1 Invitation to Tender

The Perishable Products Export Control Board (PPECB) seeks to identify and appoint supplier/s to supply and deliver chemicals to the PPECB for a period of three (3) years with an option to renew for two (2) years on an as-and-when-required basis.

The PPECB is collecting information on the services provided by your organisation that may assist the PPECB to formulate specification for the competitive Tender process

1.1 Background

The PPECB is a Schedule 3A entity in terms of the Public Finance Management Act 1 of 1999. The PPECB is established in terms of Section 2 of the Perishable Products Export Control Act 9 of 1983. The main purpose of the PPECB is to promote the orderly, efficient and sustainable export of perishable products from South Africa. The PPECB manages and monitors the cold chain for the export of perishable products from South Africa. The PPECB operates under two mandates, namely the Agricultural Products Standards Act and the Perishable Products Standards Act 9 of 1983.
