core database server must be hosted in a secure Tier 3 data center, with redundancy and disaster recovery features.
- POS Terminals: Both PC-based and mobile POS terminals must meet the standard requirements for high availability and seamless integration with the central system.
- Smart Meters: All smart meters (electricity) must conform to CHINT's specifications as detailed in Section 13.3.8.6.1. The meters must support real-time communication and remote firmware updates.
- Backup Servers: A local backup server must be hosted at the Service Provider's office, with secure offsite backups conducted regularly to prevent data loss.

13.3.8.13.2. Software Requirements

- The system must run on a Windows-based platform with a user-friendly graphical interface.
- The software must support real-time vending, data collection, and reporting, with customizable dashboards for municipal users.
- The system must be web-enabled to allow secure remote access for system administrators and authorized users.

13.3.8.14. Training and capacity building

13.3.8.14.1. Staff Training

The Service Provider must provide comprehensive training to all municipal staff, including technical support staff, vendors, and system administrators. The training must cover:

- System operations and maintenance.
- Troubleshooting and support.
- Data analysis and reporting.
- Security and fraud prevention.

13.3.8.14.2. Vendor Training

Third-party vendors must be trained on the use of POS terminals and the operation of the mobile vending system. Training must also include revenue reconciliation and the generation of daily and weekly reports.

13.3.8.14.3. Standard Operating Procedures (SOPs)

The Service Provider must provide customized SOPs for all aspects of the advanced metering infrastructure (AMI) system, including:

- System installation and configuration.

- User management and security protocols.
- Emergency procedures for system outages or data breaches.

13.3.8.15. Commissioning and migration plan

The successful bidder must submit a detailed migration and commissioning plan that outlines how the advanced metering infrastructure (AMI) system will be deployed alongside the existing vending system without interrupting services.

13.3.8.15.1. Migration Plan

- The migration plan must ensure that all existing customer data is securely transferred to the new system.
- The plan must include timelines, milestones, and risk management strategies to address potential challenges during the migration process.

13.3.8.15.2. Commissioning

- The entire system, including all smart meters, vending channels, and data collection infrastructure, must be commissioned within 30 days of the tender award.
- A comprehensive system test must be performed prior to go-live to ensure that all components are functioning correctly.

13.3.8.16. Conclusion

Bela-Bela Local Municipality is seeking a reliable and experienced partner to implement the advanced metering infrastructure (AMI) solution for its prepayment vending system. The successful bidder must demonstrate the capability to provide a secure, scalable, and user-friendly system that meets the municipality's operational needs and ensures long-term revenue protection.

13.4 SELECTION CRITERIA

The following criteria in conjunction with accepted procurement criteria will be applied during the evaluation of the proposals to the Bela-Bela Local Municipality:

- a) The strength of the company's ability to complete the job successfully.
- b) The strength of the creative material in meeting the objectives;
- c) The ability to deliver within the time frame set;
- d) Must support proudly South African campaign in its procurement of goods and services

13.5 EVALUATION CRITERIA

The evaluation will be conducted on the basis of compulsory compliance requirements as indicated above. The responsive bidders will be further evaluated on functionality. The preferential point scoring will be conducted only for bidders who met the functionality cut-off points of 70 points.

Acceptance by the Municipality

By signing this part of this form of offer and acceptance, the employer identified below accepts the tenderer's offer. In consideration thereof, the employer shall pay the contractor the amount due in accordance with the conditions of contract identified in the contract data. Acceptance of the tenderer's offer shall form an agreement between the employer and the tenderer upon the terms and conditions contained in this agreement and in the contract that is the subject of this agreement.

Deviations from and amendments to the documents listed in the tender data and any addenda thereto as listed in the tender schedules as well as any changes to the terms of the offer agreed by the tenderer and the employer during this process of offer and acceptance, are contained in the schedule of deviations attached to and forming part of this agreement. No amendments to or deviations from said documents are valid unless contained in this schedule, which must be signed by the authorized representative(s) of both parties.

The tenderer shall within two weeks after receiving a completed copy of this agreement, including the schedule of deviations (if any), contact the employer's agent (whose details are given in the contract data) to arrange the delivery of any bonds, guarantees, proof of insurance and any other documentation to be provided in terms of the conditions of contract identified in the contract data at, or just after, the date this agreement comes into effect. Failure to fulfill any of these obligations in accordance with those terms shall constitute a repudiation of this agreement.

Notwithstanding anything contained herein, this agreement comes into effect on the date when the tenderer receives one fully completed original copy of this document, including the schedule of deviations (if any). Unless the tenderer (now contractor) within five days of the date of such receipt notifies the employer in writing of any reason why he cannot accept the contents of this agreement, this agreement shall constitute a binding contract between the parties.
