1.1. BACKGROUND

SENTECH is a state-owned company and is the largest broadcasting signal distributor in Africa. SENTECH is a licensed Electronic Communications Network Service provider in South Africa, currently operates a number of communication networks from which Internet access is provided for customers and internal use.

1.2. SCOPE OF WORK

SENTECH is looking for a service provider who will conduct a workshop based training , on the Cybercrimes Act of 2021 and to also include general awareness on Cybercrimes for an approximately of 420 staff members.

We require training in the form of a workshop for our EXCO , Heads and some specialists .

The training should include a brief overview of the recently enacted Cybercrimes Act No 19 of 2020. This Act applies to All Electronic Communications Service Providers (ECSPs) and anyone who uses a Computer . We require a basic understanding of this Act and how it may have an impact to SENTECH .

Cybercrimes under this act is not limited but is made up as follows :

- unlawful access
- unlawful interception of data (acquisition, viewing, capturing, copying)
- unlawful acts in respect of software and hardware tools(use or possess)
- unlawful interference with data or a computer program
- unlawful interference –computer storage medium or computer system
- unlawful acquisition, possession, provision, receipt or use of password, access codes or similar data or devices (purpose)
- cyber fraud
- cyber forgery and uttering
- cyber extortion
- aggravated offences
- Theft of incorporeal property (patent)
