Question and Answers Version 1

No.	Question	Type	Answer
1	Kindly assist in clarifying whether all resources are required to be registered with the HPCSA, particularly the nurses and technicians? We note that there are other relevant professional bodies and registrations applicable within their respective fields, such as the "South African Society of Occupational Health Nursing (SASOHN)" and the "South African Nursing Council (SANC)". We would therefore appreciate confirmation on whether these registrations would also be considered acceptable	Technical	It is a requirement that all resources responsible for carrying out of pathology and medical assessments are at all times registered with the Health Professional Council as stipulated in the bid document.
2	Kindly clarify whether there is a minimum number of resources required for each role (for example, 1 x OMP, 1 x Nurse, etc.)?	Technical	There is no minimum number of resources required.
3	Are the medicals to be conducted on client site or service provider site?	Technical	Service providers site.
