

22.6.5	Termination of 11kV Aerial Bundle Conductor – All sizes (make)	Per termination		
22.6.6	Termination of 11kV Aerial Bundle Conductor – All sizes (break)	Per termination		
23	Installation of MV Cables (Installation of small cable runs up to 100 meters, including warning tape)			
23.1	50mm ² Al, 25/35 mm ² Cu	m		
23.2	120mm ² Al, 70/95 mm ² Cu	m		
23.3	300 mm ² Al, 185 mm ² Cu	m		
24	Removal of MV Cables (Small cable runs up to 100 meters, including warning tape. Excludes excavation but includes cable identification, removal of termination, coiling cable on a drum, backfilling, re-instatement and disposal of surplus material and/or rubble. Includes transportation of cable to Stores or as directed)			
24.1	50mm ² Al, 25/35 mm ² Cu	m		
24.2	120mm ² Al, 70/95 mm ² Cu	m		
24.3	300 mm ² Al, 185 mm ² Cu	m		
25.	Unspecified Work (Work required to be done but not detailed elsewhere in this price schedule.) Pre-approval from the relevant City of Cape Town Representative and breakdown of work is mandatory			
25.1	Electrician (Artisan)	hour		
25.2	Semi-skilled Worker	hour		
25.3	Cable Jointer	hour		
25.4	Construction Supervisor	hour		
25.5	General Worker	hour		
25.6	Installation Electrician	hour		
25.8	Welder	hour		
25.8	Unarmed Security – Grade B (as specified in clause 24 of the specification)	Per security guard per hour		
25.9	Unarmed Security – Grade D (as specified in clause 24 of the specification)	Per security guard per hour		
25.10	Armed Security –Grade B (as specified in clause 24 of the specification)	Per security guard per hour		
25.11	Armed Security – Grade D (as specified in clause 24 of the specification)	Per security guard per hour		
25.12	1 Light load vehicle – GVM 3500kg or less	km		
25.13	1 Heavy load vehicle - GVM greater than 3500kg with a crane	km		
25.14	Aerial platform	Per hour		
25.15	Heavy duty water drainage pump including generator equipment	Per hour		
25.16	Maintenance cancellation fee (%) (as per clause 37.2 of the specification, Volume 3)	%		
26.	Testing			
26.1	Pressure tests – MV Cables (all types of cables)	Each		
26.2	Issuing of COC for electrical installation with only Ready Board	Each		
26.3	Issuing of COC for electrical reticulation installation	Each
