REPORTING OF PROCUREMENT BY OTHER MEANS

No	Project Description	Name of Supplier	Contract Number	Reason for the procurement by other means	Value of contract	Award Date	Contract start date	Contract expiry
1	Procurement of Trellix software and support for one year from a single source.	Cyberlinx Security	-	On 4 February 2026 the Department requested SITA to procure an enterprise endpoint solution (anti-virus) software, licenses, support and maintenance for a period of three (3) years from 21 June 2026. On 11 February 2026, the Department requested SITA to treat this procurement request in terms of Proclamation 261 of 2025. On 13 February 2026, the SITA requested additional documents that were provided by the Department on 19 February 2026. Approval to deviate from SITA was only granted on 15 April 2026, whilst the software licences would expire on 20 June 2026 and therefore prescribed Supply Chain Management processes cannot be followed.
