16. Specific Goals in terms of section 2(1)(d)(i) and (ii) of the Preferential Procurement Policy Framework Act

Bidders are required to submit original and valid B-BBEE Status Level Verification Certificates or certified copies of the original, not a photo-copy of another certified copy thereof together with their bids, to substantiate their B-BBEE rating claims.

Bidders who do not submit B-BBEE Status Level Verification Certificates or who are non-compliant contributors to B-BBEE do not qualify for preference points for B-BBEE but should not be disqualified from the bidding process. They will score points out of 90 or 80 for price only and zero (0) points for B-BBEE.

A trust, consortium or joint venture must submit a consolidated B-BBEE Status Level Verification Certificate for every separate bid.

Public entities and tertiary institutions must also submit B-BBEE Status Level Verification Certificates together with their bids.

If an institution is already in possession of a valid and original or certified copy of a bidder's B-BBEE Status Level Verification Certificate that was obtained for the purpose of establishing the database of possible suppliers for price quotations or that was submitted together with another bid, it is not necessary to obtain a new B-BBEE Status Level Verification Certificate each time a bid is submitted from the specific bidder.

Such a certificate may be used to substantiate B-BBEE rating claims provided that the closing date of the bid falls within the expiry date of the certificate that is in the institution's possession.

Each time this provision is applied, cross-reference must be made to the B-BBEE Status Level Verification Certificate already in possession for audit purposes.

AOs / AAs must ensure that the B-BBEE Status Level Verification Certificates submitted are issued by the following agencies:

Bidders other than EMEs

- Verification agencies accredited by SANAS; or
- Registered auditors approved by IRBA (until the expiration of the period prescribed by the DTI)

- Reflect that the B-BBEE Verification Certificate and accompanying assurance report issued to the measured entity is valid for 12 months from the date of issuance and reflect both the issuance and expiry date.

Confirmation of the validity of a B-BBEE Status Level Verification Certificate can be done by tracing the name of the issuing B-BBEE approved registered auditor to the list of all approved registered auditors. The list is accessible on <http://www.thedti.gov.za> and / <http://www.irba.co.za>.

The relevant approved registered auditor may be contacted to confirm whether such a certificate was issued.

Accounting officers as contemplated in section 60(4) of the CCA.

These certificates will be issued on the accounting officer's letterhead with the accounting officer's practice number and contact number clearly specified on the face of the certificates.

The content of B-BBEE Status Level Verification Certificates issued by accounting officers as contemplated in the CCA is detailed in paragraph 4.8.5 below.

In instances where Sector Charters are developed to address the transformation challenges of specific sectors or industries, the threshold for qualification as an EME may be different from the generic threshold of R10 million. The relevant Sector Charter thresholds will therefore be used as a basis for a potential bidder to qualify as an EME.

- For example, the approved thresholds for EMEs for the Tourism and Construction Sector Charters are R2.5 million and R1.5 million respectively.

- An EME that is regarded as a specialized enterprise with at least 51% black beneficiaries qualifies as a Level 2 contributor with B-BBEE level of 125% in terms of the Codes of Good Practice.
- An EME is required to submit a sworn affidavit confirming their annual total revenue of R10 million or less and level of black ownership to claim points
- An EME that is regarded as a Specialized Enterprise, is required to submit a sworn affidavit confirming their annual turnover/ allocated budget/ gross receipt of R10 million or less and level of percentage of black beneficiaries to claim points

ELIGIBILITY AS QUALIFYING SMALL ENTERPRISES (QSE)

The Codes define a QSE as any enterprise with annual total revenue of between R10 million and R50 million.

- A QSE with at least 51% black ownership qualifies as a Level 2 contributor.
- A QSE with 100% black ownership qualifies as a Level 1 Contributor.
- A QSE that is regarded as a specialized enterprise with at least 75% black beneficiaries qualifies as a Level 1 contributor with B-BBEE level of 135% in terms of the Codes of Good Practice.
- A QSE that is regarded as a specialized enterprise with at least 51% black beneficiaries qualifies as a Level 2 contributor with B-BBEE level of 125% in terms of the Codes of Good Practice.
- A QSE is required to submit a sworn affidavit confirming their annual total revenue of between R10 million and R50 million and level of black ownership or a B-BBEE level verification certificate to claim points.

O. CERTIFICATE OF INDEPENDENT BID DETERMINATION (MBD 9)

1. This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
3. Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
4. This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid rigging.
5. In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
