AGRICULTURE AND RURAL DEVELOPMENT
REPUBLIC OF SOUTH AFRICA

REQUEST FOR QUOTATION (RFQ)

YOU ARE HEREBY REQUESTED TO PROVIDE GAUTENG DEPARTMENT OF AGRICULTURE AND RURAL DEVELOPMENT (GDARD) WITH A WRITTEN PRICE QUOTATION AS PER THE PRESCRIBED SPECIFICATIONS OR TERMS OF REFERENCE

RFQ Number	AGR0043/26
RFQ Description	APPOINTMENT OF A PROFESSIONAL SERVICE PROVIDER (PSP) TO RENDER PROFESSIONAL SERVICES FOR THE GAUTENG DEPARTMENT OF AGRICULTURE, RURAL DEVELOPMENT, RAND-WEST AGRIPARK UPGRADING OF EXISTING INFRASTRUCTURE.
RFQ Advert Date	22 July 2026
Compulsory Briefing Session Date and Time	29 July 2026 @ 10:00 – 11:00
Compulsory Briefing Session Venue	Rand West Agripark is in the Rand West City Local Municipality, near the town of Bekkersdal. It is situated on Portion 34 of Gemspost 288, IQ. The GIS coordinates: -26.27859; Long: 27.68124
RFQ Closing Date and Time	05 August 2026 @ 11:00
Validity Period	60 Days

RFQ ENQUIRIES

RFQ enquiries must be directed / emailed to	Mmaphuthi Poelinca Mmaphuthi.poelinca@gauteng.gov.za
RFQ responses (quotations) must be sent to: SCM Team Ursula.Ngati@gauteng.gov.za or Lebogang.Kau@gauteng.gov.za	
Department	Department of Agriculture and Rural

	Development Umnotho House Building 56 Eloff Street, Johannesburg
--	--

NB: Please use the RFQ number on the subject line of the email when submitting the quotation

CONDITIONS OF THE RFQ:

1. All quotations should be submitted on a company's letterhead and signed by the company's representative.
2. All prices must be firm and must be inclusive of VAT. (Price escalations and the conditions of escalation, where necessary, should be clearly indicated).
3. Prices quotations must be valid for 60 days from the quotation closing date.
4. Delivery period must be indicated on a quotation.
5. Quotations must be e-mailed to the address provided herein
6. All required documentation to be submitted with your quotation are attached to this request.
7. Quotations submitted after the closing date and time will not be considered.
8. The lowest or any offer will not necessarily be an acceptable offer, and GDARD reserves the right not to accept any offer either in full or in part.
9. GDARD reserves the right not to award this RFQ.
10. The general conditions of contract as published by National Treasury will apply to all contracts entered between GDARD and the supplier.

PROTECTION OF PERSONAL INFORMATION

By responding to this RFQ, GDARD acknowledges that it may obtain and have access to personal information of the responding bidder. GDARD agrees that it shall only process the information disclosed by bidder in their response to this RFQ for the purpose of evaluating and awarding of this RFQ and in accordance with any applicable law.

Furthermore, GDARD will not otherwise modify, amend or alter any personal information submitted by the bidder or disclose or permit the disclosure of any personal information to any third party without prior written consent from the bidder. Similarly, GDARD requires bidders not to process any personal information disclosed by GDARD to any third party without the consent of GDARD

SPECIFICATION / TERMS OF REFERENCE

Refer to the attached terms of reference (Annexure A and Annexure B).

1. INTRODUCTION AND BACKGROUND

The Gauteng Department of Agriculture, Rural Development (GDARD), as an organ of state, requires infrastructure to deliver its services to the citizens of Gauteng Province. Through its legislative mandate, GDARD has infrastructure delivery functions that must be performed in accordance with the Framework for Infrastructure Delivery and Procurement Management (FIDPM), effective from 1 October 2019. The FIDPM covers the Government's Supply Chain Management (SCM) system and is aligned with the Infrastructure Delivery Management System (IDMS).

The infrastructure functions of GDARD, which include new infrastructure, additions, upgrades, refurbishments, renovations, rehabilitation and maintenance, must be aligned to the IDMS for agricultural and rural development infrastructure that includes the following, but is not limited to:

- Agricultural Support Infrastructure, such as:
 - Agricultural Structures:
 - Piggery structures
 - Poultry structures
 - Animal handling facilities
 - Shade nets
 - Hydroponic tunnels
 - Irrigation systems
 - Aquaculture related structures
 - Fencing
 - Drilling and equipping of boreholes
 - Fresh Produce Markets
 - Veterinary Clinics
 - Agriparks infrastructure facilities and equipment
- Agro-processing and Rural development infrastructure and facilities.

GDARD is implementing an upgrade to the Pack house for Rand West Agripark, located in the Rand West City Local Municipality.

2. OBJECTIVES

GDARD would like to invite Professional Service Providers with relevant built-environment expertise to submit a quotation to provide the necessary expertise, support, hands-on management, and oversight for the Rand-West Agripark Upgrading of Existing Pack house, from Stage 3 (Design Development) through to Stage 7 (Close-Out) in accordance with the Infrastructure Delivery Management System (IDMS) and Framework for Infrastructure Delivery and Procurement Management (FIDPM).

2.1. Specific Services

Architect as Principal Agent

The following are to form part of the Architect's team:

- ❖ Civil/ Structural Engineering
- ❖ Electrical/Mechanical Engineering
- ❖ Occupational Health & Safety
- ❖ Social Facilitator

Valid proof of registration with the relevant council as per the Council for Built Environment Act of 2000. Professional Service Providers must take note that the GDARD reserves the right to tender outside this panel should the need arise.

3. NATURE OF WORKS

Work shall be classified according to the following criteria:

Upgrades and Additions

4. ELIGIBILITY

Only those Professional Service Providers who have in their management and employment suitably registered Professional Persons in accordance with the relevant South African legislation for Professionally Registered Persons and in terms of the professional bodies listed below, are eligible to submit bids:

- South African Council for the Architectural Professions (SACAP)
- Engineering Council of South Africa (ECSA)
- South African Council for the Project and Construction Management Professions (SACPCMP)

5. ACKNOWLEDGEMENT OF ADDENDA

The Professional Service Providers shall acknowledge receipt of any addenda to the bid documents that the GDARD, as the Employer, may issue, if necessary.

6. CONTRACTUAL REQUIREMENTS

Successful Professional Service Providers will be required to sign a Service Level Agreement (SLA) and to have an official Purchase Order issued by the Department.

7. FINANCIAL PLAN

Professional Service Providers (PSPs) are required to submit a detailed financial proposal for the project. The financial proposal shall comply with the requirements of GAUTENG PROVINCIAL TREASURY (GPT) INFRASTRUCTURE INSTRUCTION: 02 of 2025/26 PROFESSIONAL SERVICE PROVIDERS FOR INFRASTRUCTURE PROJECTS as of 1 August 2025, including Table 1 below.

7.1. The following requirements shall apply:

- The total professional fees for all appointed disciplines combined shall not exceed eleven per cent (11%) of the estimated construction cost, excluding VAT.
- Rates submitted shall be market-related, competitive, and inclusive of all mandatory discounts. The GDARD reserves the right to negotiate lower rates if deemed appropriate.
- Fees shall not be calculated solely based on professional council fee scales or tariffs. The GDARD will evaluate pricing based on value for money, project complexity, required expertise, and compliance with GPT cost-containment measures.
- The financial proposal shall indicate:
 - Professional fees per FIDPM stage.
 - Deliverables associated with each stage.
 - Cost per deliverable.
 - Total fee excluding VAT.
 - VAT amount.
 - Total fee including VAT.
- Payment shall be linked to the satisfactory completion and acceptance of agreed deliverables and project milestones. No payment shall be made for incomplete, substandard, or rejected deliverables.
- PSPs shall not be entitled to additional compensation for rework resulting from errors, omissions, poor quality outputs, or failure to exercise due diligence during planning and design stages.
- Any additional services not included in the approved scope shall only be undertaken upon receipt of prior written approval from the GDARD and shall be priced on a fixed-fee basis.
- The financial proposal shall include all costs necessary to execute the assignment, including professional fees, travel, accommodation, meetings, inspections, administration, reporting, statutory submissions, and any other incidental expenses required to complete the project.

- Invoices shall clearly indicate the project stage, deliverable achieved, percentage completed, and supporting evidence of acceptance by the GDARD.
- No work shall commence prior to the signing of the Service Level Agreement and the issuance of an official Purchase Order by the GDARD.

Due to potential financial or budget constraints within the Department, or the reprioritisation of projects, there may be instances where the SLA or contracts with PSPs need to be terminated or services temporarily suspended. In such cases, a formal written notice will be provided to the PSPs, with a minimum notice period of 30 days before the termination or suspension is implemented. At that stage, PSPs shall be paid only for work already completed and accepted by the GDARD.

Table 1: Summary of the Fee percentage (%) for each stage applicable to GPG Infrastructure Projects

Stage Name per FIDPM		Discipline & prescribed percentage points for each stage			
		Architect	Civil/Structural Engineer	Electrical Engineer	Mechanical Engineer
1	Initiation	0.86%	2%	2%	2%
2	Concept	3.25% ⁽¹⁾	10% ⁽¹⁾	7.5% ⁽¹⁾	7.5% ⁽¹⁾
		9.75% ⁽²⁾	18.33% ⁽²⁾	13.75% ⁽²⁾	13.75% ⁽²⁾
3	Design Development	4% ⁽³⁾	20% ⁽³⁾	17.78%	17.78%
		16%	26.67%		
4	Design Documentation	Stage 4.1: 7.5% ⁽¹⁾ 10% ⁽²⁾	8.08% ⁽³⁾	12.31%	12.31%
		Stage 4.2: 10%	9.23%		
5	Works	12.5% ⁽⁴⁾	16%	25.5%	25.5%
		21.88% ⁽⁵⁾			
6	Handover	3%	3%	3%	3%
7	Close-Out	7%	7%	7%	7%

7.2. Proposal Fees Determination

Based on the Professional Service Provider's own investigation, experience, and knowledge, prepare a comprehensive financial proposal to carry out the scope of work as per the schedule of quantities below. Completion of the schedule of quantities below confirms that the PSP clearly understands the services specification for each item, immediately indemnifies GDARD against any omissions or oversights, and confirms that the submitted rates reflect the expected milestones.

The PSPs' rates are to include full compensation for the supply of all materials, labour, equipment, utilisation, transport, overheads, profits, colour reports, and all work necessary for or incidental to the items scheduled.

When completing the Schedule of Fees below, use the cost of work estimate as R 1 034 399.12, including VAT.

Cost schedule as per the scope of work activities/ work breakdown structure/milestones.

SERVICE PROVIDER COST SCHEDULE	PLANNED/ COST PROPOSAL						
	Unit	Architect	Civil/Structural Engineer	Electrical/Mechanical Engineer	Occupational Health & Safety	Social Facilitator	Amount
Undertake Condition Assessments	sum	R	R	R	-	-	R
Stage 3: Design Development	sum	R	R	R	-	-	R
Stage 4: Design Documentation	sum	R	R	R	-	-	R
Stage 5: Works (Completed works capable of being used or occupied)	sum	R	R	R	R	R	R
Stage 6: Handover (Works which have been taken over by the user or owner; completed training; record information)	sum	R	R	R	R	R	R
Stage 7: Close-Out (Defects Certificate or Certificate of Final Completion; Final Account; Close-Out Report)	sum	R	R	R	R		R
Sub-Total Professional fees =	sum	R	R	R	R	R	R
Vat (15%) =	%	R	R	R	R	R	R
Total =	sum	R	R	R	R	R	R

8. APPOINTMENT DURATION

GDARD intends to appoint the successful Professional Service Provider (PSP) for a period of two (2) years, unless the appointment is terminated earlier due to a breach of contract or any other valid reason in terms of the agreement.

The agreement will only come into effect once GDARD has issued a Purchase Order and a signed Service Level Agreement (SLA) for the specific project. The appointment will remain in force until all required services have been satisfactorily completed and formally accepted by GDARD.

Notwithstanding the above, the Department reserves the right to terminate or suspend the SLA or any related contract should financial constraints, budget reductions, or the reprioritisation of projects necessitate such action. In these circumstances, GDARD will provide the PSP with at least thirty (30) days' written notice of the intended termination or suspension.

Should the agreement be terminated or suspended, the PSP will be compensated only for services that have been completed and formally accepted by GDARD up to the effective date of termination or suspension.

9. SCOPE OF SERVICES

9.1. Regulatory Compliance

The successful PSP is to ensure that all relevant legislation, including bylaws, Codes of Practice, Practice notes, Standards, and Statutory requirements, is adhered to.

9.2. Services Specification

9.2.1 Planning Processes:

Infrastructure Planning

Undertake condition assessments of existing infrastructure. The control point deliverable is complete when the condition assessment report (s), including specifications for repairs and maintenance, are approved by GDARD.

9.2.2 Project Processes:

Stage 3: Design Development

The design development report shall, as necessary:

- Develop in detail the accepted concept to finalise the design and definition criteria.
- Establish the detailed form, character, function and costings.
- Define all components in terms of overall size, typical detail, performance and outline specification.
- Describe how infrastructure, or elements or components thereof, are to function, how they are to be safely constructed, how they are to be maintained and how they are to be commissioned.
- Confirm that the project scope can be completed within the budget or propose a revision to the budget.

Stage 3 is complete when the design development report is approved by the GDARD.

Stage 4: Design Documentation

Design documentation provides the:

- Production information that details performance definition, specification, sizing and positioning of all systems and components that would enable construction.
- Manufacture, fabrication and construction information for specific components of the work informed by the production information.

Stage 4 is complete when the design documentation report is approved by the GDARD.

Stage 5: Works (Completed works capable of being used or occupied)

The following is required for completion of the Works stage:

- Completion of the works is certified in accordance with the provisions of the contract.
- The goods and associated services are certified to have been delivered in accordance with the provisions of the contract.

Stage 5 is complete when the Works Completion Report is approved by GDARD.

Stage 6: Handover (Works which have been taken over by the user or owner; completed training; record information)

The following activities shall be undertaken during the handover stage:

- Finalise and assemble record information which accurately reflects the infrastructure that is acquired, rehabilitated, refurbished, or maintained; and
- Handover the works and record information to the user organisation, and if necessary, train end-user staff in the operation of the works.

Stage 6 is complete when the Handover/Record Information report is approved by GDARD.

Stage 7: Close-Out (Defects Certificate or Certificate of Final Completion; Final Account; Close-Out Report).

The close out stage commences when the end user accepts liability for the works. It is complete when:

- Record information is archived.
- Defects certificate and certificates of final completion are issued in terms of the contract.
- Final amount due to the Contractor is certified, in terms of the contract.
- Close-Out Report is prepared by the Implementer and approved by the GDARD.

Stage 7 is complete when the Close-Out Report is approved by GDARD.

It is important to note that each of the following stages will be deemed complete once approved by GDARD as per the FIDPM, which can be accessed on the National Treasury website www.treasury.gov.za

9.3. Description and Site Access

9.3.1 Location:

The existing Rand West Agripark is located in the Rand West City Local Municipality, close to the town of Bekkersdal. It is situated on Portion 34 of Gemspost 288, IQ. The GIS coordinates:

Lat: -26.27859; Long: 27.68124

Rand West Agripark: Locality Map

9.3.2 Drawings submitted to the Municipal Council
See Annexure A

10. EVALUATION METHODOLOGY

10.1. General

The PSP will be evaluated and adjudicated in terms of the Public Finance Management Act 1 of 1999, the Preferential Procurement Policy Framework Act 5 of 2000, the Preferential Procurement Regulations, 2022, the Supply Chain Management Policy of the GDARD, and the applicable Treasury Regulations.

10.2. Mandatory Documents Requirements

All the documents below must be duly completed, signed, and submitted:

- (a) Detailed proposal and Project Implementation Plan with clear timeframes, including the Methodology.
- (b) A schedule of completed contracts of a similar nature. Provide a schedule of 3 or more completed similar projects. Details to be provided in the schedule must include:
 1. Description of the project
 2. Name of Employer/Client and representative with contact details (Each reference must be on the client letterhead and signed).
 3. Cost of the works
 4. Fee for services
 5. Date of completion

- (c) A detailed project organogram identifying the entity's management structure and all staff resources to be employed on the project. The curricula vitae (CVs) of the proposed personnel for the project are to accompany the organogram and are to include certificates of professional qualifications and registration with professional bodies.

Architect/Lead

- CV that indicates a minimum of 3 years post-registration experience working on building projects.
- Professional Registration with SACAP
- Copy of qualification Bachelor in Architectural or B-Tech or equivalent to NQF 7 or higher

Structural/Civil Engineer

- CV that indicates a minimum of 3 years post-registration experience working on building projects.
- Active Professional Registration with ECSA
- Copy of qualification Bachelor in Structural/Civil Engineering or B-Tech or equivalent to NQF 7 or higher

Electrical/ Mechanical Engineer

- CV that indicates a minimum of 3 years post-registration experience working on building projects.
- Active Professional Registration with ECSA
- Copy of qualification Bachelor in Electrical/Mechanical Engineering or B-Tech or equivalent to NQF 7 or higher

Construction Health and Safety

- CV that indicates a minimum of 3 years post-registration experience working on building projects.
- Active Professional Construction Health and Safety Agent with SACPCMP
- Copy of qualification Bachelor in the Occupational Health and Safety or B-Tech or equivalent to NQF 7 or higher

Social Facilitator

- CV that indicates a minimum of 8 years' experience working on building projects, with an emphasis on stakeholder facilitation, community engagement and consultations.
- Copy of a National Diploma in Community Development/Development Studies/ Sociology/Psychology /Public Relations or equivalent to NQF 6 or higher

- (d) A copy of the bidder's Professional Indemnity Insurance certificate indicating the maximum value of a claim in an insurance period, the applicable excess and the expiry date. A minimum cover of R2m is required for this project.

Proof of qualification equivalence by SAQA, in case of foreign qualifications, to be submitted.

Please note that non-adherence to the above will cause the PSP to be disqualified from the bid process.

10.3. Administrative Documents Requirements

Bidders are required to submit the following additional documents with the bid proposal:

- (a) A Tax Compliance Status Pin.
- (b) Proof of National Treasury Central Supplier Database (CSD) registration.
- (c) Company Profile.
- (d) Company registration (CIPC) document.
- (e) A certified copy of a valid BBBEE certificate or affidavit.

BIDDER'S DISCLOSURE

1. PURPOSE OF THE FORM

Any person (natural or juristic) may make an offer or offers in terms of this invitation to bid. In line with the principles of transparency, accountability, impartiality, and ethics as enshrined in the Constitution of the Republic of South Africa and further expressed in various pieces of legislation, it is required for the bidder to make this declaration in respect of the details required hereunder.

Where a person/s are listed in the Register for Tender Defaulters and / or the List of Restricted Suppliers, that person will automatically be disqualified from the bid process.

2. Bidder's declaration

2.1 Is the bidder, or any of its directors / trustees / shareholders / members / partners or any person having a controlling interest¹ in the enterprise, employed by the state? **YES/NO**

2.1.1 If so, furnish particulars of the names, individual identity numbers, and, if applicable, state employee numbers of sole proprietor/ directors / trustees / shareholders / members/ partners or any person having a controlling interest in the enterprise, in table below.

Full Name	Identity Number	Name of State institution

2.2 Do you, or any person connected with the bidder, have a relationship

¹ the power, by one person or a group of persons holding the majority of the equity of an enterprise, alternatively, the person/s having the deciding vote or power to influence or to direct the course and decisions of the enterprise.

with any person who is employed by the procuring institution? **YES/NO**

2.2.1 If so, furnish particulars:

.....

2.3 Does the bidder or any of its directors / trustees / shareholders / members / partners or any person having a controlling interest in the enterprise have any interest in any other related enterprise whether or not they are bidding for this contract? **YES/NO**

2.3.1 If so, furnish particulars:

.....

3 DECLARATION

I, _____ the _____ undersigned,
 (name)..... in
 submitting the accompanying bid, do hereby make the following
 statements that I certify to be true and complete in every respect:

- 3.1 I have read and I understand the contents of this disclosure;
- 3.2 I understand that the accompanying bid will be disqualified if this disclosure is found not to be true and complete in every respect;
- 3.3 The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However, communication between partners in a joint venture or consortium² will not be construed as collusive bidding.
- 3.4 In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications, prices, including methods, factors or formulas used to calculate prices, market allocation, the intention or decision to submit or not to submit the bid, bidding with the intention not to win the bid and conditions or delivery particulars of the products or services to which this bid invitation relates.
- 3.4 The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.
- 3.5 There have been no consultations, communications, agreements or arrangements made by the bidder with any official of the procuring

² Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

institution in relation to this procurement process prior to and during the bidding process except to provide clarification on the bid submitted where so required by the institution; and the bidder was not involved in the drafting of the specifications or terms of reference for this bid.

- 3.6 I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

I CERTIFY THAT THE INFORMATION FURNISHED IN PARAGRAPHS 1, 2 and 3 ABOVE IS CORRECT.

I ACCEPT THAT THE STATE MAY REJECT THE BID OR ACT AGAINST ME IN TERMS OF PARAGRAPH 6 OF PFMA SCM INSTRUCTION 03 OF 2021/22 ON PREVENTING AND COMBATING ABUSE IN THE SUPPLY CHAIN MANAGEMENT SYSTEM SHOULD THIS DECLARATION PROVE TO BE FALSE.

PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS 2022

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022

1. GENERAL CONDITIONS

1.1 The following preference point systems are applicable to invitations to tender:

- the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and
- the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

1.2 **To be completed by the organ of state**

(delete whichever is not applicable for this tender).

- a) The applicable preference point system for this tender is the **90/10** preference point system.
- b) The applicable preference point system for this tender is the **80/20** preference point system.
- c) Either the **90/10 or 80/20 preference point system** will be applicable in this tender. The lowest/ highest acceptable tender will be used to determine the accurate system once tenders are received.

1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
- (b) Specific Goals.

1.4 **To be completed by the organ of state:**

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20
Total points for Price and SPECIFIC GOALS	100

- 1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.
- 1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

2. DEFINITIONS

- (a) **“tender”**
means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

3.1.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

$$\begin{array}{ccc}
 \mathbf{80/20} & \mathbf{or} & \mathbf{90/10} \\
 \\
 \mathbf{Ps} = \mathbf{80} \left(\mathbf{1} - \frac{\mathbf{Pt} - \mathbf{Pmin}}{\mathbf{Pmin}} \right) & \mathbf{or} & \mathbf{Ps} = \mathbf{90} \left(\mathbf{1} - \frac{\mathbf{Pt} - \mathbf{Pmin}}{\mathbf{Pmin}} \right)
 \end{array}$$

Where

Ps = Points scored for price of tender under consideration

Pt = Price of tender under consideration

Pmin = Price of lowest acceptable tender

3.2. FORMULAE FOR DISPOSAL OR LEASING OF STATE ASSETS AND INCOME GENERATING PROCUREMENT

3.2.1. POINTS AWARDED FOR PRICE

A maximum of 80 or 90 points is allocated for price on the following basis:

$$\begin{array}{ccc} \mathbf{80/20} & \mathbf{or} & \mathbf{90/10} \\ \\ \mathbf{Ps = 80 \left(1 + \frac{Pt - P_{max}}{P_{max}} \right)} & \mathbf{or} & \mathbf{Ps = 90 \left(1 + \frac{Pt - P_{max}}{P_{max}} \right)} \end{array}$$

Where

- Ps = Points scored for price of tender under consideration
Pt = Price of tender under consideration
Pmax = Price of highest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
 - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,

then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)

The specific goals allocated points in terms of this tender	Number of points allocated (90/10 system) (To be completed by the organ of state)	Number of points allocated (80/20 system) (To be completed by the organ of state)	Number of points claimed (90/10 system) (To be completed by the tenderer)	Number of points claimed (80/20 system) (To be completed by the tenderer)

DECLARATION WITH REGARD TO COMPANY/FIRM

4.3. Name of company/firm.....

4.4. Company registration number:
.....

4.5. TYPE OF COMPANY/ FIRM

- ☐ Partnership/Joint Venture / Consortium
- ☐ One-person business/sole propriety
- ☐ Close corporation
- ☐ Public Company
- ☐ Personal Liability Company
- ☐ (Pty) Limited
- ☐ Non-Profit Company
- ☐ State Owned Company

[TICK APPLICABLE BOX]

4.6. I, the undersigned, who is duly authorised to do so on behalf of the company/firm, certify that the points claimed, based on the specific goals as advised in the tender, qualifies the company/ firm for the preference(s) shown and I acknowledge that:

- i) The information furnished is true and correct;
- ii) The preference points claimed are in accordance with the General Conditions as indicated in paragraph 1 of this form;
- iii) In the event of a contract being awarded as a result of points claimed as shown in paragraphs 1.4 and 4.2, the contractor may be required to furnish documentary proof to the satisfaction of the organ of state that the claims are correct;
- iv) If the specific goals have been claimed or obtained on a fraudulent basis or any of the conditions of contract have not been fulfilled, the organ of state may, in addition to any other remedy it may have –
 - (a) disqualify the person from the tendering process;
 - (b) recover costs, losses or damages it has incurred or suffered as a result of that person's conduct;
 - (c) cancel the contract and claim any damages which it has suffered as a result of having to make less favourable arrangements due to such cancellation;
 - (d) recommend that the tenderer or contractor, its shareholders and directors, or only the shareholders and directors who acted on a fraudulent basis, be restricted from obtaining business from any organ of state for a period not exceeding 10 years, after the *audi alteram partem* (hear the other side) rule has been applied; and
 - (e) forward the matter for criminal prosecution, if deemed necessary.
