SPECIFICATIONS:

PSA 8.5 (a)

(a) Nominated sub-contractor for the supply, installation and commissioning of the package plant.....Unit: Stated Sum

The Contractor shall not be paid directly for these works. Payment for the works shall be made by the Employer directly to the Nominated Sub-Contractor. The Contractor shall only be paid for the overheads and charges on profit for the total sums as determined in accordance with the provisions of Clause 6.6 of the conditions of contract. Mark up on overhead charge limited to 2.5%.

(a) 4ML/d Water Treatment Package Plant

1. Civil WorksUnit: Stated Sum
2. Manufacture, of package plantUnit: Stated Sum
3. Delivery, Installation and Commission of package plant.....Unit: Stated Sum

The Contractor shall be reimbursed directly for this item. Payment for the works shall be made by the Employer and the Contractor shall in turn make payment to the provider of the services under this item. The Contractor shall not wait for this payment before making payment to the service provider. These items are reimbursable. The Contractor shall submit three quotations from three local manufacturers. These quotations shall be market related. If the Engineer deems that the submitted quotations are not representative of market related prices, then the Engineer reserves the right to reject the quotations issued by the Contractor and in consultation with the Client provide the Contractor with further suppliers to provide quotations. Contractors are to take note that preference shall be given to service providers who have locally sourced materials and parts. The Contractor is to prove to the Engineer that the materials and parts are locally sourced and manufactured. This is to ensure that the Employer can easily obtain parts and materials for maintenance when the need arises. The Contractor shall be paid for the overheads and charges on profit for the total sums as determined in accordance with the provisions of Clause 6.6 of the conditions of contract. Mark up on overhead charge limited to 2.5%.

SPECIFICATIONS:
