1. Query 1 (sent via email dated: 16 May 2022 10:17)

- Do we have to be registered on the eThekweni Municipality Supplier database? If yes, do we complete the registration forms online and print the documents and include it in the tender document.
- Kindly advise who the target audience will be for this training?
- What level of experience do they have?
- Is there a specific NQF level you require?
- Would you like this to be a Skills programme, or a Full Learnership/Qualification

Clarification for Query 1:

- The training will be for any employee, but this will be further determined by the needs from each Unit with the Municipality.
- Please refer to the Unit Standard as it clearly explains in terms of learning assumed to be in place.
- Yes as per the US
- It is a skills Programme

2. Query 2 (sent via email dated: 12 May 2022 13:02)

- I just wanted to double check with you the unit standards for the advertised tender 1Z - 4198 as I was aligning to what we are accredited for. The document speaks of only services seta accreditation where else the second unit standard seems to be under LG Seta.

Clarification for Query 2:

- The Specification does say Services Seta or any relevant Seta or further The Department of Education.

3. Query (sent via email dated 13 May 2022 14:04)

- Good Day, I would like confirmation that no payment or proof of payment is required to be sent, since documents were downloaded.

Clarification for Query 3:

No proof is required as tender documents are downloaded by the service providers.

4. Query 4 (sent via email dated 16 May 2022 11:51)

- Enquiry about whether or not a company should both be Registered on National Treasury Central Database (CSD) and as well as the eThekweni Municipality's database.

Clarification for Query 4:

- Yes, you need to be registered this is found on page 2 of the tender document Registration on the eThekweni Municipality's Database can be done via website:
