INTERNAL MEMORANDUM

DATE:	13 December 2023	FILE NR:	20/1/1
TO:	Ms L. Jansen Court Manager: Blue Downs	FROM:	Ms B Tontsi Senior Administration Clerk
CC:			

SUBJECT:	APPROVAL TO PROCURE SEVERAL PIECES OF FURNITURE AND OTHER HOUSEHOLD ITEMS TO ENSURE THAT THE EXISTING COURT IS UPGRADED INTO THE SEXUAL OFFENCES COURT ESTABLISHED IN TERMS OF THE SEXUAL OFFENCES COURT MODEL: MAGISTRATE'S COURT: BLUE DOWNS
-----------------	---

1. PURPOSE:

The purpose of this memorandum is to obtain approval for the upgrading of furniture and other essential household items required for the Sexual Offences Unit at the Magistrate's Court: Blue Downs. The need for these upgrades has been identified at the meeting held on the 17th of October 2023 involving all relevant stakeholders. The Sexual Offences court model is based on the concept of providing victims of sexual offences with specialised facilities, personnel and services in order to protect complainants of sexual offences and their families from secondary victimisation and trauma.

2. BACKGROUND:

The impact of sexual violence on victims, especially those who are children, has been shown to cause serious, long-lasting effects on the physical, psychological, emotional and developmental levels of victims. Research has shown that this impact is often exacerbated by the treatment that victims experience at the hands of the criminal justice system, leading to secondary victimisation. It has long been accepted that victims of sexual violence require specialised intervention by all parties involved in the criminal justice system to ensure that they receive the sensitivity and care that is required in order to respect their rights to dignity and privacy. The Sexual Offences Courts Model therefore promotes the spirit of entrenching the victim empowerment aspirations through its victim-centric features that offer support services to victims of sexual violence. At a recently held meeting on the 17th of October 2023, it was decided that the sexual offences court in Blue Downs needs to be revamped and this will reinforce the establishment of a victim-centred court system that is prompt, responsive and effective. The court administration was tasked to

procure several pieces of furniture and other essential household items to ensure that the existing court is upgraded into the Sexual Offences Court established in terms of the Sexual Offences Court Model.
