1. OVERVIEW

The Agricultural Research Council (ARC) is a Research Science and Technology institution of excellence in South Africa, which operates within the National System of Innovation. The ARC has a mandate for innovative and creative agricultural research, technology development and transfer aimed at the advancement of South African agriculture. Its operations are overseen by the ARC Council which is appointed by and accountable to the Minister for Agriculture, Forestry and Fisheries.

The Agricultural Research Council (ARC) invites service provider (Green Building Consultant) to ensure certification of the New Centre of Excellence on Climate Smart Agriculture for livestock & crops facility with the Green Building Council of South Africa to achieve a Green Star rating and assist the professional team with the implementation at Roodeplaat in Pretoria for the duration of the project.

2. TENDER SUBMISSION

Completed and sealed tender submissions reflecting **“the name of the tenderer”** must be deposited into the Tender Box located at **1134 Park Street, Hatfield, Pretoria** for the attention of: “The Senior Supply Chain Manager”, **by no later than 11:00 am (o’clock) on 15 November 2024**

Tender documents submitted after the closing time and date specified will not be considered. ***No submissions sent by email or facsimile will be accepted.***

3. LODGING OF BID SUBMISSIONS

- 3.1 Bidders are requested to submit two (2) complete documents into the tender box (one original functionality proposal and one original for financial proposal) and prepare **three (3) copies of the functionality proposal**. **A USB of the functionality and a USB of the financial proposal should also be submitted. The “two envelope system” will be used for this tender. One envelope shall be clearly marked “Functionality Proposal” and another be clearly marked “Financial Proposal”. The name of the bidder and the tender number should reflect on the “sealed” envelopes.**
- 3.2 Bid proposals/submissions not received on time and date specified will not be considered. Any entities/companies that are submitting their proposals as joint ventures are not allowed to submit their own proposals separately from the joint venture. Submitting a second separate proposal from the joint venture will lead to disqualification.

4. **PURPOSE**

The purpose of this request is to appoint service provider (Green Building Consultant) to ensure certification of the New Centre of Excellence on Climate Smart Agriculture for livestock & crops facility with the Green Building Council of South Africa to achieve a Green Star rating and assist the professional team with the implementation at Roodeplaat in Pretoria for the duration of the project.

5. **OBJECTIVE**

The ARC's objectives for the tender is to appoint a service provider (Green Building Consultant) to ensure certification of the New Centre of Excellence on Climate Smart Agriculture for livestock & crops facility with the Green Building Council of South Africa to achieve a Green Star rating and assist the professional team with the implementation at Roodeplaat in Pretoria for the duration of the project.

5.1 These services are to be provided, but are not limited to the following;

5.1.1 **Project Location.**

The site address is **ARC VIMP at Roodeplaat, R573 Kwamhlanga Road / Moloto Road, Roodeplaat West, Pretoria.** The site development plan and locality attached to the bid document indicate the location more precisely.

5.2 **Project Scope**

5.2.1 The ARC requires the development & construction of a multi storey Centre of Excellence on Climate Change facility, with an estimated project value of Five Hundred and Twenty Million (R520 000 000.00).

5.2.2 The project will include but is not limited to the following:

- Entrance Lobby, Reception Area & Waiting Area
- Sample Receiving & Storage Area
- Admin & Offices
- Shared Office Workspace
- State of the Art Laboratories
- Function Space & Hospitality Deck
- Food Preparation and Coffee Shop facilities
- Ablution facilities

- Break away & Meeting Rooms
- Planted Green Roof system
- Back of house facilities including gas storage, chemical storage, waste containment areas, mechanical & electrical plant area, workshop, generator & solar back up areas, water storage area / water purification & server rooms

5.2.3 The anticipated project should qualify for a four (4) star minimum to five (5) star green building rating.

5.2.4 The consultant will comment, advise and report on all aspects of professional design services within the accepted work stages of architectural design, but not limited to the following;

5.2.4.1 Clarifying of the scope of works, fees and documentation programme associated with the submission.

5.2.4.2 Working with the client and project team to develop the Green Star or Net Zero strategy, to determine which points will be targeted and what star rating/Net Zero level will be targeted, and what the order of magnitude costs will be for these (each professional or quantity surveyor (QS) responsible for determining the cost of various initiatives). For Green Star this should include a buffer of points beyond the rating threshold. This is typically done through an initial workshop with the project team.

5.2.4.3 Identify risks and mitigation plans for credits at risk of not being achieved.

5.2.4.4 Registration of the project with GBCSA: assisting the client for a signed certification agreement and payment of GBCSA registration fees.

5.2.4.5 Assisting the project team throughout Work Stages 1 (inception) to Work Stages 6 (Close Out) to achieve a successful Green Star / Net Zero rating using the Green Star SA rating tools including the nine separate environmental impact categories:

- 1.26 “Tort” means in breach of contract.
- 1.27 “Turnkey” means a procurement process where one service provider assumes total responsibility of all aspects of the project and delivers the full end product / service required by the contract
- 1.28 “Written” or ‘in writing” means hand-written in ink or any form of electronic or mechanical writing.

2. Application

- 2.1 These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services (excluding professional services related to the building and construction industry), sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.

- 2.2 Where applicable, special conditions of contract are also laid down to cover specific goods, services or works.
- 2.3 Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

3. General

- 3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.
- 3.2 With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria, 0111, or accessed electronically from www.treasury.gov.za

4. Standards

- 4.1 The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.

5. Use of contract documents and information inspection

- 5.1 The supplier shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.
- 5.2 The supplier shall not, without the purchaser's written consent, make use of any document or information mentioned in the GCC clause 5.1 except for purposes of performing the contract.
- 5.3 Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier's performance under the contract if so required by the purchaser.

- 5.4 The supplier shall permit the purchaser to inspect the supplier's records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

6. Patent rights

- 6.1 The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.

7. Performance Security

- 7.1 Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in the SCC.
- 7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.
- 7.3 The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:
- a) A bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country, or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
 - b) A cashier's or certified cheque.
- 7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

8. Inspections, tests and analysis

- 8.1 All pre-bidding testing will be for the account of the bidder.

- 8.2 If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organisation acting on behalf of the Department.
- 8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.
- 8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analysis shall be defrayed by the purchaser.
- 8.5 Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.
- 8.6 Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.
- 8.7 Any contract supplies may on or after delivery be inspected, tested or analysed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.
- 8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

9. Packing

- 9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation,

rough handling during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.

- 9.2 The packing, marking and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.
