

SOUTH AFRICAN BROADCASTING SABC SOC LIMITED
("the SABC")

RFQ NUMBER: RFQ/FIN/2022/98 Clarification No:1

**RFQ TITLE: PROVISION OF SOFTWARE MAINTENANCE FOR
EXISTING SAP LICENCES FOR A PERIOD OF SIX (6) MONTHS.**

Clarification Seeking Questions:

- Kindly advise the start and end date for the software maintenance? SAP require this information upon supplying a quote.
- Please also confirm why the support is only for 6 months as SAP quotes on a minimum of 12 months.

Answer:

Start Date: 1 September 2022

End Date: 28 February 2023

- The SABC is busy with a process to contract for a longer period. This six-month contract is to allow time to finalise that process and not be without support.
