2. BACKGROUND INFORMATION

The Industrial Development Corporation of South Africa Limited (the IDC) is a self-financing state-owned national development finance institution that provides financing to entrepreneurs and businesses engaged in competitive industries. Its primary objective is to contribute to the creation of balanced, sustainable economic growth in South Africa and the rest of the continent. To do this effectively and efficiently, the IDC often requires assistance from industry experts and independent advisors. It is against this background that IDC seeks to appoint the panel of service providers for the fair valuation of unlisted investments for the IDC.

The IDC Management is delegated by the Board to value the company's financial instruments, in line with approved delegation of authority matrix, IDC policies, systems and procedures. While some of these financial instruments are listed in the Johannesburg Stock Exchange (JSE) and their prices quoted on the open market, unlisted shares are valued internally using various valuation approaches which require management to make inputs and assumptions.

All equity investments are measured at fair value at the IDC level, and these fair values are determined by management and approved by the Investment Monitoring Committee (IMC). The fair value gains or losses on these equity instruments are recognised as part of Other Comprehensive Income (OCI) in the balance sheet.

The equity valuations are performed by different Departments within the IDC, with the valuations of unlisted investments performed bi-annually, at half-year (September) and year-end (March). To ensure that the IDC equity instruments are accurately captured in the financial statements, the underlying fair values have to be appropriately valued and independently verified.

Note: Panel members will be engaged through RFQ processes.

Disbursements (incidental expenses other than professional fees e.g., travel and accommodation, printing costs, etc.) must be clearly defined, outlining all assumptions. It is of utmost importance to submit clear and comprehensive cost proposals to allow the IDC to fairly compare bid price / cost proposals. If there is no additional fee envisaged for Disbursements, then the bidder must clearly indicate “No Charge / Free of Charge”. Failure to clearly indicate this, would result in IDC penalising your bid response by taking the cost of the highest bidder and adding 50% thereto and apply this rate for purposes of price comparisons. Bidders are therefore requested to respond clearly and comprehensively on this aspect of their bid response.
