# PAVING OF INTERNAL STREETS IN BLOCK C

- a) The tender documentation must include all necessary and applicable documentation as listed in F.2.23 above; and
- b) The tender must comply with the eligibility criteria noted in F.2.1.

The responsiveness of a tender will be assessed by scoring the bid according to the criteria detailed in the table overleaf.

It is incumbent on the Tenderer to ensure that the returnable documents in T2 are completed in sufficient detail to enable the score to be properly assessed. If the information provided renders a specific criterion not being fully complied with, then the bid will be scored on the next criterion down.

## TENDERER'S MUST SCORE A MINIMUM OF 70 POINTS IN ORDER FOR THE BID TO BE ELIGIBLE IN TERMS OF F.2.1 (e).

### TECHNICAL EVALUATION CRITERIA

| Criterion                                              | Assessment                                                                                                                                                                                                                                                                                                                                                                                                                                      | Points Awarded       | Max Score  |
