SPECIFICATION FOR SUPPLY AND DELIVERY OF SANITARY TOWELS AS AND WHEN REQUIRED FOR THE DEPARTMENT OF SOCIAL DEVELOPMENT FOR A PERIOD OF THREE (03) YEARS

1. INVITATION

The Department of Social Development invites suitable bidders to supply and deliver sanitary towels as required by the Department.

2. INTRODUCTION AND BACKGROUND

Globally, the lack of sanitary towels remains a particular challenge for indigent girls and many vulnerable women, including in South Africa. Several girls from socioeconomically poor households miss school during their menstruation cycle because they lack access to appropriate sanitary products.

In recent years, there has been a growing national interest in addressing the challenge in response to the President's call in the 2011 State of the Nation Address where he stated as follows; "Given our emphasis on women's health, we will broaden the scope of reproductive health rights and provide services related to amongst others, contraception, sexually transmitted infections, teenage pregnancy and sanitary towels for the indigent".

A vast number of children and women in South Africa have resorted to using unacceptable and shameful alternatives to sanitary pads as they cannot afford sanitary pads. The use of these substitutes exposes them to serious health risks and infections. Guided by the Sanitary Dignity Framework, government has identified the need to provide indigent girls and women, with safe hygienic and protective sanitary towels. The Department of Social Development hereby undertakes to establish the necessary mechanism to deliver sanitary pads in an organized and equitable manner for the benefit of all targeted girls and women within Mpumalanga Province.
