

AGENDA: COMPULSORY BRIEFING MEETING
PROJECT: NC/18/2022 – SIYATHEMBA 142: THE CONSTRUCTION OF 142 BNG HOUSES IN SIYATHEMBA FOR THE GAMAGARA MUNICIPALITY
DATE: THURSDAY, 23 FEBRUARY 2023
VENUE: GAMAGARA LOCAL MUNICIPALITY OFFICE
TIME: 09h00

Item	Ref	Description
1.		Opening & Welcome Mr Ditebogo Sebuesengwe welcomed the CoGHSTA and Municipality representatives and all the tenderers present and explained the purpose of the briefing. Philip Loots (PL) from V3 Consulting (CoGHSTA PMU) was invited to present the tender document to the attendees. The Tender Number and tender name were read out to confirm that all parties present are attending the correct meeting. The tenderers were informed that the tender will close only on Friday, 03 March 2023 @ 11h00.
2.		Tender Documents Tenderers were informed to print their own tender document from the e-tender website. They were further requested to submit a Hard Copy document with a scanned electronic format on a DVD or flash drive.
3.		Matters for discussion
3.1		Attendance Register: An attendance register circulated, and all present were instructed to write neatly, to ensure that the contact details are legible.
3.2		Scope of Works: Construction of 142 BNG Houses in Siyathemba for the Gamagara Local Municipality. The scope of works was also read out from the tender document
3.4		Site Inspection: Site inspection was done after briefing.
3.5 3.5.1		Tender Document: General Tender Information: The tender will close on 03 March 2023 @ 11h00. Tender Box is situated at the offices of COGHSTA, 9 Cecil Sussman Road, Kimberley. A two-stage, one envelope procedure will be used, thus tender prices will not be read out directly after closing. They will however be published on the website by CoGHSTA Supply Chain Management Unit. Please ensure that the correct Tender Details are clearly written on the cover of the sealed envelope and that the details and return address of the tenderer is placed on the back of the envelope as per clause F.2.13 on page T1-11 & 12 of the tender documents.

Item	Ref	Description

No interim payments will be made for site establishment and discarding of materials. First payment will be made only after milestone 1 (Foundation) has been reached.

Item	Ref	Description
3.10.2	C3.1	It was highlighted that COGHSTA does not pay VAT. The Minimum Specification of houses on pages C3-26 to C3-28 were highlighted in the Scope of Works. Clause 3.1.10.5 Should be added and read as follow: The contractor will be required to submit a Completion Quality Pack for each stand number in the scope of works as part of completion of the project. Each pack will consist of the following documentation: (i) Signed Happy Letter (ii) As-built drawing of house indicating orientation on stand and services connections. (iii) SANS 10400 – A: Form 4 (Structure) – Signed by the NHBRC Registered Engineer (iv) Test Cube results (v) Roof Certificate (vi) COC – Electrical Installation Retention payments will be retained should the above documents not be submitted per stand.
3.11	C3.3	Engineering Drawings: Where specifications on the drawings deviate from the minimum housing specifications as stated in clause C 3.1.10 of the Scope of works, the contractor shall adhere to the specifications.
4.		Minutes of the Meeting: The tenderers are required to sign receipt of the Minutes of the tender briefing and attach it as part of Addendum 01 to the tender document.
5.		General, Questions & Answers
5.1		Question: Is the JV allowed since most of the companies available does not have the 7GB. Answer:Yes,JV is allowed.The tenders must visit the CIDB site to read more about the JV.They must also note that when submitting for bidding they must submit the documents for both companies-each and every certificate required. Question: When doing the JV,is the company required to use another company that is present in the briefing or not? Answer: Because the tender was advertised 2 weeks ago,the companies that knows that they don't meet the requirements were supposed to make the necessary arrangement. The Meeting was adjourned.
