1. BACKGROUND

1.1 Public Protector South Africa (PPSA) is a Chapter 9 institution constituted under Section 181 of the Constitution of the Republic of South Africa, in which the PPSA has the power to:

1.1.1 Investigate any conduct in state affairs or in the public administration in any sphere of government that is alleged or suspected to be improper or that will result in impropriety or prejudice;

1.1.2 Report on that conduct; and

1.1.3 Take appropriate remedial action.

PPSA is independent and subject only to the Constitution and the law, always impartial and must exercise its powers and perform its functions without fear, favour or prejudice. PPSA is accountable to the National Assembly and must report on its activities and performance to the National Assembly at least once a year. PPSA has the power as regulated by the national legislation to investigate any conduct in state affairs, or in the public administration in any sphere of government that is alleged or suspected to be improper or to result in any impropriety or prejudice.

2. OBJECTIVE OF A BID

2.1 To appoint eligible and accredited service provider to supply, installation and commissioning of closed-circuit television (CCTV) surveillance camera system including 24 months (24) adhoc maintenance plan for the office of the Public Protector provincial office in Polokwane office

3. SCOPE OF WORK

3.1 **The appointed bidder will be responsible for the following:**

Supply and Installation of CCTV System

- Provide and install a comprehensive CCTV surveillance system that meets the PPSA's security requirements.
- The system must include high-definition IP cameras with both indoor and outdoor capabilities, covering the entire premises, including entry and exit points, common areas, parking lots, and other critical areas.
- Cameras must include night-vision functionality and be equipped with motion detection features.
- Install network video recorders (NVR) for storage and retrieval of footage. The NVR system should support at least **30 days** of video retention.
- The system must provide live monitoring capabilities via a central control system or mobile devices.
- Cameras should include weatherproof housing, vandal-resistant features, and tamper detection.

Components of the CCTV System

- A minimum of **5** high-definition (1080p or better) IP cameras with pan, tilt, and zoom (PTZ) functionality for high-traffic or critical areas
- A minimum of **10** fixed cameras for general surveillance of less critical areas.
- Network Video Recorders (NVR) with sufficient storage capacity for **30-day** footage retention at full resolution
- LCD monitors for real-time video display at designated security monitoring stations.
- Backup power supply (UPS) to ensure uninterrupted recording in the event of a power failure.

Commissioning and Testing

- The bidder must install, configure, and fully commission the CCTV system.
- Conduct comprehensive testing to ensure the cameras, NVRs, and other components function optimally.
- Provide training for security personnel on the use of the system, including live monitoring, retrieval of footage, and troubleshooting.

24-Month Ad Hoc Maintenance Plan

- The successful bidder will be required to provide ad hoc maintenance for a period of 24 months after installation.
- The maintenance plan should cover:
 - Regular inspections and testing of all cameras, recording equipment, and related components.
 - Repairs, replacements, or upgrades as required to ensure continuous operation.
 - Technical support for any issues that may arise during the maintenance period.
 - Firmware and software updates for all system components.

3.2 Minimum Requirements for Bidder

The bidder must meet the following minimum requirements:

- Relevant experience in the supply, installation, and maintenance of CCTV surveillance systems.
- Proven track record of successfully completed CCTV projects of a similar scope and scale.
- Availability of qualified technicians for installation and ongoing maintenance.
- Certified partner or reseller status with reputable CCTV manufacturers.

3.3 Compliance with Regulations

The installation and operation of the CCTV system must comply with the relevant legislation, including:

- Protection of Personal Information (POPI) Act.
- Occupational Health and Safety (OHS) regulations.
- Any other applicable industry standards.

3.4 Deliverables

The successful bidder will provide:

- A fully operational CCTV surveillance camera system with all required components.
- Documentation, including system diagrams, user manuals, and technical specifications.
- Training for security personnel.
- A 24-month ad hoc maintenance plan for the installed CCTV system.

3.5 Timelines

- The project must be completed within **8 weeks** from the date of award.

The maintenance period will commence upon successful completion and commissioning of the system.

3.6 Technical Requirements

The following is the minimum technical requirements that the bidder must supply. The list of equipment is a bare minimum and not an exhaustive list. The bidder must supply and install all listed specifications in this RFQ. All equipment supplied must meet technical and equipment requirements.

- 11.1 By submitting a bid in response to the RFQ, the bidder will be taken to offer to render all or any of the services described in the bid response submitted by it to the PPSA on the terms and conditions and in accordance with the specifications stipulated in this RFQ document.
- 11.2 The bidder shall prepare for a possible presentation should PPSA require such and the bidder shall be notified before the actual presentation date. Such presentation may include a practical demonstration of services as called for in this RFQ.
- 11.3 The bidder agrees that the offer contained in its bid shall remain binding upon him/her and receptive for acceptance by the PPSA during the bid validity period indicated in the RFQ and calculated from the bid closing hour and date such offer and its acceptance shall be subject to the terms and conditions contained in this RFQ document read with the bid.
- 11.4 The bidder furthermore confirms that he/she has satisfied himself/herself as to the correctness and validity of his/her bid response; that the price(s) and rate(s) quoted cover all the work/item(s) specified in the bid response documents; and that the price(s) and rate(s) cover all his/her obligations under a resulting contract for the services contemplated in this RFQ; and that he/she accepts that any mistakes regarding price(s) and calculations will be at his/her risk.
- 11.5 The successful bidder accepts full responsibility for the proper execution and fulfilment of all obligations and conditions devolving on him/her under the supply agreement and SLA to be concluded with PPSA, as the principal(s) liable for the due fulfilment of such contract.
- 11.6 The bidder accepts that all costs incurred in the preparation, presentation and demonstration of the solution offered by it shall be for the account of the bidder. All supporting documentation and manuals submitted with its bid will become PPSA property unless otherwise stated by the bidder/s at the time of submission.
- 11.7 No attempt may be made, whether directly or indirectly, to canvass any member of PPSA employees before the award of the contract.
- 11.8 Any enquiries must be referred, in writing, to the specified persons.

12. Contract requirements

12.1 Contract period

The start date of the project implementation will be confirmed with the successful bidder upon contract negotiations. The initiative is based on deliverables.

13. General terms and conditions of contract

Bidders must complete the attached the General Terms and Conditions of the contract.

14. Price basis

- 14.1 Bidders shall take into account that PPSA's total requirements will be allocated to one bidder.

- 14.2 Bidders shall quote prices in South African Rand and Value Added Tax shall be included:
- 14.2.1 For PPSA to be in a position to facilitate the evaluation of bids and the administration of the contract it is required that bidders must provide pricing which is all inclusive.
- 14.3 Bidders shall quote on the basis indicated in the Pricing Schedule.
- 14.4 Prices tendered for must be inclusive of all required deliverables as per specification.
- 14.5 PPSA requires an all-inclusive and fully transparent cost structure.
- 14.6 Where figures are referred to in numerals and in words and there is a conflict between the two, the words will prevail.
- 14.7 The successful bidder shall commit to the programme of continuous improvement, which will result in cost-efficiencies during the duration of the contract.
- 14.8 Bidders must warrant to PPSA and indicate that the pricing quoted is free of any errors or omissions and that the Bidder is able to deliver the contract on the prices quoted

15. Payment terms

- 15.1 The standard 30 day payment period will apply on the payment of all invoices from receipt of valid invoice.

16. Tax clearance certificate

- 16.1 Government is committed to reducing supply chain related fraud and ensuring that persons conducting business with the State are not afforded any scope to abuse the supply chain management system.
- 16.2 It is therefore essential to ensure that persons conducting business with the State are tax compliant when participating in tenders or other bidding processes. On 18 April 2016, the South African Revenue Service (SARS) introduced an enhanced TCS system aimed at improving compliance and making it easier for taxpayers to manage their tax affairs.
- 16.3 Implementation of the tax compliance status system:
- 16.3.1 In order to comply with the new TCS system and the condition of bids that a successful bidder's tax matters must be in order, Accounting Officers and accounting authorities of all PFMA complaint institutions must:
- 16.3.1.1 Designated officials, preferably from Supply Chain Management Unit, whose function will be to verify the tax compliance status of a bidder on the South African Revenue Services' Tax compliance status system housed on eFiling.
- 16.3.1.2 Utilise the SBD1 issued by National Treasury when inviting bids,
- 16.3.1.3 As a bid condition, accounting officer or accounting authorities must request bidders to register on Government's Central Supplier Database and to include in their bid their

Master Registration Number (Supplier Number) in order to enable the institution to verify the supplier's tax status on the Central Supplier Database.

- 16.4 The CSD and tax compliance status PIN are the approved methods to be used to prove tax compliance as the South African Revenue Services (SARS) no longer issues Tax Clearance Certificates but has made provision online, via e-Filing, for bidders to print their own Tax Clearance Certificates which they can submit with their bids or price quotations.
- 16.5 Accounting Officers are therefore required to accept printed or copies of Tax Clearance Certificates submitted by bidders and verify their authenticity on e-Filing. The verification result will be filed for audit purposes.
- 16.6 Where a bidder does not submit a tax compliance status PIN but provides a Central Supplier Database (CSD) number, the accounting officer and accounting authority must utilise the CSD number via its website www.csd.gov.za to access the supplier records and to verify the bidder's tax compliance status. A printed screen view at the time of verification should then be attached to the supplier's records for audit purposes.

17. Counter Conditions

Bidder's attention is drawn to the fact that amendments to any of this condition of bid by bidders may result in the invalidation of the bids.

18. Fronting

- 18.1 The PPSA support the Broad Black Based Economic Empowerment and recognises that the real empowerment can only be achieved through individuals and businesses conducting themselves in accordance with the Constitution and in an honest, fair, equitable, transparent and legally compliant manner. Based on the above (PPSA) condemns any form of fronting.
- 18.2 The PPSA, in ensuring that bidders conduct themselves in an honest manner will, as part of the bid evaluation processes, conduct or initiate the necessary enquiries/investigations to determine the accuracy of the representation made in the bid documents. Should any of the fronting indicators as contained in the Guidelines on Complex Structures and Transactions and Fronting, issued by the Department of Trade and Industry, be established during such enquiry /investigation, the onus will be on the bidder / contractor to prove that fronting does not exist. Failure to do so within a period of 14 days from date of notification may invalidate the bid/contract and may also result in the restriction of the bidder /contractor to conduct business with the public sector for a period not exceeding ten years. The matter may be reported to the National Prosecuting Authority (NPA) for criminal investigation and charges in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

19. Promotion of Emerging Black owned bidders

- 19.1 It is the PPSA's objective to promote transformation across all industries and/ or sectors of the South African economy and as such, bidders are encouraged to partner with a black owned entity (being 50%+1 black owned and controlled). Such partnership may include the formation of a Joint Venture and/ or subcontracting agreement etc., where a portion of the work under this tender would be undertaken by black owned entities. To give effect to this requirement, bidders are required to submit a partnership / subcontracting proposal detailing the portion of work to be outsourced, level of involvement of the black owned partner and where relevant, submit a consolidated B-BBEE scorecard in-line with the provisions of the PPPFA Regulations which will be considered as part of the B-BBEE scoring.

20. Supplier Performance Management

- 20.1 Supplier Performance Management is viewed by the PPSA as a critical component in ensuring value for money acquisition and good supplier relations between the PPSA and all its suppliers.
- 20.2 The successful bidder shall upon receipt of written notification of an award, be required to conclude a Service Level Agreement (SLA) with the PPSA, which will form an integral part of the supply agreement. The SLA will serve as a tool to measure, monitor and assess the supplier's performance and ensure effective delivery of service, quality and value-add to PPSA's business.
- 20.3 Successful bidders will be required to comply with the above-mentioned conditions, and also provide a scorecard on how their product / service offering is being measured to achieve the objectives of these conditions.

21 Supplier Development

- 21.1 The PPSA promotes enterprise development. In this regard, successful bidders may be required to mentor SMMEs and/ or designated group which are at least 51% owned by:
- 21.1.1 black people
 - 21.1.2 black people who are youth
 - 21.1.3 black people who are women
 - 21.1.4 black people that formed a cooperative (primary, secondary or tertiary cooperative) or
 - 21.1.5 black people living in rural areas or underdeveloped area or township.

22. Screening

- 22.1 Acceptance of this bid may be subject to the condition that the successful bidder must be cleared by the appropriate authorities to render the service within the organ of the state.

23. PPSA requires bidder(s) to declare

In the Bidder's Technical response, Bidder(s) are required to declare the following:

- 23.1 Confirm that the bidder(s) is to: –

23.1.1 Act honestly, fairly, and with due skill, care and diligence, in the interests of PPSA;

23.1.2 Have and employ effectively the resources, procedures and appropriate technological systems for the proper performance of the services;

23.1.3 Act with circumspection and treat PPSA fairly in a situation of conflicting interests;

23.1.4 Comply with all applicable statutory or common law requirements applicable to the conduct of business;

23.1.5 Make adequate disclosures of relevant material information including disclosures of actual or potential own interests, in relation to dealings with PPSA;

23.1.6 Avoidance of fraudulent and misleading advertising, canvassing and marketing;

23.1.7 To conduct their business activities with transparency and consistently uphold the interests and needs of PPSA as a client before any other consideration; and

23.1.8 To ensure that any information acquired by the bidder(s) from PPSA will not be used or disclosed unless the written consent of the client has been obtained to do so.

24. Conflict of interest, corruption and fraud

- 24.1 PPSA reserves its right to disqualify any bidder who either itself or any of whose members (save for such members who hold a minority interest in the bidder through shares listed on any recognised stock exchange), indirect members (being any person or entity who indirectly holds at least a 15% interest in the bidder other than in the context of shares listed on a recognised stock exchange), directors or members of senior management, whether in respect of PPSA or any other government organ or entity and whether from the Republic of South Africa or otherwise ("Government Entity")

24.1.1 Engages in any collusive tendering, anti-competitive conduct, or any other similar conduct, including but not limited to any collusion with any other bidder in respect of the subject matter of this bid;

24.1.2 Seeks any assistance, other than assistance officially provided by PPSA, from any employee, advisor or other representative of PPSA in order to obtain any unlawful advantage in relation to

procurement or services provided or to be provided to PPSA;

- 24.1.3 Makes or offers any gift, gratuity, anything of value or other inducement, whether lawful or unlawful, to any of PPSA's officers, directors, employees, advisors or other representatives;
- 24.1.4 Makes or offers any gift, gratuity, anything of any value or other inducement, to any PPSA's officers, directors, employees, advisors or other representatives in order to obtain any unlawful advantage in relation to procurement or services provided or to be provided to PPSA;
- 24.1.5 Accepts anything of value or an inducement that would or may provide financial gain, advantage or benefit in relation to procurement or services provided or to be provided to PPSA;
- 24.1.6 Pays or agrees to pay to any person any fee, commission, percentage, brokerage fee, gift or any other consideration, that is contingent upon or results from, the award of any tender, contract, right or entitlement which is in any way related to procurement or the rendering of any services to PPSA;
- 24.1.7 Has in the past engaged in any matter referred to above; or
- 24.1.8 Has been found guilty in a court of law on charges of fraud and/or forgery, regardless of whether or not a prison term was imposed and despite such bidder, member or director's name not specifically appearing on the List of Tender Defaulters kept at National Treasury.

25. Misrepresentation

- 25.1 The bidder should note that the terms of its Tender will be incorporated in the proposed contract by reference and that PPSA relies upon the bidder's Tender as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder.
- 25.2 It follows therefore that misrepresentations in a Tender may give rise to service termination and a claim by PPSA against the bidder notwithstanding the conclusion of the Service Level Agreement between PPSA and the bidder for the provision of the Service in question. In the event of a conflict between the bidder's proposal and the Service Level Agreement concluded between the parties, the Service Level Agreement will prevail.

26. Preparation costs

- 26.1 The Bidder will bear all its costs in preparing, submitting and presenting any response or Tender to this bid and all other costs incurred by it throughout the bid process. Furthermore, no statement in this bid will be construed as placing PPSA, its employees or agents under any obligation whatsoever, including in respect of costs, expenses or losses incurred by the bidder(s) in the preparation of their response to this bid.

27. Indemnity

- 27.1 If a bidder breaches the conditions of this bid and, as a result of that breach, PPSA incurs costs or damages (including, without limitation, the cost of any investigations, procedural impairment, repetition of all or part of the bid process and/or enforcement of intellectual property rights or confidentiality obligations), then the bidder indemnifies and holds PPSA harmless from any and all such costs which PPSA may incur and for any damages or losses PPSA may suffer.

28. Precedence

- 28.1 This document will prevail over any information provided during any briefing session whether oral or written, unless such written information provided, expressly amends this document by reference.

29. Limitation of liability

- 29.1 A bidder participates in this bid process entirely at its own risk and cost. PPSA shall not be liable to compensate a bidder on any grounds whatsoever for any costs incurred or any damages suffered as a result of the Bidder's participation in this Bid process.

30. Tender defaulters and restricted suppliers

- 30.1 No tender shall be awarded to a bidder whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. PPSA reserves the right to withdraw an award, or cancel a contract concluded with a Bidder should it be established, at any time, that a bidder has been listed as defaulted with National Treasury by another government institution.

31. Governing Law

- 31.1 South African law governs this bid and the bid response process. The bidder agrees to submit to the exclusive jurisdiction of the South African courts in any dispute of any kind that may arise out of or in connection with the subject matter of this bid, the bid itself and all processes associated with the bid.

32. Responsibility for sub-contractors and bidder's personnel

- 32.1 A bidder is responsible for ensuring that its personnel (including agents, officers, directors, employees, advisors and other representatives), its sub-contractors (if any) and personnel of its sub-contractors comply with all terms and conditions of this bid. In the event that PPSA allows a bidder to make use of sub-contractors, such sub-contractors will at all times remain the responsibility of the bidder and PPSA will not under any circumstances be liable for any losses

or damages incurred by or caused by such sub-contractors.

33. Confidentiality

- 33.1 Except as may be required by operation of law, by a court or by a regulatory authority having appropriate jurisdiction, no information contained in or relating to this bid or a bidder's tender(s) will be disclosed by any bidder or other person not officially involved with PPSA's examination and evaluation of a Tender.
- 33.2 No part of the bid may be distributed, reproduced, stored or transmitted, in any form or by any means, electronic, photocopying, recording or otherwise, in whole or in part except for the purpose of preparing a Tender. This bid and any other documents supplied by PPSA remain proprietary to PPSA and must be promptly returned to PPSA upon request together with all copies, electronic versions, excerpts or summaries thereof or work derived there from.
- 33.3 Throughout this bid process and thereafter, bidder(s) must secure PPSA's written approval prior to the release of any information that pertains to (a) the potential work or activities to which this bid relates; or (b) the process which follows this bid. Failure to adhere to this requirement may result in disqualification from the bid process and civil action.

34 Proposal documents

- 34.1 **Quotations to be submitted only through PPSAQUOTATIONS04@pprotect.org**. It is the bidder's sole responsibility to ensure that the complete bid has been received by the Closing Date and Time.
- 34.2 All documents and correspondence must be in English, failure to comply, the bid proposal will not be evaluated.
