In terms of Regulation 4(2-4) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. The bidder must provide the relevant proof/ required documents for each preference point system indicated.

6.4.1 Pricing Evaluation

- **Remuneration and pricing model**
 - Given the unpredictable and ad-hoc nature of the studio's requirements, quoting per individual brief is administratively unfeasible. Therefore, the Agency will be remunerated based on a Monthly Retainer (Bucket of Hours) model, underpinned by a Tiered Rate Card.
 - Bidders must quote for a fixed monthly cost for an estimated "bucket" of 20 hours per month. All ad-hoc briefs, conceptualisation, and layout work will be drawn down from this monthly

allocation. This allows the National Treasury to brief on tasks immediately without waiting for individual quotes. Hours not used within the estimated month, will not be invoiced.

- To justify the cost of the Monthly Retainer, and to provide a billing mechanism that should work drastically to exceed the monthly bucket in peak seasons, bidders must provide hourly rates for the following tiers:
- Tier 1: Junior/Production (DTP & Rollout): Layout of text-heavy documents, adapting existing concepts to various formats, and minor edits.
- Tier 2: Mid-Weight (Standard Design): Creation of social media campaigns, infographics, and standard event collateral.
- Tier 3: Senior/Creative Director (Strategy & Concept): Development of new master creative identities, high-level conceptualisation, and strategic art direction.
- Tier 4: Specialised (Multimedia): Motion graphics, video editing, and complex data visualisation.
- Budget Control: The Agency must submit a detailed monthly timesheet alongside their invoice, breaking down hours spent per brief. If a complex brief will cause the Agency to exceed their allocated monthly hours, they must provide an estimate for the overflow. No overtime or out-of-scope billing may occur without written approval.
- Bidders must submit the price schedule (SBD 3.3)
- **(Bidders must also provide a thorough breakdown quotation in their company letterhead)**
- The National Treasury reserves the right to negotiate rates submitted by bidders.

6.4.2 Specific Goals

For the purposes of this tender, the tenderer will be allocated points based on the goals stated and should be supported by proof/ documentation stated in Table 5 below.

Specific goals for the tender and points to be claimed are indicated in the table below:

TERMS OF REFERENCE

1. BACKGROUND AND CONTEXT

- 1.1 The Communication Services Chief Directorate at the National Treasury (NT) is responsible for ensuring adherence to Government and Departmental Corporate Identity (CI) standards, developing campaigns, and providing full creative services for print, digital, and multimedia platforms.
- 1.2 Currently, the National Treasury Design Studio is experiencing a 50% capacity constraint due to key vacancies at the senior and intern levels. The studio manages a high-volume environment (approximately 1,900+ projects annually), including high-stake deliverables such as the National Budget, MTBPS, Operation Vulindlela, and international events (e.g., G20, IMF/World Bank, and World Economic Forum meetings).
- 1.3 To ensure the sustainability of operations, protecting the well-being of the remaining internal staff, and maintaining the department's high standard of visual communication, the National Treasury seeks to appoint a Creative Agency on an interim/short-term basis. The Agency will provide strategic creative designs and assist with high-volume overflow tasks, allowing the internal team to focus on daily operational support, on-site multimedia, and highly secure statutory deliverables.

2. OBJECTIVES

- 2.1 To provide immediate capacity relief to the National Treasury Design Studio.
- 2.2 To supply strategic creative designs and conceptualisation for departmental campaigns and events.
- 2.3 To execute high-volume, time-intensive graphic design, DTP (Desktop Publishing), and multimedia tasks.
- 2.4 To ensure all outputs strictly adhere to the National Treasury and Government Corporate Identity (CI) guidelines.

3. DESCRIPTION OF SCOPE (AGENCY VS. INTERNAL TEAM)

To ensure seamless project management and prevent duplication of efforts, work will be strictly routed according to the following framework:

3.1 Work Allocated to the Interim Agency

The Agency will provide Strategic designs for High-Volume Overflow.

- **Strategic Conceptualisation:** Developing master creative concepts, logos, and visual identities for new campaigns, events, and programmes. If this relates to existing campaigns, open files will be provided.

- **Complex Digital & Multimedia:** Creation of complex infographics, motion graphics and video clips.
- **External Publications (Non-Embargoed):** DTP, design and layout of text-heavy, public-facing documents (e.g., newsletters, reports) based on NT standards and CI.

3.2 Work Retained by Internal NT Design Studio

- **High-Security Statutory Documents:** Layout and design of highly sensitive, embargoed documents (Budget Review, MTBPS, etc.).
- **On-Site Photography & Videography:** Physical event photography and Ministry/EXCO portraits, as well as assisting principals with recorded video messages in the NT recording studio.
- **Daily Internal Communications:** Fast-turnaround staff emailers, intranet banners, screensavers and campaign communication.

4. SPECIFIC DELIVERABLES FOR THE AGENCY

4.1 The Agency will provide:

- **Digital Assets:** Social media/web banners, digital invitations, etc.

- **Ad-hoc Creative Services:** Additional graphic design, DTP, or multimedia tasks as required by the department to ensure flexibility for emerging campaigns and unforeseen operational needs.

5. WORKFLOW AND PROJECT MANAGEMENT

- **Briefing:** All requests will be routed through the Budget Manager, as the primary point of contact who will delegate specific briefs and oversee projects through designated Responsibility Managers within the Communication Services Chief Directorate.
- **Project Tracking:** The Agency must assign a Project Manager to update status on the National Treasury's Monday.com board.
- **Accountability and Delays:** To ensure strict accountability, the Agency's Project Manager is fully responsible for meeting all agreed deadlines. Any unforeseen delays arise; the

Agency must formally communicate with both the Budget Manager and Responsibility Manager **before** the deadline. Unjustified delays and repeated failure to meet the agreed turnaround times will constitute a performance breach and may result in withheld retainers, payments, penalty deductions, or contract termination.

- **File Management:** The Agency will be expected to work within a OneDrive folder link provided by the National Treasury. This ensures that all information, project assets, and open files are accessible by the internal team in real-time or for archival purposes as needed.
- **Turnaround Times:** Standard (24-48h), Complex (as per schedule), Urgent (6-12h).
- **Meetings & Briefings:** Conducted via MS Teams with physical (in-person) meetings accommodated as and when required. A dedicated team member must attend weekly production meetings and ad-hoc one-on-ones with the relevant SMS members.

6. REMUNERATION AND PRICING MODEL

 - **Tier 4: Specialized (Multimedia):** Motion graphics, video editing, and complex data visualization.

No overtime or out-of-scope billing may occur without written approval.
