In terms of the Municipal Supply Chain Management Policy, tenderers must ensure that they are up-to-date with their payments of taxes. It is a condition of bid that the taxes of the successful bidder must be in order, or that satisfactory arrangements have been made with South African Revenue Service (SARS) to meet the bidder's tax obligations.

The tenderer must attach to this page an original(s) of a valid Tax Clearance Certificate(s) or supply an electronic access PIN through the Tax Compliance Status (TCS) system. The PIN will be used to verify the taxpayer's compliance status.

Tax Compliance Status (TCS) unique PIN

How to request your Tax Compliance Status via eFiling

Once the tenderer viewed "My Compliance Profile", he may request a Tax compliance Status by:

1. Selecting the Tax Compliance Status Request option and the type of TCS for which they would like to apply, with the following options available:
 - Good standing
 - Tender
 - FIA (individuals only)
 - Emigration (individuals only)
2. Complete the Tax Compliance Status Request and submit it to SARS.

Once the request is approved by SARS, the tenderer will be issued with an overall tax compliance status and a PIN. The tenderer can request that the PIN be sent to him via SMS and the tenderer can view it on his "Tax Compliance Status Request" dashboard on his eFiling profile. The PIN can also be printed in the form of the TCS result letter.

Top Tip: A unique PIN will be issued for each request that the tenderer make.

Tax Compliance Status (TCS) unique PIN

Requesting a Tax Compliance Status at a SARS branch

When you request your Tax Compliance Status at a [SARS branch](#) and if it is approved, your Tax Compliance Status will include a PIN which can be sent to you via SMS on the registered cell phone number which SARS has on record for you or emailed to you or it can be printed in the branch if required.

How to request your Tax Clearance Certificate (TCC) at a SARS branch

You will also be able to request your TCC at a [SARS branch](#) by completing the Tax Compliance Status Request for the specific type of TCC you require, for example, Tender, Good standing, FIA or Emigration. If your tax compliance status is compliant, the SARS agent will be able to print or email you your TCC to the registered email address which SARS has on record for you.

Please note: If your tax compliance status reflects that you are non-compliant, you will not be able to print the TCC online or receive a TCC copy at a [SARS branch](#) until you have rectified your compliance. until you have rectified your compliance.

The Tax Compliance Status PIN

The PIN provides you with a way to authorise any third party to view your tax compliance status online via eFiling. Once you have provided the PIN to a third party, the PIN will enable the relevant organisation or government department to view your current tax compliance status online. It will present them with your overall compliance status as at the date and time they check it instead of your status as it was at the date that the PIN was issued to you. To protect the confidentiality of taxpayer information, no other information will be accessible.

Please note that not all government institutions and private organisations will be able to utilise the Tax Compliance Status PIN at this stage and in such instances, you must supply a printed TCC. It is envisaged that the PIN will, in time, replace the paper TCC.

The tenderer must then attach to this page an original(s) of a valid Tax Clearance Certificate(s).

1. In order to meet this requirement bidders are required to complete in full the form TCC 001 "Application for a Tax Clearance Certificate" and submit it to any SARS branch office nationally. The Tax Clearance Certificate Requirements are also applicable to foreign bidders / individuals who wish to submit bids.
2. SARS will then furnish the bidder with a Tax Clearance Certificate that will be valid for a period of 1 (one) year from the date of approval.
3. The original Tax Clearance Certificate must be submitted together with the bid. Failure to submit the original and valid Tax Clearance Certificate will result in the invalidation of the bid. Certified copies of the Tax Clearance Certificate will not be acceptable
4. In bids where Consortia / Joint Ventures / Sub-contractors are involved, each party must submit a separate Tax Clearance Certificate.
5. Copies of the TCC 001 "Application for a Tax Clearance Certificate" form are available from any SARS branch office nationally or on the website www.sars.gov.za.

SECTION 9: MBD 9: CERTIFICATE OF INDEPENDENT BID DETERMINATION

1. This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
3. Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
4. This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
5. In order to give effect to the above, the attached Certificate of Bid Determination (MBD9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
