1	•The B-forms only allow for three (3) projects but the bid documents states that five (5) projects should be provided. The excel spreadsheet can not be edited as it is password protected. •I have noted that if a project is input that is still in progress it gives a warning "DATES BEYOND TENDER CLOSING DATE – PLEASE CHECK". Do they have to be completed projects?	Form B1	The allowance for 5 project experience has been included in the Technical Submission spreadsheet Addendum 2 attached in excel format to this addendum. Project experience should be listed as the candidates experience and not the project end date. The date of experience gained cannot be beyond the closing date of the tender. Projects do not have to be completed to be listed as candidates project experience.
2	Please confirm that Form B5 and B6 is not a requirement for the above tender, in the Technical submission.	N/A	Forms B5 and B6 are not a requirement and part of this tender.
3	The section 3.6 still does not add up. The inaccuracy is at sections 3.6.8 a, b and c. These values does not sum up when inserting rates.
