RE: INVITATION TO TENDER (E1925NTCSASG)

Dear Sir/ Madam

Kindly refer to the above subject.

After careful deliberation, we regret to advise that NTCSA SOC Limited would like to cancel the tender for the supply, installation, repair and servicing of HVAC Equipment in all Southern Grid substations and Commercial Buildings due to the following reason/s:

Incorrect CIDB grading level specified at the time of advertisement: Following the recent CIDB training, it has been identified that the grading level initially stated did not align with the applicable thresholds prescribed in Regulation 25 of the Construction Industry Development Regulations (2004).

In order to ensure compliance, fairness, and audit readiness, the tender will be withdrawn and re-advertised with the correct CIDB grading level.

NTCSA would like to take the opportunity to thank you for participation in the above.

Yours Faithfully
