

RAND WEST CITY LOCAL MUNICIPALITY

Addendum

This addendum is for **BID NO: RWCLM-7/001/2025-2026**
APPOINTMENT OF A PANEL OF ONE TO THREE (1-3)
PROFESSIONAL SERVICE PROVIDERS FOR TOWN PLANNING, LAND
SURVEYING AND GEOTECHNICAL INVESTIGATIONS, FOR A PERIOD
OF 36 MONTHS AS AND WHEN NEEDED

The following requirement is hereby withdrawn and should be disregarded:

The preferred category of competence, whereby service providers must indicate their preferred category.

Reason:

*The evaluation criteria have been structured to enable the Municipality to appoint professional service provider(s) capable of delivering a comprehensive scope of services. The intention is to appoint service provider(s) who are competent to undertake all assignments related to **Town Planning, Land Surveying, and Geotechnical Investigations.***

*Accordingly, service providers will be evaluated on their ability to provide all three professional services as a combined offering. Service providers **will therefore not be afforded the option to select or tender for individual categories.***
