For this reason, a disclaimer is displayed for supply chain practitioners to obtain supporting documentation to verify the identity and legitimacy of a supplier in these cases.

For help on how to resolve bank failures click here: [I received an email stating the bank information I captured on the CSD was sent for bank account validation and could not be validated. The response received from the bank contains an error message. The various possible error messages received from the bank are highSemiBoded in red. Search for the applicable message and follow the detailed steps associated with that error message.](#)
