CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

TERMS OF REFERENCE

APPOINTMENT OF A SERVICE PROVIDER TO PROVIDE SUBSCRIPTION SERVICE FOR MEDIA MONITORING PRODUCTS FOR THE DEPARTMENT OF WATER AND SANITATION AND ITS ENTITIES FOR A TWO-YEAR PERIOD.

1. PURPOSE

To appoint a service provider to provide a subscription service for media monitoring products for the Department of Water and Sanitation and its entities for a two-year period.

2. BACKGROUND

The Department of Water and Sanitation (DWS) consists of a National Office, 9 regional offices (one in every province) and a number of Entities, namely: Amatola Water, Bloem Water, Lepelle Northern Water, Magalies Water, Mhlathuze Water, Overberg Water, Rand Water, Sedibeng Water, Umgeni Water, Trans Caledon Tunnel Authority, Water Research Commission, Inkomati Catchment Management Agency (CMA), BreedeGouritz CMA, Berg-Olifants CMA, Limpopo-North-West CMA, Olifants CMA, Orange CMA, Mzimvubu-Tsitsikama CMA, Pongola-Mzimkulu CMA and Vaal CMA. As a service department that has nine (9) entities, DWS receives a considerable amount of coverage across the country on a daily basis. It is thus important that all media coverage pertaining to the department is tracked and monitored closely.

The Chief Directorate: Communication Services is a custodian of the department's image both in the media and public domains. It is thus an imperative requirement to monitor the media constantly and to track the media coverage related to the Ministry, department, its entities, water boards and stakeholders. It becomes critical for Communication Services to proactively ensure that a contract is in place so that this service can continue without interruption.

Media monitoring products are very important as they highlight the department's media presence as well as the impact of its messaging. This will ensure that the department better understands the strengths and weaknesses of its communication strategies and programmes as well as opportunities for success and areas of improvement.

A subscription to these products will ensure that the department can access all media coverage on a daily basis, all hours of the day and be able to respond to issues in real time. The most important benefit, however, of the subscription service is that it will enable the department to, amongst other benefits, receive media alerts so that issues requiring rapid response could be attended to and resolved as quickly as possible.

3. SCOPE OF WORK

DWS requires a subscription that will deliver on the following outcomes:
