**DESIGN AND REPLACEMENT OF FUEL OIL FLOW METERS FOR A PERIOD OF 24 MONTHS**

**TENDER: E3748GXMPHEN**

This serves to inform you that the following document has been updated:

1. ***NEC* ECC3 Replacement of fuel oil flow meters**

Greetings, we have added:

" In the case where welding is required, the contractor shall develop written and authorised NDT procedures which are suited to deliver the desired inspection solution. In all such cases, the NDT procedures shall be approved in writing by the Eskom NDT Level 3 prior to inspection. These procedures shall be made part of the design package. "

*On page 40, this is to address the NDT requirements as required.*

2. Invitation to Tender closing date has been extended to 02 December 2026

All documents are uploaded on Eskom Tender Bulletin and National Treasury website.
