- 3.4. To carry out site inspections, product evaluations or explanatory meetings in order to verify the nature and quality of the services offered by the bidder(s), whether before or after adjudication of the Bid.
- 3.5. To correct any mistakes at any stage of the tender that may have been in the Bid documents or occurred at any stage of the tender process.
- 3.6. To cancel and/or terminate the tender process at any stage, including after the Closing Date and/or after presentations have been made, and/or after tenders have been evaluated and/or after the preferred bidder(s) have been notified of their status as such.
- 3.7. Award to multiple bidders based either on size or geographic considerations.

4. SANBI REQUIRES BIDDER(S) TO DECLARE

In the Bidder's Technical response, bidder(s) are required to declare the following:

 - g. To conduct their business activities with transparency and consistently uphold the interests and needs of SANBI as a client before any other consideration; and
 - h. To ensure that any information acquired by the bidder(s) from SANBI will not be used or disclosed unless the written consent from SANBI has been obtained to do so.

5. CONFLICT OF INTEREST, CORRUPTION AND FRAUD

- 5.1. SANBI reserves its right to disqualify any bidder who either itself or any of whose members (save for such members who hold a minority interest in the bidder through shares listed on any recognised stock exchange), indirect members (being any person or entity who indirectly holds at least a 15% interest in the bidder other than in the context of shares listed on a recognised stock exchange), directors or members of senior management, whether in respect of SANBI or any other government organ or entity and whether from the Republic of South Africa or otherwise ("Government Entity"), —

- f. pays or agrees to pay to any person any fee, commission, percentage, brokerage fee, gift or any other consideration, that is contingent upon or results from the award of any tender, contract, right or entitlement which is in any way related to procurement or the rendering of any services to a Government Entity;
- g. has in the past engaged in any matter referred to above; or
- h. has been found guilty in a court of law on charges of fraud and/or forgery, regardless of whether or not a prison term was imposed and despite such bidder, member or director's name not specifically appearing on the List of Tender Defaulters kept at National Treasury.

6. MISREPRESENTATION DURING THE LIFECYCLE OF THE CONTRACT

- 6.1. The bidder should note that the terms of its Tender will be incorporated in the proposed contract by reference and that SANBI relies upon the bidder's Tender as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder.
- 6.2. It follows therefore that misrepresentations in a Tender may give rise to service termination and a claim by SANBI against the bidder notwithstanding the conclusion of the Service Level Agreement between SANBI and the bidder for the provision of the Service in question. In the event of a conflict between the bidder's proposal and the Service Level Agreement concluded between the parties, the Service Level Agreement will prevail.

7. PREPARATION COSTS

The Bidder will bear all its costs in preparing, submitting and presenting any response or Tender to this bid and all other costs incurred by it throughout the bid process. Furthermore, no statement in this bid will be construed as placing SANBI, its employees or agents under any obligation whatsoever, including in respect of costs, expenses or losses incurred by the bidder(s) in the preparation of their response to this bid.

8. INDEMNITY

If a bidder breaches the conditions of this bid and, as a result of that breach, SANBI incurs costs or damages (including, without limitation, the cost of any investigations, procedural impairment, repetition of all or part of the bid process and/or enforcement of intellectual property rights or confidentiality obligations), then the bidder indemnifies and holds SANBI harmless from any and all such costs which SANBI may incur and for any damages or losses SANBI may suffer.

9. PRECEDENCE

This document will prevail over any information provided during any briefing session whether oral or written, unless such written information provided, expressly amends this document by reference.

10. LIMITATION OF LIABILITY

A bidder participates in this bid process entirely at its own risk and cost. SANBI shall not be liable to compensate a bidder on any grounds whatsoever for any costs incurred or any damages suffered as a result of the Bidder's participation in this Bid process.

11. TAX COMPLIANCE

No tender shall be awarded to a bidder who is not tax compliant. SANBI reserves the right to withdraw an award made, or cancel a contract concluded with a successful bidder in the event that it is established that such bidder was in fact not tax compliant at the time of the award, or has submitted a fraudulent Tax Clearance Certificate to SANBI or whose verification against the Central Supplier Database (CSD) proves non-compliant. SANBI further reserves the right to cancel a contract with a successful bidder in the event that such bidder does not remain tax compliant for the full term of the contract.

12. TENDER DEFAULTERS AND RESTRICTED SUPPLIERS

No tender shall be awarded to a bidder whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. SANBI reserves the right to withdraw an award, or cancel a contract concluded with a Bidder should it be established, at any time, that a bidder has been blacklisted with National Treasury by another government institution.

13. GOVERNING LAW

South African law governs this bid and the bid response process. The bidder agrees to submit to the exclusive jurisdiction of the South African courts in any dispute of any kind that may arise out of or in connection with the subject matter of this bid, the bid itself and all processes associated with the bid.

14. RESPONSIBILITY FOR SUB-CONTRACTORS AND BIDDER'S PERSONNEL

A bidder is responsible for ensuring that its personnel (including agents, officers, directors, employees, advisors and other representatives), its sub-contractors (if any) and personnel of its sub-contractors comply with all terms and conditions of this bid. In the event that SANBI allows a bidder to make use of sub-contractors, such sub-contractors will at all times remain the responsibility of the bidder and SANBI will not under any circumstances be liable for any losses or damages incurred by or caused by such sub-contractors.

15. CONFIDENTIALITY

Except as may be required by operation of law, by a court or by a regulatory authority having appropriate jurisdiction, no information contained in or relating to this bid or a bidder's tender(s) will be disclosed by any bidder or other person not officially involved with SANBI's examination and evaluation of a Tender.

No part of the bid may be distributed, reproduced, stored or transmitted, in any form or by any means, electronic, photocopying, recording or otherwise, in whole or in part except for the purpose of preparing a Tender. This bid and any other documents supplied by SANBI remain proprietary to SANBI and must be promptly returned to SANBI upon request together with all copies, electronic versions, excerpts or summaries thereof or work derived there from.

Throughout this bid process and thereafter, bidder(s) must secure SANBI's written approval prior to the release of any information that pertains to (i) the potential work or activities to which this bid relates; or (ii) the process which follows this bid. Failure to adhere to this requirement may result in disqualification from the bid process and civil action.

16. SANBI PROPRIETARY INFORMATION

Bidder will on their bid cover letter (SBD1) make declaration that they did not have access to any SANBI proprietary information or any other matter that may have unfairly placed that bidder in a preferential position in relation to any of the other bidder(s).

17. AVAILABILITY OF FUNDS

Should funds no longer be available to pay for the execution of the responsibilities of this bid (SANBI:G451/202), SANBI may terminate the Agreement at its own discretion or temporarily suspend all or part of the services by notice to the successful bidder. The successful bidder shall immediately make arrangements to stop the performance of the services and minimize further expenditure; provided that the successful bidder shall thereupon be entitled to payment in full for the services delivered, up to the date of cancellation or suspension.
