OR Affidavit from SAPS stating that the bidder is not obliged to pay municipal rates with a letter from a ward councilor is submitted with the tender document.

22. Contact with Municipality after Bid Closure Date

Bidders shall not contact the Elundini Municipality on any matter relating to their bid from the time of the opening of the bid to the time the contract is awarded for additional information or amendments of bids. Any effort by the firm to influence the Elundini Municipality in the bid evaluation, bid comparison or contract award decisions may result in the rejection of the bid.

23. Vetting Of The Supplier/Due diligence

- Tenderers must furnish the municipality with the details of similar services, which they have satisfactorily completed in the past to allow vetting process. Failure to do so will invalidate the bid.

SPECIFICATIONS

& SCHEDULE OF QUANTITIES

Terms of Reference for Tyre Supply, Fitment and Maintenance of Municipal Vehicles and Plant

Project Description

The municipality is looking for a panel of three (3) service providers to supply, fitment and maintenance of tyres for municipal vehicles and plant equipment for the period of three (3) years.

2. SCOPE OF WORK

A core summary of the services to be rendered by the service provider is as follows:

- 1.1. The potential service provider must be a fully equipped tyre fitment centre and must be able to provide a field service.
- 1.2. The supply, fitment and maintenance of tyres.
- 1.3. Wheel alignment at recommended intervals and where an irregular wear pattern has developed.
- 1.4. Carrying of stock for plant equipment to reduce downtime on plant.

2. PAYMENT TERMS

All payments for purchases will be processed via EFT on delivery of goods. Payments will be made within 30 days of invoice.

3. PANEL OF TYRE SERVICE PROVIDERS

The items below will be procured on request for a period of 36 months from the date of appointment.

Therefore a panel of service providers will be appointed for the provision of items required with a minimum of 1-3 service providers.

4. ESTIMATED QUANTITIES REQUIRED

4.1 The values and amounts indicated in the tender document fairly represent the types of tyres of the Municipality, but will inevitably be amended upon conclusion of the final contract as the asset register is continuously updated and new budgets are considered.

4.2 These are the values to be applied for the purpose of this tender assessment, based on the assumption that the portfolio will remain unchanged.

4.3 (And/Or any other tyres the municipality requires during the period of the contract, that were not part of the specification during

the bid. To be sourced from the winning bidder at a recommended price).

5. ADDITIONAL INFORMATION

The pricing content of this tender will be based on the maintenance, supply and fitting of the following list of tyres that are currently

fitted to the municipal vehicles and plant and any other tyres that might be required during the period of the contract.

Subject to the following conditions:

- It must be understood that the **brand names** quoted on the following list will merely be the basis for the price content of the tender and not the procurement of that specific brand or make of tyre.
- The acceptance of the proposed tyre/s from the appointed service provider for the specific vehicle will remain subject to the approval of Elundini Local Municipality.
- The prices quoted on the additional services required (Section 5) must be fixed for the full 3 years contract term from date of appointment.

6. SUPPLY AND FITMENT OF TYRES

Note to Bidders: Bidders are to

Quote for tyre specification as listed for Option 1

Or

Quote for tyre specification as listed for Option 2

Where tyre Option 2 is quoted the make being offered must be stated.
