ADDENDUM NO.1 TO INVITATION TO TENDER NO - LP00163AR

The appointment of the panel of eleven (11) service providers based on the standardized rates, for the provision of Meter Reading Services within Limlanga Cluster – Limpopo on “as and when” required basis for a period of 60 months

Following the non - compulsory tender clarification meeting held on 04 June 2024 the following amendments are to be noted on the published tender document.

1. Invitation to tender document has been amended on the following aspects:

Original	Amended
The following contractual requirements shall apply: b) Technical compliance • The contractors will be allowed a period of 90 days (3) months to obtain the Eskom Low Voltage (LV) authorisation in the tendering company. • Task order will not be allocated to the contractor in the panel unless they submit proof of Eskom Limpopo Operating Unit authorisation	The following items will form part of the contractual obligations and conditions of the task order to the contractor • The contractors will be allowed a period of 90 days (3) months to obtain the Eskom Low Voltage (LV) authorisation in the tendering company. • Task order will not be allocated to the contractor in the panel unless they submit proof of Eskom Limpopo Operating Unit authorisation
Post Tender Award Consideration - Is the information that the contractors need to comply at post award, which will affect the allocation of task orders Where contractors do not have Limlanga Cluster authorization/s, they will still have an opportunity to meet the threshold and be ranked within the panel, but this would mean that these contractors will need to be taken through the authorization process prior to contract signing	Where contractors do not have Limlanga Cluster authorization/s, they will still have an opportunity to meet the threshold and be ranked within the panel, but this would mean that these contractors will need to be taken through the authorization process after contract signing.

The deadline for Tender submission 17 June 2024 at 10h00 AM	18 June 2024 at 10h00 AM
---	--------------------------

2. Please note that the closing date of the tender submission has been corrected to **18 June 2024 at 10h00 am.**
3. Tenders are advised to continuously check the Eskom tender portal and National Treasury e-tenders for the latest tender updates during this period.
4. The tender submission address and all other information remains unchanged.

The amended invitation to tender document is uploaded on the Eskom tender portal and National Treasury e-tenders. Tenderers are encouraged to ensure they respond to the tender with the latest published tender document.

All other information remains unchanged.

Yours faithfully

Mr Madimetja Phalane

Procurement Manager, Limlanga Cluster
