14. INTRODUCTION

The NHFC, a Schedule 3A Development Finance Institution (DFI) of the National Department of Human Settlements, was established in 1996 with the principal mandate of broadening and deepening access to finance for the low to middle income South African households. The NHFC is largely a wholesale financier of social housing institutions, non-banking retail intermediaries, privately owned property developers and investors.

The target market of the NHFC is the low-to-middle income housing market which typically includes households who earn between R3 500 and R22 000 per month. The NHFC mandate requires the company to make housing and housing finance accessible and affordable to facilitate this objective.

This is done through:

- providing wholesale funding to housing development projects for ownership, social housing and private rental, including inner cities, and for incremental housing purposes;
- partnering with banks and other non-banking retail financial intermediaries to increase their sustained lending and innovation in the target market served; and
- Leveraging private sector funding for the sustainable development of human settlements.

More specifically, NHFC's strategic priorities are to:

- Expand housing finance activities, through the effective provision of housing finance solutions, enabling low-to-middle income households to have the choice of renting, owning or incrementally building to meet their housing needs;
- Facilitate increased and sustained lending by financial institutions to the affordable housing market;
- Mobilise funding into the human settlements space on a sustainable basis, in partnership with a broad range of institutions;
- Conduct the business activities of the NHFC in an ethical manner that ensures the continued economic sustainability of the NHFC, while promoting sustainable social and environmental development; and
- Stimulate the low-to-middle income housing sector by providing robust, relevant and timely research and market analysis to practitioners and housing customers.

15. PURPOSE OF REQUEST FOR PROPOSAL (RFP)

The purpose of this Request for Proposal (RFP) is to solicit proposals from potential bidders for the provision for office space for NHFC for renting / occupation in Rosebank or Illovo area, in Johannesburg. The approximate space needed is 2 060 square metres including office storage rooms but excluding the parking bays. This is not an offer to do business with NHFC but merely serves as an invitation to bidders to facilitate a requirements-based decision process. In addition to the above, the bidder must provide the pricing for space planning designs for the NHFC to ensure effective and efficient usage of the available office space.

The NHFC is aware that most property owners may **not** provide space planning services internally and will in most cases, work with a third-party contractor/consultant in this regard. Therefore, for the bidding process, the bidders are required to only provide quotation for such services whether done internally or through a sub-contractor.

16. SCOPE OF WORK

The NHFC is looking for a service provider to provide:

- Office space with secured parking facilities in a secure environment in Rosebank or Illovo areas, and
- to provide a quotation for the space planning designs of the office. The output of this process which will be undertaken with the winning bidder and will be computer aided designs (C.A.D.) on the envisaged layout and furniture in the new premises.

The lease period will be from 1 October 2022 to 30 September 2025 and the NHFC wishes to have the right but not obligation to extend the lease for a further two years. However, with respect to the actual pricing to be quoted on the Pricing Schedule, bidders should quote for 3 years.

Ensure that the proposal covers sustainability through use of renewable power, lighting, water harvesting and where appropriate carbon power generators. In addition, accessibility needs for people with mobility or visibility constraints must be catered for.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

This Standard Bidding Document (SBD) must form part of all bids¹ invited.

- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price proposals, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
