| 1  | Baviaans Hiking has a single contract, that with the ECPTA for the Leopard Trail. My assumption is that it would be a waste to include our 25-page previous concession document. Any suggestions on how you would want a proof of experience for this section? | Yes, the full comprehensive document must be submitted. This can be printed back-to-back. |
| 2  | We appoint a bookings and reservation management company to manage our bookings and track payments. My assumption is that this is not a sub-contractor, but rather a project expense? Please confirm                                                           | This is a project expense and not deemed to be sub-contracting                            |
