DATE: 29/05/2026

#	RECEIVED QUESTIONS	ANSWERS
1.	It has been noted that on page 85 of the tender document (Bill of Quantities), item number 8 is not labelled as either hourly or per item.	All bidders shall not price for this item and are requested to draw a line across it.
2.	Regarding to the PSIRA. Can we take sub-contractors for the security	Entities may only submit one (1) tender offer, either as a single tendering entity or as a partner or a joint venture / consortium. Subcontracting is a condition of contract, refer to clause C.1.2.3
3.	I am writing to ask about the scope of work for Tender 33971(5E). Could you please clarify if this contract is for security guard services only? Or does the work also require electrical engineering and technical work?	Mainly it is technical work, removal of illegal electrical connections where each Electrician team is escorted by a security team from site to site.
4.	Please clarify the requirement on page 40, point 3.0. Am I required to list only the projects awarded that had non-compliance issues or disputes on page 41, or should I include all contracts awarded in the past five years, regardless of whether there were non-compliance issues or disputes?	All contracts awarded in the last past five years.
5.	Please also advise whether the PSIRA registration should be done by the tendering company or by the security company that will be used for the contract	Entities may only submit one (1) tender offer, either as a single tendering entity or as a partner or a joint venture / consortium
6.	Kindly clarify on the issue of CIDB Grading and PSIRA Registration. The tender requires CIDB Grading 5EP/EB so does it mean the same company should have PSIRA registration or do we have to do a JV with a Security Company?	Depending on your submission Entities may only submit one (1) tender offer, either as a single tendering entity or as a partner or a joint venture / consortium.
7.	If the Owner who owns Electrical Company with 5 EP/EB have PSIRA registration and not for the	Security company should be registered under PSIRA. An individual is not a

	Company do we still Qualify? Or should PSIRA Registration be strictly for Company?	company, each security personnel should also be registered.
