PART T1: TENDER PROCEDURES

T 1.1 NOTICE AND INVITATION TO TENDER

The Department of Transport hereby invites Tenders from suitably qualified and experienced professional service providers (PSPs) to provide:

**PROVISION OF PROFESSIONAL CONSULTING ENGINEERING SERVICES TO
CONDUCT INSPECTION SURVEYS ON BRIDGES AND MAJOR CULVERTS ON
PROVINCIAL ROADS: EASTERN CAPE**

The PSP will need to have extensive experience in the inspection and inventory of bridges and major culverts, as well as in the coordination of bridge and major culvert inspection projects, consultation and liaison.

In terms of the Preferential Procurement Policy Framework Act (Act 5 of 2000) as amended and 2022 Regulations thereto and Preferential Specific Goal Points, tenders shall be evaluated on price based on the 80/20 preference point system and 2022 Regulations thereto and Preferential Specific Goal Points.

Professional Services Providers to provide a bids for:

TENDER NO.: SCMU10-24/25-0007	
Description	Tender Closing Date and Time
Provision of Professional Consulting Engineering Services to Conduct Inspection Surveys on Bridges and Major Culverts on Provincial Roads: EC	Monday, 01 July 2024 at 11:00

Tenders are invited for Provision of Professional Consulting Engineering Services to Conduct Inspection Surveys on Bridges and Major Culverts on Provincial Roads in Eastern Cape Province.

The Province of the Eastern Cape Department of Transport, as the Employer, hereby invites tenders from Professional Consulting Engineering Services to conduct inspection surveys on bridges and major culverts on Provincial Roads in the Eastern Cape.

Inspection surveys shall be executed according to the latest draft TMH19 document (Manual for the Visual Assessment of Road Structures) and the standard procedures associated with the CSIR STRUMAN Bridge Management System, as adopted by the Employer. Only tenderers complying with the requirements as specified in the Conditions of Tender will be considered.

Only tenderers offering Key Persons and personnel with extensive bridge and culvert design and inspection experience are eligible to submit tenders. The pre-evaluation criteria applicable to experience and qualifications are specified in the Tender Data. It is therefore a specific requirement that tenderers provide proof of proposed Key Persons' experience and that the approved Key Persons successfully complete the Employer's Compulsory Testing and Calibration Session.

The 80:20 preferential points system will be applicable with 80 points for price and preference participation goals scoring a maximum of 20 points.

Tender documents are obtainable from www.etender.gov.za or www.ectransport.gov.za from **07 June 2024**.

Queries relating to the issue of these documents may be addressed to Mr Drikus Bester, Tel No. 041 581 2421, e mail: drikusb@easpe.co.za

A compulsory clarification meeting with representatives of the Department will take place at the East London Golf Course, **on 20 June 2024 at 11:00am**.

The closing time for receipt of tenders is **01 July 2024 at 11:00am**. Tenders shall be deposited at the tender at the Department of Transport, Entrance Foyer C, Stellenbosch Park Building, c/o Fleming Street & Cowan Close, King William's Town. Telegraphic, telephonic, telex, facsimile, e-mail and late tenders will not be accepted.

Tenders may only be submitted on the tender documentation that is issued.

Requirements for sealing, addressing, delivery, opening and assessment of tenders are stated in the Tender Data.

T1.2 TENDER DATA

The conditions of tender are the Standard Conditions of Tender as contained in Annex F of the Construction Industry Development Board's Board Notice 136 of 2015 (contained in Government Gazette No. 38960 of 10 July 2015), bound into section T1.3.

The Standard Conditions of Tender makes several references to the Tender Data. The Tender Data also contains project specific amendments to the Standard Conditions of Tender applicable to this document. The Tender Data shall have precedence in the interpretation of any ambiguity or inconsistency between it and the Standard Conditions of Tender.

Each item of data given below is cross-referenced to the clause in the Standard Conditions of Tender to which it mainly applies.

Clause number	Description / Comment
1.1	The Employer is the Department of Transport, Province of the Eastern Cape
1.2	The Project Document issued by the Employer comprises the following: THE TENDER Part T1: Tendering procedures: - T1.1 Tender notice and invitation to tender - T1.2 Tender data - T1.3 Standard Conditions of tender Part T2: Returnable documents: - T2.1 Returnable schedules for tender evaluation - T2.2 Other documents required for tender evaluation - T2.3 Returnable schedules that will be incorporated into the contract THE CONTRACT Part C1: Agreements and contract data - C1.1a to C1.1d Form of Offer and Acceptance - C1.2 Contract data - C1.3 Adjudicator's appointment - C1.4 Agreement in terms of Occupational Health and Safety Act Part C2: Pricing data - C2.1. Pricing instructions - C2.2.1 to C2.2.4 Schedules of Quantities Part C3: Scope of work Part C4: Appendices

1.4	The name and contact details of the employer's agent are as follows: Mr. S. Cibi Department of Transport Private Bag X0023 BHISHO 5605 Cell. 083 357 7887 E-mail: sonwabo.cibi@ectransport.gov.za
2.1	Only tenderers who provide key persons for each Contract(s) tendered for, as listed below as well as in the contract data, will be considered responsive. The Structures Project Manager shall: • be accredited with the Committee of Transport Officials (COTO) as a Bridge Inspector or as a Senior Bridge Inspector, having at least 10 years post COTO/SANRAL accreditation experience in TMH19 visual inspection of bridges and major culverts. • be registered as a Professional Engineer under the Engineering Profession Act (Act 46 of 2000, or be registered as a Professional Technologist under the Engineering Profession Act (Act 46 of 2000), • be allowed to be proposed as a Bridge Inspector, having completed at least 50 TMH19 bridge inspections since COTO accreditation, with this experience being gained over the past 5 years, • be in the permanent employ of the tenderer and, • be available to execute the required duties and responsibilities on the Contract tendered for should the tenderer's offer be accepted. Only tenderers who have a minimum of at least four suitably experienced and qualified Bridge and Major Culvert Inspectors and who will be available for the execution and completion of the Contract tendered for are eligible to submit tenders. The Bridge and Major Culvert Inspectors shall consist of at least two Major Culvert Inspectors and two Bridge Inspectors. Each Bridge Inspector and Major Culvert Inspector so proposed and ultimately utilised shall be required to comply with and meet all of the following criteria and specific conditions. The Major Culvert Inspectors shall: • be a COTO accredited Major Culvert Inspector, having completed at least 50 TMH19 major culvert inspections since COTO accreditation, with this experience being gained over the past 5 years, • be a qualified civil engineering technician, technologist or engineer, • be required to successfully complete and pass the employer's Compulsory "Testing and Calibration Session" with a minimum score of 85%, • be allowed to conduct inspection surveys on major culverts only, • be in the permanent employ of the tenderer or contractually committed to the tenderer should the tenderer win the tender and be available for the execution of the Contract tendered for and, • be available to execute the required duties and responsibilities on the Contract tendered for, should the tenderer's offer be accepted.

	The Bridge Inspectors shall: • be a COTO accredited Bridge Inspector, having completed at least 50 TMH19 bridge inspections since COTO accreditation, with this experience being gained over the past 5 years, or be a COTO accredited Senior Bridge Inspector, • be registered as a Professional Engineer under the Engineering Profession Act (Act 46 of 2000, or be registered as a Professional Technologist under the Engineering Profession Act (Act 46 of 2000), • be required to successfully complete and pass the employer's Compulsory "Testing and Calibration Session" with a minimum score of 85%, • be allowed to conduct inspection surveys on bridges and major culverts, • be in the permanent employ of the tenderer or contractually committed to the tenderer should the tenderer win the tender and be available for the execution of the Contract tendered for and, • be available to execute the required duties and responsibilities on the Contract tendered for should the tenderer's offer be accepted. Tenderers shall provide proof of the Key Persons' experience in a <u>detailed and project specific</u> Curricula Vitae, supported by the required certified copies of professional registration, COTO accreditation and qualifications.
2.7	The arrangements for a compulsory clarification meeting are as stated in the Tender Notice and Invitation to Tender.
2.12	No alternative tender offers will be accepted by the Employer.
2.13.3	Parts of each tender offer communicated on paper shall be submitted as an original, plus one (1) copy.
2.13.5	The Employer's address for delivery of tender offers is: Tender Box Department of Transport Entrance Foyer C Stellenbosch Park Building c/o Fleming Street & Cowan Close, KING WILLIAM'S TOWN and identification details to be shown on the tender offers are: TENDER NO.: SCMU10-24/25-0007: PROVISION OF PROFESSIONAL CONSULTING ENGINEERING SERVICES TO CONDUCT INSPECTION SURVEYS ON BRIDGES AND MAJOR CULVERTS ON PROVINCIAL ROADS: EC
2.13 & 3.5	A two-envelope procedure will not be followed.
2.15	The closing time for submission of tender offers is the 01 July 2024 at 11:00am.
2.15	Telephonic, telegraphic, telex, facsimile or e-mailed tender offers will not be accepted.
2.16	The tender offer validity period is 90 days.

2.23	The following certificates / information are to be provided with the tender offer or within three days of receipt of the Employer's or his Agent's written request to submit same: a) Original valid Tax Clearance Certificate, or a unique security personal identification number (PIN) issued by the SA Revenue Services (in terms of the Preferential Procurement Regulations, 2001 published in Government Gazette No. 22549 dated 10 August 2001), b) Certified copy of VAT Registration Certificate (if VAT number is not included in tax clearance certificate), c) Certified copy of Letter of Good Standing issued by the Department of Labour in terms of Act 130 of 1993, d) Certified copy of Unemployment Insurance Fund Certificate of Compliance in terms of Act 4 of 2002, e) Certified copy of Certificate of Incorporation (if tenderer is a Company), f) Certified copy of Founding Statement (if tenderer is a Closed Corporation), g) Certified copy of Partnership Agreement (if tenderer is a Partnership), h) Certified copy of Identity Document (if tenderer is a One-man concern), i) Joint Venture Agreement (if tenderer is a Joint Venture), and j) Curriculum vitae of the person who prepares the Health and Safety Plan
3.4	The time and location for opening of the tender offers are: Time: 11:00 on 01 July 2024 Location: Entrance Foyer C, Stellenbosch Park Building, c/o Fleming Street & Cowan Close
3.8.1	Add the following to the clause: Failure on the part of the Tenderer to submit a tender offer as stipulated prior to the closing time including any one of the returnable documents or certificates in clause 2.15 shall be just cause for the Employer to consider the tender offer as being non-responsive
3.9	Replace the contents of the clause with the following: Check responsive tender offers for arithmetical errors, correcting them in the following manner: a) If a bill of quantities (or schedule of quantities or schedule of rates) applies and there is an error in the line item total resulting from the product of the unit rate and the quantity, the unit rate shall govern and the line item total shall be corrected. b) Where there is an error in the total of the prices, either as a result of other corrections required by this checking process or in the tenderer's addition of prices, the corrected total of the prices shall govern. c) Where there is a discrepancy between the amount indicated in the Tenderer's tender offer and the corrected amount obtained after completing the above steps, the corrected amount shall govern. d) Notify a tenderer upon written request received after the closing date of tenders of all arithmetical errors made by that particular tenderer.

3.11.5 and 3.11.7 to 3.11.8	Method 2 (as described in Clause 3.11.3 of the Standard Conditions of Tender) will be used to evaluate all responsive tender offers The financial offer will be scored in terms of formula 2 option 1
3.13.1	In addition, tender offers will only be accepted if: a) The tenderer or any of its directors is not listed on the Register of Tender Defaulters in terms of the Prevention and Combating of Corrupt Activities Act of 2004 as a person prohibited from doing business with the public sector; and b) The tenderer has not: Abused the Employer's Supply Chain Management System; or Failed to perform any previous contract and has been given a written notice to this effect c) It is considered that the performance of the services will not be compromised through any conflict of interest.

Additional conditions of tender

Clause number	Description / Comment
F1.6 additional	Add the following: "Tenderers should note that this tender includes four (4) contracts, of similar nature. Tenderers may tender for one or more of the contracts. All contracts will be scored separately. However, if the tenderer provides the same Key Person/s for two or more of the contracts, the tenderer will be able to be awarded a maximum of one contract. Where it is found that a specific tenderer is eligible for award of more than one contract, the employer reserves the right not to award more than one contract (of the four contracts) to such a tendering entity. Awards will be made based on the most economically favourable outcome for the Employer, and tenderers will not be afforded the opportunity to select preferred contracts, should they score the highest points on more than one contract. The Employer further reserves the right not to award a contract to any tenderer found to be at a high risk of non/under-performance based on a risk assessment of the current workload or past performance of that tenderer." Tenderers must note that the Schedule of Quantities will not be made available in electronic format.
F2.13 additional	In addition to Clause F2.13, it is a specific requirement that: a) Tenderers shall <u>not</u> take this tender document apart. Additional documentation to be submitted by tenderers shall be submitted in a separate properly bound document, unless specifically required in this document that such documentation be attached to specific pages of this document. b) Tenderers shall initial every page of this tender document in the bottom right-hand corner.

T1.3 STANDARD CONDITIONS OF TENDER

These standard conditions of tender are identical to those published in Annex F of the Construction Industry Development Board's Board Notice 136 of 2015.

1 GENERAL

1.1 Actions

1.1.1 The employer and each tenderer submitting a tender offer shall comply with these conditions of tender. In their dealings with each other, they shall discharge their duties and obligations as set out in 2 and 3, timeously and with integrity, and behave equitably, honestly and transparently, comply with all legal obligations and not engage in anticompetitive practices.

1.1.2 The employer and the tenderer and all their agents and employees involved in the tender process shall avoid conflicts of interest and where a conflict of interest is perceived or known, declare any such conflict of interest, indicating the nature of such conflict. Tenderers shall declare any potential conflict of interest in their tender submissions. Employees, agents and advisors of the employer shall declare any conflict of interest to whoever is responsible for overseeing the procurement process at the start of any deliberations relating to the procurement process or as soon as they become aware of such conflict, and abstain from any decisions where such conflict exists or recuse themselves from the procurement process, as appropriate.

- Note:
- 1) A conflict of interest may arise due to a conflict of roles which might provide an incentive to improper acts in some circumstances. A conflict of interest can create an appearance of impropriety that can undermine confidence in the ability of that person the act properly in his or her position even if no improper acts result.
 - 2) Conflicts of interest in respect of those engaged in the procurement process include direct, indirect or family interests in the tender or outcome of the procurement process and any personal bias, inclination, obligation, allegiance or loyalty which would in any way affect any decisions taken.

1.1.3 The employer shall not seek and a tenderer shall not submit a tender without having a firm intention and the capacity to proceed with the contract.

1.2 Tender Documents

The documents issued by the employer for the purpose of a tender offer are listed in the tender data.

1.3 Interpretation

1.3.1 The tender data and additional requirements contained in the tender schedules that are included in the returnable documents are deemed to be part of these conditions of tender.

1.3.2 These conditions of tender, the tender data and tender schedules which are only required for tender evaluation purposes, shall not form part of any contract arising from the invitation to tender.

1.3.3 For the purposes of these conditions for the calling for expressions of interest, the following definitions apply:

- a) **conflict of interest** means any situation in which:
 - i) someone in a position of trust has competing professional or personal interests which make it difficult to fulfill his or her duties impartially;
 - ii) an individual or organization is in a position to exploit a professional or official capacity in some way for their personal or corporate benefit; or
 - iii) incompatibility or contradictory interests exist between an employee and the organisation which employs the employee.
- b) **comparative offer** means the tenderer's financial offer after all tendered parameters that will affect the value of the financial offer have been taken into consideration in order to enable comparisons to be made between offers on a comparative basis

- c) **corrupt practice** means the offering, giving, receiving or soliciting of anything of value to influence the action of the employer or his staff or agents in the tender process; and
- d) **fraudulent practice** means the misrepresentation of the facts in order to influence the tender process or the award of a contract arising from a tender offer to the detriment of the employer, including collusive practices intended to establish prices at artificial levels
- e) **quality (functionality)** means the totality of features and characteristics of a product or service that bear on its ability to satisfy stated or implied needs

1.4 Communication and employer's agent

Each communication between the employer and a tenderer shall be to or from the employer's agent only, and in a form that can be read, copied and recorded. Communications shall be in the English language. The employer shall not take any responsibility for non-receipt of communications from or by a tenderer. The name and contact details of the employer's agent are stated in the tender data.

1.5 The employer's right to accept or reject any tender offer

1.5.1 The employer may accept or reject any variation, deviation, tender offer, or alternative tender offer, and may cancel the tender process and reject all tender offers at any time before the formation of a contract. The employer shall not accept or incur any liability to a tenderer for such cancellation and rejection, but will give written reasons for such action upon written request to do so.

1.5.2 The employer may not subsequent to the cancellation or abandonment of a tender process or the rejection of all responsive tender offers re-issue a tender covering substantially the same scope of work within a period of six months unless only one tender was received and such tender was returned unopened to the tenderer.

1.6 Procurement procedures

1.6.1 General

Unless otherwise stated in the tender data, a contract will, subject to 3.13, be concluded with the tenderer who in terms of 3.11 is the highest ranked or the tenderer scoring the highest number of tender evaluation points, as relevant, based on the tender submissions that are received at the closing time for tenders.

F1.6.2 Competitive negotiation procedure

1.6.2.1 Where the tender data require that the competitive negotiation procedure is to be followed, tenderers shall submit tender offers in response to the proposed contract in the first round of submissions. Notwithstanding the requirements of 3.4, the employer shall announce only the names of the tenderers who make a submission. The requirements of 3.8 relating to the material deviations or qualifications which affect the competitive position of tenderers shall not apply.

F1.6.2.2 All responsive tenderers, or not less than three responsive tenderers that are highest ranked in terms of the evaluation method and evaluation criteria stated in the tender data, shall be invited in each round to enter into competitive negotiations, based on the principle of equal treatment and keeping confidential the proposed solutions and associated information. Notwithstanding the provisions of 2.17, the employer may request that tenders be clarified, specified and fine-tuned in order to improve a tenderer's competitive position provided that such clarification, specification, fine-tuning or additional information does not alter any fundamental aspects of the offers or impose substantial new requirements which restrict or distort competition or have a discriminatory effect.

1.6.2.3 At the conclusion of each round of negotiations, tenderers shall be invited by the employer to make a fresh tender offer, based on the same evaluation criteria, with or without adjusted weightings. Tenderers shall be advised when they are to submit their best and final offer.

1.6.2.4 The contract shall be awarded in accordance with the provisions of 3.11 and 3.13 after tenderers have been requested to submit their best and final offer.

1.6.3 Proposal procedure using the two stage-system

1.6.3.1 Option 1

Tenderers shall in the first stage submit technical proposals and, if required, cost parameters around which a contract may be negotiated. The employer shall evaluate each responsive submission in terms of the method of evaluation stated in the tender data, and in the second stage negotiate a contract with the tenderer scoring the highest number of evaluation points and award the contract in terms of these conditions of tender.

1.6.3.2 Option 2

1.6.3.2.1 Tenderers shall submit in the first stage only technical proposals. The employer shall involve all responsive tenderers to submit tender offers in the second stage, following the issuing of procurement documents.

1.6.3.2.2 The employer shall evaluate tenders received during the second stage in terms of the method of evaluation stated in the tender data, and award the contract in terms of these conditions of tender.

2 TENDERER'S OBLIGATIONS

2.1 Eligibility

2.1.1 Submit a tender offer only if the tenderer satisfies the criteria stated in the tender data and the tenderer, or any of his principals, is not under any restriction to do business with employer.

2.1.2 Notify the employer of any proposed material change in the capabilities or formation of the tendering entity (or both) or any other criteria which formed part of the qualifying requirements used by the employer as the basis in a prior process to involve the tenderer to submit a tender offer and obtain the employer's written approval to do so prior to the closing time for tenders.

2.2 Cost of tendering

Accept that, unless otherwise stated in the tender data, the employer will not compensate the tenderer for any costs incurred in the preparation and submission of a tender offer, including the costs of any testing necessary to demonstrate that aspects of the offer complies with requirements.

2.3 Check documents

Check the tender documents on receipt for completeness and notify the employer of any discrepancy or omission.

2.4 Confidentiality and copyright of documents

Treat as confidential all matters arising in connection with the tender. Use and copy the documents issued by the employer only for the purpose of preparing and submitting a tender offer in response to the invitation.

2.5 Reference documents

Obtain, as necessary for submitting a tender offer, copies of the latest versions of standards, specifications, conditions of contract and other publications, which are not attached but which are incorporated into the tender documents by reference.

2.6 Acknowledge addenda

Acknowledge receipt of addenda to the tender documents, which the employer may issue, and if necessary apply for an extension to the closing time stated in the tender data, in order to take the addenda into account.

2.7 Clarification meeting

Attend, where required, a clarification meeting at which tenderers may familiarize themselves with aspects of the proposed work, services or supply and raise questions. Details of the meeting(s) are stated in the tender data.

2.8 Seek clarification

Request clarification of the tender documents, if necessary, by notifying the employer at least five working days before the closing time stated in the tender data.

2.9 Insurance

Be aware that the extent of insurance to be provided by the employer (if any) might not be for the full cover required in terms of the conditions of contract identified in the contract data. The tenderer is advised to seek qualified advice regarding insurance.

2.10 Pricing the tender offer

2.10.1 Include in the rates, prices, and the tendered total of the prices (if any) all duties, taxes (except Value Added Tax (VAT)), and other levies payable by the successful tenderer, such duties, taxes and levies being those applicable 14 days before the closing time stated in the tender data.

F2.10.2 Show VAT payable by the employer separately as an addition to the tendered total of the prices.

2.10.3 Provide rates and prices that are fixed for the duration of the contract and not subject to adjustment except as provided for in the conditions of contract identified in the contract data.

2.10.4 State the rates and prices in Rand unless instructed otherwise in the tender data. The conditions of contract identified in the contract data may provide for part payment in other currencies.

2.11 Alterations to documents

Do not make any alterations or additions to the tender documents, except to comply with instructions issued by the employer, or necessary to correct errors made by the tenderer. All signatories to the tender offer shall initial all such alterations. Erasures and the use of masking fluid are prohibited.

2.12 Alternative tender offers

2.12.1 Unless otherwise stated in the tender data, submit alternative tender offers only if a main tender offer, strictly in accordance with all the requirements of the tender documents, is also submitted as well as a schedule that compares the requirements of the tender documents with the alternative requirements that are proposed.

2.12.2 Accept that an alternative tender offer may be based only on the criteria stated in the tender data or criteria otherwise acceptable to the employer.

2.13 Submitting a tender offer

2.13.1 Submit one tender offer only, either as a single tendering entity or as a member in a joint venture to provide the whole of the works, services or supply identified in the contract data and described in the scope of works, unless stated otherwise in the tender data.

2.13.2 Return all returnable documents to the employer after completing them in their entirety, either electronically (if they were issued in electronic format) or by writing legibly in non-erasable ink.

2.13.3 Submit the parts of the tender offer communicated on paper as an original plus the number of copies stated in the tender data, with an English translation of any documentation in a language other than English, and the parts communicated electronically in the same format as they were issued by the employer.

2.13.4 Sign the original and all copies of the tender offer where required in terms of the tender data. The employer will hold all authorized signatories liable on behalf of the tenderer. Signatories for tenderers proposing to contract as joint ventures shall state which of the signatories is the lead partner, whom the employer shall hold liable for the purpose of the tender offer.

2.13.5 Seal the original and each copy of the tender offer as separate packages marking the packages as "ORIGINAL" and "COPY". Each package shall state on the outside the employer's address and identification details stated in the tender data, as well as the tenderer's name and contact address.

2.13.6 Where a two-envelope system is required in terms of the tender data, place and seal the returnable documents listed in the tender data in an envelope marked "financial proposal" and place the remaining returnable documents in an envelope marked "technical proposal". Each envelope shall state on the outside the employer's address and identification details stated in the tender data, as well as the tenderer's name and contact address.

2.13.7 Seal the original tender offer and copy packages together in an outer package that states on the outside only the employer's address and identification details as stated in the tender data.

2.13.8 Accept that the employer shall not assume any responsibility for the misplacement or premature opening of the tender offer if the outer package is not sealed and marked as stated.

2.13.9 Accept that tender offers submitted by facsimile or e-mail will be rejected by the employer, unless stated otherwise in the tender data.

2.14 Information and data to be completed in all respects

Accept that tender offers, which do not provide all the data or information requested completely and in the form required, may be regarded by the employer as non-responsive.

2.15 Closing time

2.15.1 Ensure that the employer receives the tender offer at the address specified in the tender data not later than the closing time stated in the tender data. Accept that proof of posting shall not be accepted as proof of delivery.

2.15.2 Accept that, if the employer extends the closing time stated in the tender data for any reason, the requirements of these conditions of tender apply equally to the extended deadline.

2.16 Tender offer validity

2.16.1 Hold the tender offer(s) valid for acceptance by the employer at any time during the validity period stated in the tender data after the closing time stated in the tender data.

2.16.2 If requested by the employer, consider extending the validity period stated in the tender data for an agreed additional period with or without any conditions attached to such extension.

2.16.3 Accept that a tender submission that has been submitted to the employer may only be withdrawn or substituted by giving the employer's agent written notice before the closing time for tenders that a tender is to be withdrawn or substituted.

2.16.4 Where a tender submission is to be substituted, submit a substitute tender in accordance with the requirements of 2.13 with the packages clearly marked as "SUBSTITUTE".

2.17 Clarification of tender offer after submission

Provide clarification of a tender offer in response to a request to do so from the employer during the evaluation of tender offers. This may include providing a breakdown of rates or prices and correction of arithmetical errors by the adjustment of certain rates or item prices (or both). No change in the competitive position of tenderers or substance of the tender offer is sought, offered, or permitted.

Note: Sub-clause F217 does not preclude the negotiation of the final terms of the contract with a preferred tenderer following a competitive selection process, should the Employer elect to do so.

2.18 Provide other material

2.18.1 Provide, on request by the employer, any other material that has a bearing on the tender offer, the tenderer's commercial position (including notarized joint venture agreements), preferencing arrangements, or samples of materials, considered necessary by the employer for the purpose of a full and fair risk assessment. Should the tenderer not provide the material, or a satisfactory reason as to why it cannot be provided, by the time for submission stated in the employer's request, the employer may regard the tender offer as non-responsive.

2.18.2 Dispose of samples of materials provided for evaluation by the employer, where required.

2.19 Inspections, tests and analysis

Provide access during working hours to premises for inspections, tests and analysis as provided for in the tender data.

2.20 Submit securities, bonds, policies, etc.

If requested, submit for the employer's acceptance before formation of the contract, all securities, bonds, guarantees, policies and certificates of insurance required in terms of the conditions of contract identified in the contract data.

2.21 Check final draft

Check the final draft of the contract provided by the employer within the time available for the employer to issue the contract.

2.22 Return of other tender documents

If so instructed by the employer, return all retained tender documents within 28 days after the expiry of the validity period stated in the tender data.

2.23 Certificates

Include in the tender submission or provide the employer with any certificates as stated in the tender data.

3 THE EMPLOYER'S UNDERTAKINGS

3.1 Respond to clarification

3.1.1 Unless otherwise stated in the tender Data, respond to a request for clarification received up to five working days before the tender closing time stated in the Tender Data and notify all tenderers who drew procurement documents.

3.1.2 Consider any request to make a material change in the capabilities or formation of the tendering entity (or both) or any other criteria which formed part of the qualifying requirements used to prequalify a tenderer to submit a tender offer in terms of a previous procurement process and deny any such request if as a consequence:

- a) an individual firm, or a joint venture as a whole, or any individual member of the joint venture fails to meet any of the collective or individual qualifying requirements;
- b) the new partners to a joint venture were not prequalified in the first instance, either as individual firms or as another joint venture; or
- c) in the opinion of the Employer, acceptance of the material change would compromise the outcome of the prequalification process.

3.2 Issue Addenda

If necessary, issue addenda that may amend or amplify the tender documents to each tenderer during the period from the date that tender documents are available until three days before the tender closing time stated in the Tender Data. If, as a result a tenderer applies for an extension to the closing time stated in the Tender Data, the Employer may grant such extension and, shall then notify all tenderers who drew documents.

3.3 Return late tender offers

Return tender offers received after the closing time stated in the Tender Data, unopened, (unless it is necessary to open a tender submission to obtain a forwarding address), to the tenderer concerned.

3.4 Opening of tender submissions

3.4.1 Unless the two-envelope system is to be followed, open valid tender submissions in the presence of tenderers' agents who choose to attend at the time and place stated in the tender data. Tender submissions for which acceptable reasons for withdrawal have been submitted will not be opened.

3.4.2 Announce at the meeting held immediately after the opening of tender submissions, at a venue indicated in the tender data, the name of each tenderer whose tender offer is opened and, where applicable, the total of his prices, preferences claimed and time for completion for the main tender offer only.

3.4.3 Make available the record outlined in 3.4.2 to all interested persons upon request.

3.5 Two-envelope system

3.5.1 Where stated in the tender data that a two-envelope system is to be followed, open only the technical proposal of valid tenders in the presence of tenderers' agents who choose to attend at the time and place stated in the tender data and announce the name of each tenderer whose technical proposal is opened.

3.5.2 Evaluate the quality of the technical proposals offered by tenderers, then advise tenderers who remain in contention for the award of the contract of the time and place when the financial proposals will be opened. Open only the financial proposals of tenderers, who score in the quality evaluation more than the minimum number of points for quality stated in the tender data, and announce the score obtained for the technical proposals and the total price and any preferences claimed. Return unopened financial

proposals to tenderers whose technical proposals failed to achieve the minimum number of points for quality.

3.6 Non-disclosure

Do not disclose to tenderers, or to any other person not officially concerned with such processes, information relating to the evaluation and comparison of tender offers, the final evaluation price and recommendations for the award of a contract, until after the award of the contract to the successful tenderer.

3.7 Grounds for rejection and disqualification

Determine whether there has been any effort by a tenderer to influence the processing of tender offers and instantly disqualify a tenderer (and his tender offer) if it is established that he engaged in corrupt or fraudulent practices.

3.8 Test for responsiveness

3.8.1 Determine, after opening and before detailed evaluation, whether each tender offer properly received:

- a) meets the requirements of these Conditions of Tender,
- b) has been properly and fully completed and signed, and
- c) is responsive to the other requirements of the tender documents.

3.8.2 A responsive tender is one that conforms to all the terms, conditions, and specifications of the tender documents without material deviation or qualification. A material deviation or qualification is one which, in the Employer's opinion, would:

- a) detrimentally affect the scope, quality, or performance of the works, services or supply identified in the Scope of Work,
- b) significantly change the Employer's or the tenderer's risks and responsibilities under the contract, or
- c) affect the competitive position of other tenderers presenting responsive tenders, if it were to be rectified.

Reject a non-responsive tender offer, and not allow it to be subsequently made responsive by correction or withdrawal of the non-conforming deviation or reservation.

3.9 Arithmetical errors

3.9.1 Check responsive tenders for discrepancies between amounts in words and amounts in figures. Where there is a discrepancy between the amounts in figures and the amount in words, the amount in words shall govern.

3.9.2 Check the highest ranked tender or tenderer with the highest number of tender evaluation points after the evaluation of tender offers in accordance with 3.11 for:

- a) the gross misplacement of the decimal point in any unit rate;
- b) omissions made in completing the pricing schedule or bills of quantities; or
- c) arithmetic errors in:
 - i) line item totals resulting from the product of a unit rate and a quantity in bills of quantities or schedules of prices; or
 - ii) the summation of the prices.

3.9.3 Notify the tenderer of all errors or omissions that are identified in the tender offer and either confirm the tender offer as tendered or accept the corrected total of prices.

3.9.4 Where the tenderer elects to confirm the tender offer as tendered, correct the errors as follows:

- a) If bills of quantities or pricing schedules apply and there is an error in the line item total resulting from the product of the unit rate and the quantity, the line item total shall govern and the rate shall be corrected. Where there is an obviously gross misplacement of the decimal point in the unit rate, the line item total as quoted shall govern, and the unit rate shall be corrected.
- b) Where there is an error in the total of the prices either as a result of other corrections required by this checking process or in the tenderers addition of prices, the total of the prices shall govern and the tenderer will be asked to revise selected item prices (and their rates if bills of quantities apply) to achieve the tendered total of the prices.

3.10 Clarification of a tender offer

Obtain clarification from a tenderer on any matter that could give rise to ambiguity in a contract arising from the tender offer.

3.11 Evaluation of tender offers

3.11.1 General

Appoint an evaluation panel of not less than three persons. Reduce each responsive tender offer to a comparative offer and evaluate them using the tender evaluation methods and associated evaluation criteria and weightings that are specified in the tender data.

3.11.2 Method 1: Financial offer

In the case of a financial offer:

- a) Rank tender offers from the most favourable to the least favourable comparative offer.
- b) Recommend the highest ranked tenderer for the award of the contract, unless there are compelling and justifiable reasons not to do so.
- c) Re-rank all tenderers should there be compelling and justifiable reasons not to recommend the highest ranked tenderer and recommend the highest ranked tenderer, unless there are compelling and justifiable reasons not to do so and the process set out in this subclause is repeated.

3.11.3 Method 2: Financial offer and preference

In the case of a financial offer and preferences:

- a) Score each tender in respect of the financial offer made and preferences claimed, W any, in accordance with the provisions of 3.1 1.7 and 3.1 1.8.
- b) Calculate the total number of tender evaluation points (T_{EV}) in accordance with the following formula:

$$T_{EV} = N_{FO} + N_P$$

where: N_{FO} is the number of tender evaluation points awarded for the financial offer made in accordance with 3.11.7;
 N_P is the number of tender evaluation points awarded for preferences claimed in accordance with 3.11.8.

- c) Rank tender offers from the highest number of tender evaluation points to the lowest.
- d) Recommend the tenderer with the highest number of tender evaluation points for the award of the contract, unless there are compelling and justifiable reasons not to do so.
- e) Rescore and re-rank all tenderers should there be compelling and justifiable reasons not to recommend the tenderer with the highest number of tender evaluation points, and recommend the tenderer with the highest number of tender evaluation points, unless there are compelling and justifiable reasons not to do so and the process set out in this subclause is repeated

3.11.4 Method 3: Financial offer and quality

In the case of a financial offer and quality:

- a) Score each tender in respect of the financial offer made and the quality offered in accordance with the provisions of 3.11.7 and 3.11.9, rejecting all tender offers that fail to score the minimum number of points for quality stated in the tender data, if any.
- b) Calculate the total number of tender evaluation points (T_{EV}) in accordance with the following formula:

$$T_{EV} = N_{FO} + N_Q$$

where: N_{FO} is the number of tender evaluation points awarded for the financial offer made in accordance with 3.11.7;

N_Q is the number of tender evaluation points awarded for quality offered in accordance with 3.11.9.

- c) Rank tender offers from the highest number of tender evaluation points to the lowest.
- d) Recommend tenderer with the highest number of tender evaluation points for the award of the contract, unless there are compelling and justifiable reasons not to do so.
- e) Rescore and re-rank all tenderers should there be compelling and justifiable reasons not to recommend the tenderer with the highest number of tender evaluation points and recommend the tenderer with the highest number of tender evaluation points, unless there are compelling and justifiable reasons not to do so and the process set out in this subclause is repeated.

3.11.5 Method 4: Financial offer, quality and preferences

In the case of a financial offer, quality and preferences:

- a) Score each tender in respect of the financial offer made, preference claimed, if any, and the quality offered in accordance with the provisions of 3.11.7 to 3.11.9, rejecting all tender offers that fail to score the minimum number of points for quality stated in the tender data, if any.
- b) Calculate the total number of tender evaluation points (T_{EV}) in accordance with the following formula, unless otherwise stated in the Tender Data:

$$T_{EV} = N_{FO} + N_P + N_Q$$

where: N_{FO} is the number of tender evaluation points awarded for the financial offer made in accordance with 3.11.7;

N_P is the number of tender evaluation points awarded for preferences claimed in accordance with 3.11.8.

N_Q is the number of tender evaluation points awarded for quality offered in accordance with 3.11.9.

- c) Rank tender offers from the highest number of tender evaluation points to the lowest.
- d) Recommend the tenderer with the highest number of tender evaluation points for the award of the contract, unless there are compelling and justifiable reasons not to do so.
- e) Rescore and re-rank all tenderers should there be compelling and justifiable reasons not to recommend the tenderer with the highest number of tender evaluation points and recommend the tenderer with the highest number of tender evaluation points, unless there are compelling and justifiable reasons not to do so and the process set out in this subclause is repeated.

3.11.6 Decimal places

Score financial offers, preferences and quality, as relevant, to two decimal places.

3.11.7 Scoring Financial Offers

Score the financial offers of remaining responsive tender offers using the following formula:

$$N_{FO} = W_1 \times A$$

where:

N_{FO} = the number of tender evaluation points awarded for the financial offer.

W_1 = the maximum possible number of tender evaluation points awarded for the financial offer as stated in the Tender Data.

A = a number calculated using the formula and option described in Table 1 as stated in the Tender Data.

Formula	Comparison aimed at achieving	Option 1 ^a	Option 2 ^a
1	Highest price or discount	$A = (1 + \frac{(P - P_m)}{P_m})$	$A = P / P_m$
2	Lowest price or percentage commission / fee	$A = (1 - \frac{(P - P_m)}{P_m})$	$A = P_m / P$
^a P_m = the comparative offer of the most favourable tender offer. P = the comparative offer of tender offer under consideration.			

3.11.8 Scoring preferences

Confirm that tenderers are eligible for the preferences claimed in accordance with the provisions of the tender data and reject all claims for preferences where tenderers are not eligible for such preferences.

Calculate the total number of tender evaluation points for preferences claimed in accordance with the provisions of the tender data.

3.11.9 Scoring quality (functionality)

Score each of the criteria and subcriteria for quality in accordance with the provisions of the Tender Data.

Calculate the total number of tender evaluation points for quality using the following formula:

$$N_Q = W_2 \times S_o / M_s$$

where: S_o is the score for quality allocated to the submission under consideration;

M_s is the maximum possible score for quality in respect of a submission; and

W_2 is the maximum possible number of tender evaluation points awarded for the quality as stated in the tender data

3.12 Insurance provided by the employer

If requested by the proposed successful tenderer, submit for the tenderer's information the policies and / or certificates of insurance which the conditions of contract identified in the contract data, require the employer to provide.

3.13

Acceptance of tender offer

Accept the tender offer, if in the opinion of the employer, it does not present any unacceptable commercial risk and only if the tenderer:

- a) is not under restrictions, or has principals who are under restrictions, preventing participating in the employer's procurement,
- b) can, as necessary and in relation to the proposed contract, demonstrate that he or she possesses the professional and technical qualifications, professional and technical competence, financial resources, equipment and other physical facilities, managerial capability, reliability, experience and reputation, expertise and the personnel, to perform the contract,
- c) has the legal capacity to enter into the contract,
- d) is not insolvent, in receivership, bankrupt or being wound up, has his affairs administered by a court or a judicial officer, has suspended his business activities, or is subject to legal proceedings in respect of any of the foregoing,
- e) complies with the legal requirements, if any, stated in the tender data, and
- f) is able, in the opinion of the employer, to perform the contract free of conflicts of interest.

3.14 Prepare contract documents

3.14.1 If necessary, revise documents that shall form part of the contract and that were issued by the employer as part of the tender documents to take account of:

- a) addenda issued during the tender period,
- b) inclusion of some of the returnable documents, and
- c) other revisions agreed between the employer and the successful tenderer.

3.14.2 Complete the schedule of deviations attached to the form of offer and acceptance, if any.

3.15 Complete adjudicator's contract

Unless alternative arrangements have been agreed or otherwise provided for in the contract, arrange for both parties to complete formalities for appointing the selected adjudicator at the same time as the main contract is signed.

F3.16 Notice to unsuccessful tenderers

3.16.1 Notify the successful tenderer of the employer's acceptance of his tender offer by completing and returning one copy of the form of offer and acceptance before the expiry of the validity period stated in the tender data, or agreed additional period.

3.16.2 After the successful tenderer has been notified of the employer's acceptance of the tender, notify other tenderers that their tender offers have not been accepted.

3.17 Provide copies of the contracts

Provide to the successful tenderer the number of copies stated in the Tender Data of the signed copy of the contract as soon as possible after completion and signing of the form of offer and acceptance.

3.18 Provide written reasons for actions taken

Provide upon request written reasons to tenderers for any action that is taken in applying these conditions of tender, but withhold information which is not in the public interest to be divulged, which is considered to prejudice the legitimate commercial interests of tenderers or might prejudice fair competition between tenderers

PART T2: RETURNABLE DOCUMENTS

Tender Qualification Criteria:

T2.1 RETURNABLE SCHEDULES REQUIRED FOR TENDER EVALUATION PURPOSES

- A- Certificate of Attendance at site visit and clarification meeting
- B- Letter of Authority of Signatory
- C- Joint Venture / Consortium Disclosure Form
- D- The SBD 4, 8 and 9 forms **MUST** be fully completed and submitted with the tender
- E- Compulsory Enterprise Questionnaire
- F- Certificate Of Compliance with Occupational Health and Safety Act, 1993 and Construction Regulations, 2014
- G- Tax Clearance Certificate
- H- Tenderer's Financial Standing
- I- PSPs must submit Centralized Suppliers Database [CSD] Registration Report for confirmation of being registered on the Database.
- J- Special Conditions

Failure to meet the above compliance requirements will render the tender[s] non responsive and disqualified.

T2.2 RETURNABLE SCHEDULES THAT WILL BE INCORPORATED INTO THE CONTRACT

- K- Preferential Procurement Regulation 2011
- L- Record of Addenda to Tender Documents
- M- Plant and Equipment
- N- Schedule of Specialist Sub-Consultants
- O- Indicative Programme
- P- Estimated Monthly Expenditure
- Q- Amendments, Qualifications and Alternatives
- R- Company Experience
- S- Personnel Schedule
- T- Total Contract Quality Plan

T2.3 PRO FORMA FORMS TO BE COMPLETED BY SUCCESSFUL TENDERER

C1.1 FORM OF GUARANTEE

C1.2 CONTRACT DATA

C1.3 ADJUDICATOR'S AGREEMENT

C1.4 AGREEMENT IN TERMS OF THE OCCUPATIONAL HEALTH AND SAFETY ACT, 1993 (ACT NO 85 OF 1993)

C2.1 PRICING INSTRUCTIONS

C2.2 PRICING SCHEDULES

C3.1 SCOPE OF WORK

C4 APPENDICES

T2.1 RETURNABLE SCHEDULES REQUIRED FOR TENDER EVALUATION PURPOSES

T2.1.A CERTIFICATE OF ATTENDANCE AT SITE VISIT AND CLARIFICATION MEETING

This is to certify that I,
(tenderer)

of (address) was represented by
the person(s) named below at the compulsory meeting held for all tenderers at (location)

..... on (date)..... starting at (time).....

I / We acknowledge that the purpose of the meeting was to acquaint myself / ourselves with the site of the works and / or matters incidental to doing the work specified in the tender documents in order for me / us to take account of everything necessary when compiling our rates and prices included in the tender.

Particulars of person(s) attending the meeting:

Name: Signature:

Capacity:

Name: Signature:

Capacity:

Attendance of the above person(s) at the meeting is confirmed by the Employer's representative, namely:

Name: Signature:

Capacity: Date:

T2.1.B CERTIFICATE OF AUTHORITY

Indicate the status of the tenderer by ticking the appropriate box hereunder. The tenderer must complete the certificate set out below for the relevant category.

(I) COMPANY	(II) CLOSE CORPORATION	(III) PARTNERSHIP	(IV) JOINT VENTURE	(V) SOLE PROPRIETOR

(I) CERTIFICATE FOR COMPANY

I,, Managing Director of the Board of Directors of, hereby confirm that by resolution of the Board (copy attached) taken on 20....., Mr/Ms, acting in the capacity of, was authorised to sign all documents in connection with this tender and any contract resulting from it, on behalf of the company.

Managing Director:

As Witnesses: 1.....

2.....

Date:

(II) CERTIFICATE FOR CLOSE CORPORATION

We, the undersigned, being the key members in the business trading as hereby authorise Mr/Ms, acting in the capacity of, to sign all documents in connection with this tender and any contract resulting from it, on our behalf

NAME	ADDRESS	SIGNATURE	DATE

Note : *This certificate is to be completed and signed by all of the key members upon whom rests the direction of the affairs of the Close Corporation as a whole.*

(III). CERTIFICATE FOR PARTNERSHIP

We, the undersigned, being the key partners in the business trading as,
 hereby authorize Mr/Ms
 acting in the capacity of , to sign all documents in
 connection with this tender and any contract resulting from it, on our behalf

NAME	ADDRESS	SIGNATURE	DATE

Note : This certificate is to be completed and signed by all of the key partners upon whom rests the direction of the affairs of the Partnership as a whole.

(IV) CERTIFICATE FOR JOINT VENTURE**RESOLUTION OF BOARD OF DIRECTORS TO ENTER INTO CONSORTIA OR JOINT VENTURE**

RESOLUTION of a meeting of the Board of *Directors / Members / Partners of:

 (Legally correct full name and registration number, if applicable, of the Enterprise)

Held at _____ (place)

On _____ (date)

RESOLVED that:

1. The Enterprise submits a Bid/Tender, in Consortium/Joint Venture with the following Enterprises:

 (List all the legally correct full names and registration numbers, if applicable, of the Enterprises forming the Consortium/Joint Venture)

to the DEPARTMENT OF TRANSPORT in respect of the following project:

 (Project description as per Bid /Tender Document)

Bid / Tender Number: _____ (Bid / Tender Number as per Bid /Tender Document)

2. *Mr/Mrs/Ms:

 in *his/her Capacity as: _____ (Position in the Enterprise)

and who will sign as follows:

 be, and is hereby, authorised to sign a consortium/joint venture agreement with the parties listed under item 1 above, and any and all other documents and/or correspondence in connection with and relating to the consortium/joint venture, in respect of the project described under item 1 above.

3. The Enterprise accepts joint and several liability with the parties listed under item 1 above for the due fulfilment of the obligations of the joint venture deriving from, and in any way connected with, the Contract to be entered into with the Department in respect of the project described under item 1 above.
4. The Enterprise chooses as its *domicilium citandi et executandi* for all purposes arising from this joint venture agreement and the Contract with the Department in respect of the project under item 1 above:

ENTERPRISE STAMP

SPECIAL RESOLUTION OF CONSORTIA OR JOINT VENTURES

RESOLUTION of a meeting of the duly authorised representatives of the following legal entities who have entered into a consortium/joint venture to jointly bid for the project mentioned below: *(legally correct full names and registration numbers, if applicable, of the Enterprises forming a Consortium/Joint Venture)*

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

Held at _____ (place)

On _____ (date)

RESOLVED that:

- A. The above-mentioned Enterprises submits a Bid in Consortium/Joint Venture to the DEPARTMENT OF TRANSPORT in respect of the following project:

(project description as per Bid / Tender Document)

- B. Mr/Mrs/Ms: _____

in *his/her Capacity as: : _____ (Position in the Enterprise)

and who will sign as follows: : _____

be, and is hereby, authorised to sign the Bid, and any and all other documents and/or correspondence in connection with and relating to the Bid, as well as to sign any Contract, and any and all documentation, resulting from the award of the Bid to the Enterprises in Consortium/Joint Venture mentioned above.

- C. The Enterprises constituting the Consortium/Joint Venture, notwithstanding its composition, shall conduct all business under the name and style of: _____

- D. The Enterprises to the Consortium/Joint Venture accepts joint and several liability for the due fulfilment of the obligations of the Consortium/Joint Venture deriving from, and in any way connected with, the Contract

entered into with the Department in respect of the project described under item A above.

- E. Any of the Enterprises to the Consortium/Joint Venture intending to terminate the consortium/joint venture agreement, for whatever reason, shall give the Department 30 days written notice of such intention. Notwithstanding such decision to terminate, the Enterprises shall remain jointly and severally liable to the Department for the due fulfilment of the obligations of the Consortium/Joint Venture as mentioned under item D above.
- F. No Enterprise to the Consortium/Joint Venture shall, without the prior written consent of the other Enterprises to the Consortium/Joint Venture and of the Department, cede any of its rights or assign any of its obligation under the consortium/joint venture agreement in relation to the Contract with the Department referred to herein.
- G. The Enterprises choose as the *domicilium citandi et executandi* of the Consortium/Joint Venture for all purposes arising from the consortium/joint venture agreement and the Contract with the Department in respect of the project under item A above:

3. Should the number of Duly Authorised Representatives of the Legal Entities joining forces in this Bid exceed the space available above, additional names and signatures must be supplied on a separate page.
4. Resolutions, duly completed and signed, from the separate Enterprises who participate in this Consortium/Joint Venture must be attached to the Special Resolution.

(V) CERTIFICATE FOR SOLE PROPRIETOR

I,, hereby confirm that I am the sole owner of the business trading as

Signature of Sole owner:

As Witnesses:

1.....

2.

Date:

REGISTRATION CERTIFICATE / AGREEMENT / ID DOCUMENT**Important note to tenderer:**

Registration Certificates for Companies, Close Corporations and Partnerships, or Agreements and Powers of Attorney for Joint Ventures, or ID documents for Sole Proprietors, all as referred to in the foregoing forms and in T2.1, must be inserted here.

T2.1.C JOINT VENTURE / CONSORTIUM DISCLOSURE FORM

Tenderers submitting tenders as a joint venture or consortium are to attach a signed copy of the Joint Venture / Consortium Agreement **duly signed by all parties**.

Where a Joint Venture / Consortium Agreement has not yet been formalized, the tenderer is to attach a Letter of Intent of a Joint Venture / Consortium, **duly signed by all parties**.

The percentage (%) shareholding as well as the participation details of each member shall be clearly stated.

Please note Form SBD6.1:

- 5.4 A trust, consortium or joint venture, will qualify for points for their B-BBEE status level as a legal entity, provided that **the entity submits their B-BBEE status level certificate**.
- 5.5 A trust, consortium or joint venture will qualify for points for their B-BBEE status level as an unincorporated entity, provided that **the entity submits their consolidated B-BBEE scorecard** as if they were a group structure and that such a consolidated B-BBEE scorecard is prepared for every separate tender

NOTE: The bidder of each company to a consortium /joint venture must be registered on the Central Supplier Database (CSD) prior to award.

T2.1.D**1. SBD 4: BIDDER'S DISCLOSURE****1. PURPOSE OF THE FORM**

Any person (natural or juristic) may make an offer or offers in terms of this invitation to bid. In line with the principles of transparency, accountability, impartiality, and ethics as enshrined in the Constitution of the Republic of South Africa and further expressed in various pieces of legislation, it is required for the bidder to make this declaration in respect of the details required hereunder.

Where a person/s are listed in the Register for Tender Defaulters and / or the List of Restricted Suppliers, that person will automatically be disqualified from the bid process.

2. Bidder's declaration

- 2.1 Is the bidder, or any of its directors / trustees / shareholders / members / partners or any person having a controlling interest ¹ in the enterprise, employed by the state?

YES/NO

- 2.1.1 If so, furnish particulars of the names, individual identity numbers, and, if applicable, state employee numbers of sole proprietor/ directors / trustees / shareholders / members/ partners or any person having a controlling interest in the enterprise, in table below.

Full Name	Identity Number	Name of State institution

¹ the power, by one person or a group of persons holding the majority of the equity of an enterprise, alternatively, the person/s having the deciding vote or power to influence or to direct the course and decisions of the enterprise.

2.2

Do you, or any person connected with the bidder, have a relationship with any person who is employed by the procuring institution?

YES/NO

2.2.1 If so, furnish particulars:

.....

2.3 Does the bidder or any of its directors / trustees / shareholders / members / partners or any person having a controlling interest in the enterprise have any interest in any other related enterprise whether or not they are bidding for this contract?

YES/NO

2.3.1 If so, furnish particulars:

.....

3 DECLARATION

I, the undersigned, (name).....
 in submitting the accompanying bid, do hereby make the following statements that I certify to be true and complete in every respect:

- 3.1 I have read and I understand the contents of this disclosure;
- 3.2 I understand that the accompanying bid will be disqualified if this disclosure is found not to be true and complete in every respect;
- 3.3 The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However, communication between partners in a joint venture or consortium² will not be construed as collusive bidding.

- 3.4 In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications, prices, including methods, factors or formulas used to calculate prices, market allocation, the intention or decision to submit or not to submit the bid, bidding with the intention not to win the bid and conditions or delivery particulars of the products or services to which this bid invitation relates.
- 3.4 The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.
- 3.5 There have been no consultations, communications, agreements or arrangements made by the bidder with any official of the procuring institution in relation to this procurement process prior to and during the bidding process except to provide clarification on the bid submitted where so required by the institution; and the bidder was not involved in the drafting of the specifications or terms of reference for this bid.
- 3.6 I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

I CERTIFY THAT THE INFORMATION FURNISHED IN PARAGRAPHS 1, 2 and 3 ABOVE IS CORRECT.

I ACCEPT THAT THE STATE MAY REJECT THE BID OR ACT AGAINST ME IN TERMS OF PARAGRAPH 6 OF PFMA SCM INSTRUCTION 03 OF 2021/22 ON PREVENTING AND COMBATING ABUSE IN THE SUPPLY CHAIN MANAGEMENT SYSTEM SHOULD THIS DECLARATION PROVE TO BE FALSE.

T2.1.E COMPULSORY ENTERPRISE QUESTIONNAIRE

The following particulars must be furnished. In the case of a joint venture, separate enterprise questionnaires in respect of each partner must be completed and submitted.

Attach to this form the most recent financial statements of the tendering entity.

Section 1: Name of enterprise:

Section 2: VAT registration number, if any:

Section 3: cidb registration number, if any:

Section 4: Particulars of sole proprietors and partners in partnerships

Name*	Identity number*	Personal income tax number*

* Complete only if sole proprietor or partnership and attach separate page if more than 3 partners

Section 5: Particulars of companies and close corporations

Company registration number

Close corporation number

Tax reference number

Section 6: Record in the service of the state

Indicate by marking the relevant boxes with a cross, if any sole proprietor, partner in a partnership or director, manager, principal shareholder or stakeholder in a company or close corporation is currently or has been within the last 12 months in the service of any of the following:

- | | |
|--|---|
| ☐ a member of any municipal council | ☐ an employee of any provincial department, national or provincial public entity or constitutional institution within the meaning of the Public Finance Management Act, 1999 (Act 1 of 1999) |
| ☐ a member of any provincial legislature | ☐ a member of an accounting authority of any national or provincial public entity |

T2.1.F CERTIFICATE OF COMPLIANCE WITH OCCUPATIONAL HEALTH AND SAFETY ACT, 1993 AND CONSTRUCTION REGULATIONS, 2014***Note to tenderer:***

Discovery that the tenderer has failed to make proper disclosure may result in terminating a contract that flows from this tender on the ground that it has been rendered invalid by the tenderer's misrepresentation.

The tenderer shall attach to this Form evidence that he is registered and in good standing with a compensation insurer who is approved by Department of Labour in terms of section 80 of the Compensation for Injury and Disease Act (COID) (Act 130 of 1993).

The tenderer is required to disclose, by also attaching documentary evidence to this form, all inspections, investigations and their outcomes conducted by the Department of Labour into the conduct of the tenderer at any time during the 36 months preceding the date of this tender.

SIGNATURE ON BEHALF OF TENDERER:

T2.1.G TAX CLEARANCE CERTIFICATE

IT IS A CONDITION OF BIDDING THAT-

1. The taxes of a successful bidder must be in order, or that satisfactory arrangements have been made with the Receiver of Revenue to meet his/her tax obligations.
2. The "Application for Tax Clearance Certificate (in respect of bidders), must be completed in all respects and submitted to the Receiver of Revenue where the bidders register for tax purposes. The Receiver of Revenue will then furnish the bidder with a Tax Clearance Certificate that will be valid for a period of twelve (12) months from date of issue. This Tax Clearance Certificate must be submitted in the original together with the bid. Failure to submit the original and valid Tax Clearance Certificate **WILL** invalidate the bid.
3. In the bids where Consortia/Joint Ventures/Sub-contractors are involved, each party must submit a separate Tax Clearance Certificate. Copies of the Application for Tax Clearance Certificates are available at any Receiver's Office.

SIGNATURE ON BEHALF OF TENDERER:

T2.1.H TENDERER'S FINANCIAL STANDING**Note to tenderer:**

1. In terms of the Conditions of Tender the Employer may make inquiries to obtain a bank rating from the tenderer's bank.
2. To that end the tenderer must provide with his tender a bank rating, certified by his banker, to the effect that he will be able to successfully complete the contract at the tendered amount within the specified time for completion.
3. However, should the tenderer be unable to provide a bank rating with his tender, he shall state the reasons as to why he is unable to do so, and in addition provide the following details of his banker and bank account that he intends to use for project:

Name of account holder:

Name of Bank: Branch:

Account number: Type of account:

Telephone number: Facsimile number:

Name of contact person (at bank):.....

Failure to provide either the required bank details or a certified bank rating with his tender, will lead to the conclusion that the tenderer does not have the necessary financial resources at his disposal to complete the contract successfully within the specified time for completion.

The Employer undertakes to treat the information thus obtained as confidential, strictly for the use of evaluation of the tender submitted by the tenderer.

SIGNATURE ON BEHALF OF TENDERER:

T2.1.I CENTRAL SUPPLIER DATABASE

Tenderers must attach to this page, proof of registration with the Centralised Supplier Database of National Treasury. (In the case of **Joint Ventures**, **proof must be provided for each partner**).

I, the undersigned, confirm the following details of the firm/company's registration on the National Treasury Central Supplier Database:

Supplier Name:.....

Supplier Number:.....

T2.1.J SPECIAL CONDITIONS**1. Joint Venture or Consortium Agreement**

An acceptable Joint Venture or Consortium Agreement

- Should clearly and comprehensively set out the contribution to be made by each member towards the activities of the Joint Venture or Consortium in securing and executing the contract and should allocate monetary values to such contributions.
- Should record the percentage participation by each member in all aspects of the fortunes of the Joint Venture or Consortium, including risks, losses and liabilities.
- Should provide for meaningful input by all members to the policy making and management activities of the Joint Venture or Consortium.
- Should provide for the establishment of a management body for the Joint Venture or Consortium.
- Should provide measures to limit, as far as possible, losses to the Joint Venture or Consortium by the default of a member.
- Should promote consensus between the members whilst ensuring that the activities of the Joint Venture or Consortium will not be unduly hindered by failure to achieve it.
- Should have all the partner's physical addresses.

2. Penalties

In the event that the Tenderer fails to substantiate that any failure to achieve the contract participation goal was due to quantitative under-runs, the elimination of items contracted to targeted enterprises, or any other reason beyond the Tenderer's control which may be acceptable to the employer, the penalties provided for below shall apply:

3.1 The Tenderer may be required to pay to the employer penalties (P) in the amount Determined in accordance with the following formulae:

- (a) For specified minimum and maximum contract participation goal percentages, the formula shall be as follows:

$$P = F \times (D - Do)$$

Where: D = the tendered contract participation goal amount

Do = the contract participation goal amount which the employer's representative certifies as being achieved upon completion of the contract

P = the Rand value of penalty payable

F = 1/30

3.2 The Tenderer's claims for payment may be rejected as being incomplete should the appropriate supporting documentation not be provided.

T2.2 RETURNABLE SCHEDULES THAT WILL BE INCORPORATED INTO THE CONTRACT

T2.2K.**SBD 6.1****PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS 2022**

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022

1. GENERAL CONDITIONS

1.1 The following preference point systems are applicable to invitations to tender:

- the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and
- the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

1.2 **To be completed by the organ of state**

(delete whichever is not applicable for this tender).

- a) The applicable preference point system for this tender is the 90/10 preference point system.

1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
(b) Specific Goals.

1.4 **To be completed by the organ of state:**

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20
Total points for Price and SPECIFIC GOALS	100

1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.

1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

2. DEFINITIONS

- (a) **“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

3.1.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

80/20	or	90/10
$Ps = 80 \left(1 - \frac{Pt - P_{min}}{P_{min}} \right)$	or	$Ps = 90 \left(1 - \frac{Pt - P_{min}}{P_{min}} \right)$

Where

- Ps = Points scored for price of tender under consideration
- Pt = Price of tender under consideration
- Pmin = Price of lowest acceptable tender

3.2. FORMULAE FOR DISPOSAL OR LEASING OF STATE ASSETS AND INCOME GENERATING PROCUREMENT

3.2.1. POINTS AWARDED FOR PRICE

A maximum of 80 or 90 points is allocated for price on the following basis:

80/20	or	90/10
$Ps = 80 \left(1 + \frac{Pt - P_{max}}{P_{max}} \right)$	or	$Ps = 90 \left(1 + \frac{Pt - P_{max}}{P_{max}} \right)$

Where

- Ps = Points scored for price of tender under consideration

Pt = Price of tender under consideration

Pmax = Price of highest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:

4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—

(a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or

(b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system, then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

- Calculation of the specific goals points for a Joint venture will be based as per the Joint Venture agreement, that must be submitted by the tenderers.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.)

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)

PREFERENTIAL SPECIFIC GOALS POINTS TABLE		
The specific goals allocated points in terms of this tender	Number of points allocated (80/20 system) (To be completed by the organ of state)	Number of points claimed (80/20 system) (To be completed by the tenderer)
Historically Disadvantaged Individuals		
Black ownership	10	
Locality:-		
(a) Preferred address in the Eastern Cape on CSD not changed in the last 3 years	10	
b) Alternative address on CSD in the Eastern Cape in the last 3 years	7	
(c) Outside Eastern Cape no satellite office in Eastern Cape:	5	
(i) including preferred address less than 3 years		
(ii) Alternative address less than 3 years		

DECLARATION WITH REGARD TO COMPANY/FIRM

4.3. Name of company/firm.....

4.4. Company registration number:

4.5. TYPE OF COMPANY/ FIRM

- ☐ Partnership/Joint Venture / Consortium
☐ One-person business/sole propriety
☐ Close corporation
☐ Public Company
☐ Personal Liability Company
☐ (Pty) Limited
☐ Non-Profit Company
☐ State Owned Company

[TICK APPLICABLE BOX]

4.6. I, the undersigned, who is duly authorised to do so on behalf of the company/firm, certify that the points claimed, based on the specific goals as advised in the tender, qualifies the company/ firm for the preference(s) shown and I acknowledge that:

- i) The information furnished is true and correct;
- ii) The preference points claimed are in accordance with the General Conditions as indicated in paragraph 1 of this form;
- iii) In the event of a contract being awarded as a result of points claimed as shown in paragraphs 1.4 and 4.2, the contractor may be required to furnish documentary proof to the satisfaction of the organ of state that the claims are correct;
- iv) If the specific goals have been claimed or obtained on a fraudulent basis or any of the conditions of contract have not been fulfilled, the organ of state may, in addition to any other remedy it may have –
 - (a) disqualify the person from the tendering process;
 - (b) recover costs, losses or damages it has incurred or suffered as a result of that person's conduct;
 - (c) cancel the contract and claim any damages which it has suffered as a result of having to make less favourable arrangements due to such cancellation;
 - (d) recommend that the tenderer or contractor, its shareholders and directors, or only the shareholders and directors who acted on a fraudulent basis, be restricted from obtaining business from any organ of state for a period not exceeding 10 years, after the *audi alteram partem* (hear the other side) rule has been applied; and
 - (e) forward the matter for criminal prosecution, if deemed necessary.

The following are lists of major items of relevant equipment that I / we presently own or lease and will have available for this contract if my / our tender is accepted.

- (a) Details of major equipment that is owned by me / us and immediately available for this contract.

DESCRIPTION (type, size, capacity etc)	QUANTITY	YEAR OF MANUFACTURE

Attach additional pages if more space is required

- (b) Details of major equipment that will be hired, or acquired for this contract if my / our tender is accepted

DESCRIPTION (type, size, capacity etc)	QUANTITY	HOW ACQUIRED	
		HIRE / BUY	SOURCE

Attach additional pages if more space is required

The Tenderer undertakes to bring onto site without additional cost to the Employer any additional plant not listed but which may be necessary to complete the contract within the specified contract period.

SIGNATURE ON BEHALF OF TENDERER:

T2.2N. SCHEDULE OF SPECIALIST SUB-CONSULTANTS

The tenderer shall list below the specialist items of work on this contract. Alternatives may be mentioned.

The tenderer shall state whether he intends to carry out any specialized work himself.

Acceptance of this tender shall not be construed as approval of all or any of the listed specialist sub-consultants. Should any or all of the specialist sub-consultants not be approved subsequent to the acceptance of the tender, it shall in no way invalidate this tender, and the tendered unit rates for the various items of work shall remain final and binding, even in the event of a sub-consultant not listed below being approved by the engineer.

[illegible]

SIGNATURE ON BEHALF OF TENDERER:

T2.20. INDICATIVE PROGRAMME**Note to tenderer:**

If a tenderer wishes to submit an alternative tender then this form, appropriately completed, shall be attached to the Pricing Schedule for the alternative proposal.

The tenderer shall attach a preliminary programme, reflecting the proposed sequence and tempo of execution of the various activities comprising the work for this contract. The programme shall be in accordance with the information provided in T2.2P: Schedule of Estimated Monthly Expenditure and with all other aspects of the tender.

SIGNATURE ON BEHALF OF TENDERER:

T2.2P.ESTIMATED MONTHLY EXPENDITURE**Note to Tenderer:**

If a tenderer wishes to submit an alternative tender then this form, appropriately complete, shall be attached to the Pricing Schedule for the alternative proposal.

The tenderer shall state his estimated value of the work to be completed every month, based on his preliminary programme and his tendered unit rates, in the table below:

Month	Value
1	
2	
3

Total	

SIGNATURE ON BEHALF OF TENDERER:

T2.2Q. AMENDMENTS, QUALIFICATIONS AND ALTERNATIVES

(This is not an invitation for amendments, deviations or alternatives but should the tenderer, desire to make any departures from the provisions of this contract he shall set out his proposals clearly hereunder. The Employer will not consider any amendment or alternative offers unless form (a) and (b) has been completed to the satisfaction of the Employer).

I / We herewith propose the amendments and alternatives as set out in the tables below:

(a) AMENDMENTS

PAGE, CLAUSE OR ITEM NO	PROPOSED AMENDMENT

[Notes: (1) Amendments to the General and Special Conditions of Contract are not acceptable;
(2) The Tenderer must give full details of all the financial implications of the amendments and qualifications in a covering letter attached to his tender.

(b) ALTERNATIVES

PROPOSED ALTERNATIVE	DESCRIPTION OF ALTERNATIVE

[Notes: (1) Individual alternative items that do not justify an alternative tender, and an alternative offer for time for completion should be listed here.
(2) In the case of a major alternative to any part of the work, a separate Bill of Quantities, programme, etc, and a detailed statement setting out the salient features of the proposed alternatives must accompany the tender.
(3) Alternative tenders involving technical modifications to the design of the works and methods of construction shall be treated separately from the main tender offer.]

SIGNATURE ON BEHALF OF TENDERER:

T2.2R. COMPANY EXPERIENCE

Tenderers are required to demonstrate their ability to undertake the work and provide proof of previous experience and expertise to undertake a project of this nature. Bidders shall provide details (including traceable references) of similar projects currently in progress or carried out in the past five years, as per the schedule below:

BRIDGE AND MAJOR CULVERT INSPECTIONS ON PROVINCIAL ROADS IN THE EASTERN CAPE PROVINCE			
PROJECT DESCRIPTION	YEAR COMPLETED	FEE VALUE	EMPLOYER REFERENCE Include Contact Tel. No.

I, the undersigned, warrant that I am duly authorised to do so on behalf of the enterprise and confirm that the contents of this schedule are, to my personal knowledge and best belief, both true and correct.

SIGNATURE ON BEHALF OF TENDERER:

T2.2S.PERSONNEL SCHEDULE

Only tenderers who have suitably experienced and qualified Key Persons and other Personnel available that satisfy the criteria and specific conditions stated under the Conditions of Tender as well as the Conditions of Contract are eligible to submit tenders.

Only personnel approved by the Employer and, in the case of bridge inspectors and major culvert inspectors, those who have attended and successfully completed the Testing and Calibration Session shall be allowed to carry out the required Deliverables / Inspection Surveys. The tenderer's attention is specifically directed to Clauses 2.1 and 3.8.2 of the Conditions of Tender regarding eligibility and responsiveness.

The names of the proposed Key Persons and other Personnel shall be provided in the table below.

CONTRACT A:

<u>Structures Project Manager/s</u> Name of Key Person Offered:	1.
<u>Bridge Inspector/s</u> Name/s of Key Person/s Offered:	1. 2. 3. 4.
<u>Major Culvert Inspector/s</u> Name/s of Key Person/s Offered:	1. 2. 3. 4.

CONTRACT B:

<u>Structures Project Manager/s</u> Name of Key Person Offered:	1.
<u>Bridge Inspector/s</u> Name/s of Key Person/s Offered:	1. 2. 3. 4.
<u>Major Culvert Inspector/s</u> Name/s of Key Person/s Offered:	1. 2. 3. 4.

CONTRACT C:

<u>Structures Project Manager/s</u> Name of Key Person Offered:	1.
<u>Bridge Inspector/s</u> Name/s of Key Person/s Offered:	1. 2. 3. 4.
<u>Major Culvert Inspector/s</u> Name/s of Key Person/s Offered:	1. 2. 3. 4.

CONTRACT D:

<u>Structures Project Manager/s</u> Name of Key Person Offered:	1.
<u>Bridge Inspector/s</u> Name/s of Key Person/s Offered:	1. 2. 3. 4.
<u>Major Culvert Inspector/s</u> Name/s of Key Person/s Offered:	1. 2. 3. 4.

Detailed and project specific Curricula Vitae for all proposed Personnel shall accompany and be attached to this tender, demonstrating that the individuals comply with the various criteria and specific conditions, as applicable.

The credentials of more than the minimum specified Key Persons may be presented for approval.

With regard to the detail and contents of the Curricula Vitae applicable to **Key Persons**, it should be noted that the following items will be regarded as critical and of particular importance. The Curricula Vitae shall be so structured as to, inter alia, incorporate the following:

- a) Personnel's date of birth.
- b) Personnel's full qualifications (educational).
- c) Name of current employer and position within the enterprise.
- d) A list of previous employers, clearly stating periods of service and providing a person as reference with these employers, complete with contact telephone numbers.
- e) For Structures Project Managers:
 - Proof of registration as a Professional Engineer or Professional Technologist under the Engineering Profession Act (Act 46 of 2000),
 - Proof of COTO/SANRAL accreditation as a Bridge Inspector or Senior Bridge Inspector,
 - Detailed and project specific experience related bridge and major culvert inspections (TMH19), experience must also be expressed in terms of the number of bridges and major culverts inspected since COTO accreditation, the number of assignments as well as the total number inspected during the past ten years, complete with dates and references.
- f) For Bridge Inspectors:
 - Proof of registration as a Professional Engineer or Professional Technologist under the Engineering Profession Act (Act 46 of 2000),
 - Proof of COTO accreditation as a Bridge Inspector or Senior Bridge Inspector,
 - Detailed and project specific experience related to bridge and major culvert inspections (TMH19), experience must also be expressed in terms of the number of bridges and major culverts inspected since COTO accreditation, the number of assignments as well as the total number inspected during the past five years, complete with dates and references.

g) For Major Culvert Inspectors:

- Proof of COTO's accreditation as a Major Culvert Inspector,
- Detailed and project specific experience related to major culvert inspections (TMH19). Experience must also be expressed in terms of the number of major culverts inspected since COTO accreditation, the number of assignments as well as the total number inspected during the past five years, complete with dates and references.

Failure to comply with all of the above requirements shall be regarded as a material deviation or qualification and the tender shall be declared non-responsive.

I, the undersigned, warrant that I am duly authorised to do so on behalf of the enterprise and confirm that the contents of this schedule are, to my personal knowledge and best belief, both true and correct.

SIGNATURE ON BEHALF OF TENDERER:

T2.2T. TOTAL CONTRACT QUALITY PLAN

Quality is intrinsic to the survey's success. Tenderers shall submit a Total Contract Quality Plan with their tender submissions. The Total Contract Quality Plan shall at least include the following:

- Project Plan that describes all processes and time framework in which the survey will be completed. No exact dates need to be stated in the project plan but rather a relative timeframe including measurements of Reference Sections before and after the network measurements (e.g. 2 months after the date of appointment).
- Calibration procedures and certificates for all equipment to be used by the Tenderer shall be part of the Total Contract Quality Plan.
- Contingency Plan including backup equipment, a second trained operator, planning for inclement weather, etc.
- The Tenderer shall specify a system whereby he will complete a form or a logbook to note the outcome of the daily checks, which is to be performed on the profilers.
- The Tenderer shall describe the format and contents of the raw data files collected by the profilers.
- The Tenderer shall discuss general quality issues like:
 - assuring integrity of the data,
 - how to ensure consistency of data if the appointed operator cannot proceed with the survey, etc.
- The Total Contract Quality Plan shall include a draft Safety Plan.
- The draft Safety Plan shall provide evidence of the Tenderer's planning regarding the following aspects of safety and include at least the following headings:
 - Safety precautions for surveys
 - Safety procedures during execution of the surveys
 - Emergency procedures in cases of incidents
 - Compliance with OHSA as relevant

The Employer and/or Employer's agent will assess the Total Contract Quality Plan (including draft Safety Plan) and comment to the successful tenderers on the acceptability of the plan and any shortcomings. The draft plan must then be updated to the satisfaction of the Employer before the Service Provider commences any surveys.

T2.3 PRO FORMA FORMS TO BE COMPLETED BY SUCCESSFUL TENDERER

T2.3U. FORM OF GUARANTEE

Contract No:

WHEREAS The Province of the Eastern Cape Department of Transport (hereinafter referred to as the Employer") entered into, a Contract with:

.....
 (hereinafter called "the Contactor") on the day of 20,
 for(Give detailed project name)

PART C1: AGREEMENTS & CONTRACT DATA

C1.1A. FORM OF OFFER AND ACCEPTANCE: CONTRACT A**OFFER**

The employer, identified in the acceptance signature block, has solicited offers to enter into a contract for the procurement of: **PROFESSIONAL PROVISION OF PROFESSIONAL CONSULTING ENGINEERING SERVICES TO CONDUCT INSPECTION SURVEYS ON BRIDGES AND MAJOR CULVERTS ON PROVINCIAL ROADS: EASTERN CAPE**

The tenderer, identified in the offer signature block, has examined the documents listed in the tender data and addenda thereto as listed in the returnable schedules, and by submitting this offer has accepted the conditions of tender.

By the representative of the tenderer, deemed to be duly authorized, signing this part of this form of offer and acceptance, the tenderer offers to perform all of the obligations and liabilities of the service provider under the contract including compliance with all its terms and conditions according to their true intent and meaning for an amount to be determined in accordance with the conditions of contract identified in the contract data.

This offer may be accepted by the Employer by signing the acceptance part of this form of offer and acceptance and returning one copy of this document to the tenderer before the end of the period of validity stated in the tender data, whereupon the tenderer becomes the party named as the service provider in the conditions of contract identified in the contract data.

For the Tenderer:

ACCEPTANCE

By signing this part of this form of offer and acceptance, the employer identified below accepts the tenderer's offer. In consideration thereof, the employer shall pay the service provider the amount due in accordance with the conditions of contract identified in the contract data. Acceptance of the tenderer's offer shall form an agreement between the employer and the tenderer upon the terms and conditions contained in this agreement and in the contract that is the subject of this agreement.

The terms of the contract, are contained in:

- Part C1 Agreements and contract data, (which includes this agreement)
- Part C2 Pricing data
- Part C3 Scope of work

and drawings and documents or parts thereof, which may be incorporated by reference into Parts C1 to C3 above.

Deviations from and amendments to the documents listed in the tender data and any addenda thereto as listed in the tender schedules as well as any changes to the terms of the offer agreed by the tenderer and the employer during this process of offer and acceptance, are contained in the schedule of deviations attached to and forming part of this agreement. No amendments to or deviations from said documents are valid unless contained in this schedule, which must be signed by the authorised representative(s) of both parties.

The tenderer shall within two weeks after receiving a completed copy of this agreement, including the schedule of deviations (if any), contact the employer's agent (whose details are given in the contract data) to arrange the delivery of any bonds, guarantees, proof of insurance and any other documentation to be provided in terms of the conditions of contract identified in the contract data at, or just after, the date this agreement comes into effect. Failure to fulfil any of these obligations in accordance with those terms shall constitute a repudiation of this agreement.

Notwithstanding anything contained herein, this agreement comes into effect on the date when the tenderer receives one fully completed original copy of this document including the schedule of deviations (if any). Unless the tenderer (now service provider) within five working days of the date of such receipt notifies the employer in writing of any reason why he cannot accept the contents of this agreement, this agreement shall constitute a binding contract between the parties.

ACCEPTANCE

By signing this part of this form of offer and acceptance, the employer identified below accepts the tenderer's offer. In consideration thereof, the employer shall pay the service provider the amount due in accordance with the conditions of contract identified in the contract data. Acceptance of the tenderer's offer shall form an agreement between the employer and the tenderer upon the terms and conditions contained in this agreement and in the contract that is the subject of this agreement.

The terms of the contract, are contained in:

- Part C1 Agreements and contract data, (which includes this agreement)
- Part C2 Pricing data
- Part C3 Scope of work

and drawings and documents or parts thereof, which may be incorporated by reference into Parts C1 to C3 above.

Deviations from and amendments to the documents listed in the tender data and any addenda thereto as listed in the tender schedules as well as any changes to the terms of the offer agreed by the tenderer and the employer during this process of offer and acceptance, are contained in the schedule of deviations attached to and forming part of this agreement. No amendments to or deviations from said documents are valid unless contained in this schedule, which must be signed by the authorised representative(s) of both parties.

The tenderer shall within two weeks after receiving a completed copy of this agreement, including the schedule of deviations (if any), contact the employer's agent (whose details are given in the contract data) to arrange the delivery of any bonds, guarantees, proof of insurance and any other documentation to be provided in terms of the conditions of contract identified in the contract data at, or just after, the date this agreement comes into effect. Failure to fulfil any of these obligations in accordance with those terms shall constitute a repudiation of this agreement.

Notwithstanding anything contained herein, this agreement comes into effect on the date when the tenderer receives one fully completed original copy of this document including the schedule of deviations (if any). Unless the tenderer (now service provider) within five working days of the date of such receipt notifies the employer in writing of any reason why he cannot accept the contents of this agreement, this agreement shall constitute a binding contract between the parties.

7.1.2	Only tenderers who have Key Persons, as listed below, as well as in the Tender Data are required to perform submit tenders. The Structures Project Manager shall:

- be accredited with the Committee of Transport Officials (COTO) as a Bridge Inspector or as a Senior Bridge Inspector, having at least 10 years post COTO/SANRAL accreditation experience in TMH19 visual inspection of bridges and major culverts.
- be registered as a Professional Engineer under the Engineering Profession Act (Act 46 of 2000, or be registered as a Professional Technologist under the Engineering Profession Act (Act 46 of 2000),
- be allowed to be proposed as a Bridge Inspector, having completed at least 50 TMH19 bridge inspections since COTO accreditation, with this experience being gained over the past 5 years,
- be in the permanent employ of the tenderer and,
- be available to execute the required duties and responsibilities on the Contract tendered for should the tenderer's offer be accepted.

A **minimum** of at least **four** suitably experienced and qualified Bridge and Major Culvert Inspectors and who will be available for the execution and completion of the contract tendered for, are eligible to submit tenders. The Bridge and Major Culvert Inspectors shall consist of at least **two Major Culvert Inspectors** and **two Bridge Inspectors**.

Each Bridge Inspector and Major Culvert Inspector so proposed shall be required to comply with and meet the following criteria and specific conditions.

The Major Culvert Inspectors shall:

- be a COTO accredited Major Culvert Inspector, having completed at least 50 TMH19 major culvert inspections since COTO accreditation, with this experience being gained over the past 5 years,
- be a qualified civil engineering technician, technologist or engineer,
- be required to successfully complete and pass the employer's Compulsory "Testing and Calibration Session" with a minimum score of 85%,
- be allowed to conduct inspection surveys on major culverts **only**,
- be in the permanent employ of the tenderer or contractually committed to the tenderer should the tenderer win the tender and be available for the execution of the Contract tendered for and,
- be available to execute the required duties and responsibilities on the Contract tendered for, should the tenderer's offer be accepted.

The Bridge Inspectors shall:

- be a COTO accredited Bridge Inspector, having completed at least 50 TMH19 bridge inspections since COTO accreditation, with this experience being gained over the past 5 years, or be a COTO accredited Senior Bridge Inspector,
- be registered as a Professional Engineer under the Engineering Profession Act (Act 46 of 2000, or be registered as a Professional Technologist under the Engineering Profession Act (Act 46 of 2000),
- be required to successfully complete and pass the employer's Compulsory "Testing and Calibration Session" with a minimum score of 85%,
- be allowed to conduct inspection surveys on bridges **and** major culverts,
- be in the permanent employ of the tenderer or contractually committed to the tenderer should the tenderer win the tender and be available for the execution of the Contract tendered for and,
- be available to execute the required duties and responsibilities on the Contract tendered for should the tenderer's offer be accepted.

	Tenderers shall provide proof of the Key Persons' experience in a <u>detailed and project specific</u> Curricula Vitae, supported by the required certified copies of professional registration, COTO accreditation and qualifications for each contract tendered for.
8.1	The Service Provider is to commence the performance of the Services within 7 days of date that the Contract becomes effective.
8.2.1	The Contract shall be considered to be concluded annually when the Service Provider has completed all Deliverables in accordance with the Scope of Work annually.
8.4.3 (c)	The period of suspension is not to exceed 12 months.
9.1	Copyright of documents prepared for the Project shall be vested with the Employer.
12.1	Interim settlement of disputes is to be by mediation.
12.4	Final settlement is by arbitration.
12.2.1	In the event that the parties fail to agree on a mediator, the mediator is nominated by Consulting Engineers South Africa.
12.4.2	In the event that the parties fail to agree on an arbitrator, the arbitrator is nominated by Consulting Engineers South Africa.
14	Remuneration and reimbursement of the Service Provider will be on the following basis: Monthly submission of fee claims, with supporting documentation for time spent and disbursements.
C14 A	The Additional Conditions of Contract are: Escalation: Given the multi-year nature of the Contract, escalation is applicable to the contract. The value of the invoice shall be increased or decreased by the contract price adjustment factor, rounded off to the fourth decimal place, determined according to the formula: $CPAf = (1 - x) \left[\frac{C_t}{C_o} - 1 \right]$ And CPA = CPAf x Value of work claimed

In which the symbols have the following meaning:

CPAf = Contract Price Adjustment factor

CPA = Contract Price Adjustment

"x" is the proportion of the value of work which is not subject to adjustment, and unless stated in an Appendix shall be 0.1

"C" is the Consumer Price Index, applicable to the Witwatersrand area and as published in the Statistical News Release (P0 141.1, Table 4.1) of Statistics South Africa.

The suffix "o" denotes the Consumer Price Index applicable to the base month, which shall be the month prior to the month in which the closing date for the tender falls.

The suffix "t" denotes the current Consumer Price Index applicable to the month in which the last day of the period falls to which the relevant Service Provider's invoice relates

If the CPI relevant to any particular invoice is not known at the time when the invoice is prepared, the Service Provider shall estimate the value of such index. Any correction which may be necessary when the correct index becomes known shall be made by the Service Provider in a subsequent invoice.

C1.4. AGREEMENT IN TERMS OF THE OCCUPATIONAL HEALTH AND SAFETY ACT, 1993 (ACT NO 85 OF 1993) AS AMENDED

THIS AGREEMENT made at

on this the day of in the year between THE

DEPARTMENT OF TRANSPORT, Directorate Planning and Design (hereinafter

called "the Employer") of the one part, herein represented by

in his capacity as and delegate of the Employer in

terms of the Employer's standard powers of delegation pursuant to the provisions of Act No 7 of 1998,

and

(hereinafter called "the Mandatory") of the other part, herein represented by

in his capacity as and being duly authorised by

virtue of a resolution appended hereto as Annexure A;

WHEREAS the Employer is desirous that certain works be done, viz

..... and has accepted a Tender by the Mandatory for the execution of such works and whereas the Employer and the Mandatory have agreed to certain arrangements and procedures to be followed in order to ensure compliance by the Mandatory with the provisions of the Occupational Health and Safety Act, 1993 (Act 85 of 1993);

NOW THEREFORE THIS AGREEMENT WITNESSED AS FOLLOWS:

1. The Mandatory shall execute the work in accordance with the Contract Documents pertaining to this contract.
2. This Agreement shall hold good from its Commencement Date, which shall be the date of a written notice from the Employer or Engineer requiring him to commence the execution of the Works, to either -
 - (a) The date of the Final Certificate issued in terms of Clause 14 of the CIDB General Conditions of Contract (as contained in the "Standard Professional Services Contract", September 2005) (hereinafter referred to as "the GCC"), as contained in C1.2 of the Contract Documents pertaining to this Contract, or
 - (b) The date of termination of the Contract in terms of Clauses 8.4 of the GCC.

3. The Mandatory declares himself to be conversant with the following:
- (a) All the requirements, regulations and standards of the Occupational Health and Safety Act (Act 85 of 1993) as amended by the OHS Amendment Act No 181 of 1993, hereinafter referred to as "The Act", with special reference to the following Sections of The Act:
 - (i) Section 8: General duties of Employers to their employees
 - (ii) Section 9: General duties of Employers and self-employed persons to persons other than employees
 - (iii) Section 37: Acts or omissions by employees or mandatories
 - (iv) Sub-section 37(2) relating to the purpose and meaning of this Agreement
 - (v) Other safety regulations, as applicable.
 - (b) The procedures and safety rules of the Employer as pertaining to the Mandatory and to all his sub-consultants.
4. The Mandatory is responsible for the compliance with the Act by all his sub-consultants, whether or not selected and/or approved by the Employer.
- The Mandatory warrants that all his and his sub-contractors' employees are covered in terms of the Compensation for Occupational Injuries and Diseases Act 1993 which cover shall remain in force whilst any such employees are present on site. A letter of good standing from the Compensation Commissioner to this effect must be produced to the Employer upon signature of the agreement.
5. The Mandatory undertakes to ensure that he and/or sub-consultants and/or their respective employees will at all times comply with the following conditions:
- a) The Mandatory shall assume the responsibility in terms of Section 16.1 of the Occupational Health and Safety Act. The Mandatory shall not delegate any duty in terms of Section 16.2 of this Act without the prior written approval of the Employer. If the Mandatory obtains such approval and delegates any duty in terms of section 16.2 a copy of such written delegation shall immediately be forwarded to the Employer.
 - b) All incidents referred to in the Occupational Health and Safety Act shall be reported by the Mandatory to the Department of Labour as well as to the Employer. The Employer will further be provided with copies of all written documentation relating to any incident.
 - c) The Employer hereby obtains an interest in the issue of any formal enquiry conducted in terms of section 32 of the Occupational Health and Safety Act into any incident involving the Mandatory and/or his employees and/or his sub-contractors.

In witness thereof the parties hereto have set their signatures hereon in the presence of the subscribing witnesses:

PART C2: PRICING DATA

PART C2.1: PRICING INSTRUCTIONS

Pre-ambule to Pricing Schedule

1. The following words shall have the meanings hereby assigned to them:

Unit: The unit of measurement for each activity / item of work for the services as defined in the Scope of Work

Quantity: The number of units of work for each item of the services

Rate: The payment per unit of work at which the Tenderer tenders to do the work for the services

Amount: The product of the quantity and the rate tendered for an activity / item

Lump sum: An amount tendered for an activity / item, the extent of which is described in the Pricing Schedule, the Scope of Work or elsewhere, but of which the quantity of work for the service is not measured in units.

Rate only: An amount per unit to be entered by the tenderer for execution of the specific work for the services. No quantity is provided for this item, which may or may not be used by the Employer to extend the work to be done under the contract.

2. The quantities set out in the Pricing Schedule are approximate quantities. The quantities of work accepted and certified for payment for the services, and **not** the quantities given in the Pricing Schedule, will be used to determine payments to the service provider.

The validity of the Contract shall in no way be affected by differences between the quantities in the Pricing Schedule and the quantities finally certified for payment. Work for the services will be valued at the rates or lump sums tendered, subject to the provisions of paragraphs 8 and 9 of this section.

3. The tendered rates are all-inclusive and covers the execution of the activities as listed, including all accommodation, travelling expenses, all mandatory taxes and levies (excluding VAT), all liaison, insurance against damage, compensation for loss as well as any other possible expenses which have not been specifically mentioned, but which may be related to the execution of the work for the services. Value added tax (VAT) shall be excluded from the rates and prices and provided for as the total VAT on the cost of the Services in the Pricing Schedule.
4. The tendered Lump Sum rates are all-inclusive and cover the execution of the activities as listed. These rates should include all work required to execute the activities, all accommodation, travelling expenses, all mandatory taxes and levies (excluding VAT), all liaison, attendance of all meetings, as well as any other possible expenses and disbursements which have not been specifically mentioned, but which may be related to the execution of the work for the services. Value added tax (VAT) shall be excluded from the rates and prices and provided for as the total VAT on the cost of the Services in the Summary of the Pricing Schedule.

5. The Tenderer shall fill in a rate or a lump sum for each activity / item where this is provided for. The Tenderer shall also fill in a rate against the activities / items where the words "Rate only" appear in the amount column. Although no work is foreseen under these activities / items, and no quantities are consequently given in the quantity column, the tendered rates shall apply should work under these items actually be required.

If the Tenderer has tendered a rate but omitted the amount, or vice versa, the missing amount or rate will, if possible, be determined in conjunction with the Tenderer from the available data, and the Tenderer must confirm his acceptance of these amounts and rates.

If the Tenderer groups a number of items together and tenders one lump sum for such group of items, this single tendered lump sum shall apply to that group of items and not to each individual item, or, should he indicate against any item that full compensation for such item has been included in another item, the rate for the item included in another item shall be deemed nil.

The tendered lump sums and rates shall be valid irrespective of any change in the quantities during execution of the Contract.

6. The services executed are being measured for payment in accordance with the methods described in the Contract Documents under the various payment items, notwithstanding any custom to the contrary.
7. The short descriptions of the payment items in the Pricing Schedule are given to identify the items and not to provide specific details. Reference shall inter alia be made to the Drawings, Scope of Work, Conditions of Contract and Special Conditions of Contract (if any) for more detailed information regarding the extent of the work entailed under each item.
8. Subject to the conditions stated in paragraph 9 below, the rates and lump sums filled in by the Tenderer in the Pricing Schedule shall be final and binding with regard to submitting the Tender, and may not be adjusted should there be any mistakes in the extensions thereof and in the total sums appearing in the Tender. Should there be discrepancies between the Tender Sum and the correctly extended and totalled Pricing Schedule, the rates will be deemed correct, and the Employer will have the right to make such adjustments to the Tender Sum as he deems necessary to reconcile the total of the Pricing Schedule with the Tender Sum.

In such an event the Tenderer will be consulted but, failing agreement between the parties, the decision of the Employer will be final and binding. Adjustment of the Tender Sum will take place only after acceptance of the Tender, but prior to the signing of the Contract. In their own interests Tenderers should make doubly sure of the correctness of their tendered rates, the extensions and the Tender Sum.

9. A Tender may be rejected if the unit rates or lump sums for some of the activities / items in the Pricing Schedule are in the opinion of the Employer, unreasonable or out of proportion and if the Tenderer fails within a period of seven (7) days of having been notified in writing by the Employer to adjust the unit rates or lump sums for such activities / items to make such adjustments.
10. All rates and sums of money quoted in the Pricing Schedule shall be in Rands and whole Cents. Fractions of a cent shall be discarded.

PART C3: SCOPE OF WORK

C3.1 EMPLOYERS OBJECTIVES

The Employer is responsible for the implementation and maintenance of a Road Asset Management System (RAMS) for all provincial road assets within the Eastern Cape.

According to the recommendations in the TMH19, the Employer is to conduct comprehensive visual inspections every 5 years on the bridges and major culverts on its network. The Employer therefore wishes to appoint suitable Service Providers to undertake inventories and inspections on the approximately 1019 bridges and 1505 major culverts along provincial paved and unpaved roads throughout the Eastern Cape, under 4 separate contracts.

C3.2 SITE LOCATION

The project includes the inventory and inspection of bridges and major culverts along provincial roads throughout the Eastern Cape. The location of the structures to be inspected are indicated on the drawings attached as Appendix B and the total numbers, grouped per District / Metropolitan and Local Municipal area are provided in the table below. A schedule of bridges is attached as Appendix C, indicating the total length of each bridge. For the purpose of this contract, a structure is classified as a Bridge or a Major Culvert in terms of the criteria as stipulated in the latest TMH19.

District/Metropolitan	Local Municipal Area (LMA)	Estimated Quantities		
		Bridges	Major Culverts	Total
Alfred Nzo	Matatiele	59	27	86
	Ntabankulu	6	6	12
	Umzimvubu	30	23	53

C3.3 DESCRIPTION OF THE WORKS

The Works will comprise of the following key activities:

C3.3.1 TESTING AND CALIBRATION WORKSHOP

A testing and calibration workshop will be held at the offices of the Employer in King Williams Town (or East London). The Employer will invite all Service Provider's bridge inspectors and major culvert inspectors that have been provisionally approved, based on the pre-qualification criteria stated in the Tender Data, to attend the session.

The testing and calibration workshop will extend over a period of two full days. Seeing as the visual condition inspections and inventories will be undertaken in accordance with the procedures of the latest TMH19 (Manual for the Visual Assessment of Road Structures) and CSIR STRUMAN Bridge Management System, the pre-qualified bridge inspectors and major culvert inspectors will be tested on their knowledge of the inventory and inspection procedures. The required pass / calibration rate will be eighty-five percent (85%). Only COTO accredited Bridge Inspectors and Major Culvert Inspectors who pass the theoretical test will be allowed to perform inspections.

C3.3.2 INVENTORY AND INSPECTIONS

Inventory and inspection surveys are to be undertaken in accordance with the latest TMH19 document on the bridges and major culverts as listed under C3.2 above. Any other structures that are inspected will not be paid.

This component of the works will include the following activities:

- Fieldwork

The Employer will make available the following information to the Service Provider after successful completion of the testing and calibration workshop:

- Maps indicating the location and unique identification number of all structures to be inspected and inventoried,
- Standard inventory and visual inspection forms for bridges and major culverts; Examples of these forms are attached under **Appendix A**, and
- Data capture software/interface.

Inventory data shall be recorded during field inspections, with the inventory data being completed in full. Data fields shaded in light grey (**Appendix A refers**) need not to be completed when capturing inventory data during field inspections. Specific inventory photographs shall be taken, and GPS (WGS 84) co-ordinates recorded.

Inspectors will rate structural and non-structural elements on a DER-U rating basis as contained in the latest TMH19 documents. Inspectors shall also identify defects and make recommendations on maintenance, repair and remedial measure requirements and associated costs. Photographs are to be taken of distresses and supported by sketches of the distresses and/or cracking patterns.

- Data Capture

The CSIR STRUMAN Bridge Management System must be used to capture all data from the fieldwork. No further data capturing or post-processing is required. It is a pre-requisite for the Tenderer to make use of this application.

- Quality Control

It is a pre-requisite that a high degree of accuracy be obtained for the visual inspections and data capturing. It is the responsibility of the Service Provider to undertake its own process control testing to ensure the required quality.

- Reporting

The Service Provider will be required to prepare regular progress reports and attend monthly progress meetings with the Employer for the duration of the contract.

The Service Provider is also required to submit a close-out report summarising the work completed and main findings.

The following should be noted with regards to visual inspections and data capturing:

- Completed data is to be submitted on a monthly basis to substantiate progress and to allow for quality checking on an ongoing basis,
- All fieldwork must be undertaken in a manner that complies with the relevant safety legislation and regulations. The Employer accepts no responsibility for any eventuality that may occur during execution of the surveys. The Service Providers will perform the work entirely at their own risk and must ensure that suitable safety precautions are taken at all times. This includes the wearing of approved high visibility safety vests by their staff during the surveys, as well as equipping vehicles with appropriate signage and orange lights, and any other issues as stipulated in the Contract Data, and
- Should the Service Provider use any personnel for the visual surveys who have not attended the testing and calibration session, or personnel who attended the session but were not approved by the Employer in writing, the Contract will be terminated forthwith and the Service Provider will forfeit all further rights in terms of the Contract as from the date of such termination.

C3.4 USE OF SPECIALISED EQUIPMENT FOR INVENTORY AND / OR INSPECTIONS

Bridge and major culvert inspectors will be expected to provide ladders or similar equipment to access bridges and major culverts, where necessary. All components that can be inspected without the use of specialist equipment (such as “cherry-pickers”) will be deemed to be included under the activities listed under C3.3 above.

The Employer acknowledges that not all the components of certain bridges or major culverts may be accessible using conventional equipment. The Service Provider will be required to list the items / components of each bridge and major culverts that cannot be fully inspected and then present the requirements for achieving a comprehensive inspection to the Employer. The Employer will consider the feasibility of underrating more detailed inspections utilizing specialised equipment and, if warranted, will instruct the Service Provider to undertake these activities.

C3.5 QUALITY CONTROL

The Employer will undertake acceptance control testing as follows:

- Inspection Controls

Control inspections will be carried out by the Employer on random bridges and major culverts during or immediately after the period that the Service Provider undertakes its visual inspections. The control inspections will cover a representative sample of at least 5% of the total number of bridges and major culverts inspected.

For bridge and major culvert inspections, the calculated Condition Index (CI) of the Service Providers' inspection will be compared to the CI's of the control survey. The Service Provider's visual inspections will be considered acceptable if the CI's of more than 85% of the bridges correlate within a 10% variance of the control survey CI's. Furthermore, the individual distress ratings will be checked to establish that the correct distress is being identified and that the extent, degree and relevancy rating is being applied in terms of TMH19.

In addition to the condition inspection / assessment, the Employer will also assess the quality and completeness of the bridge and major culvert inventory inspections. The Service Provider's inventory inspections will be considered acceptable if:

- all the prerequisite minimum data fields have been completed in the format specified, and
- all the fields completed correlate within a 10% variance of the control inspection by the Employer.

Where inspection and inventory errors occur, the Service Provider shall, at his own cost, re-assess these structures within a time period considered reasonable by the Employer, to the satisfaction of the Employer.

The CI comparison will be conducted separately for each of the Service Provider's inspectors, per Local Municipal Area. Should the visual condition inspection and inventory information not meet the abovementioned quality test, the entire batch of visual inspection data (i.e. per inspector and Local Municipal Area) will be rejected.

- Data Capture Controls

The Service Provider will be required to ensure that all the required data fields are completed correctly. Data fields will be checked for completeness and formatting. Should the captured data not comply with the acceptance control check the Service Provider will be required to recapture it until such time as compliance is achieved.

C3.6 WORKS PROGRAMME

The Period of Performance will be **six months**. The following work programme is to be adhered to:

Activity	Commencement	Duration
Calibration and testing session	Within 14 days of Start Date	2 days
Visual inspection and data capture	Within 14 days after calibration and testing	5.5 months

C3.7 DELIVERABLES

The following is to be delivered in terms of the Contract:

- Supply of a suitable number and quality of Bridge Inspectors and / or Major Culvert Inspectors who attend and pass the testing and calibration session;
- Inventory and inspections on the identified bridges and major culverts, with each bridge and major culvert being assessed and the associated inventory and inspections forms completed correctly and in full, with the supporting photographs;
- Capturing and verification / validation of all data for each bridge and major culvert;
- Submission of all maps indicating any bridges and / or major culverts that could not be assessed, or other bridges and/or major culverts that were identified. This includes for spending time with the Employer's Agent to make the necessary spatial changes on the GIS;
- Attendance of monthly Project Progress meetings with the Employer; and
- Close-out report.

C3.8 OCCUPATIONAL HEALTH AND SAFETY SPECIFICATIONS

C3.8.1 INTRODUCTION

a) List of abbreviations

ECDOT	Eastern Cape Department of Transport
HIRA	Hazard Identification Risk Assessment
OHSA	Occupational Health and Safety Act No. 85 of 1993 (as amended)
HSA	Health and Safety Agent
HSP	Health and Safety Plan
HSS	Health and Safety Specification
PPE	Personal Protective Equipment
SANS	South African National Standards (Authority)

b) Definitions

The definitions used will be those set out in the Regulation Gazette No 7721 of 18 July 2003 with the following additions:

Client: Means the Employer, as defined in the Conditions of Contract.

Hazard Identification and Risk Assessment (HIRA) and Risk Control: Means a documented plan, which identifies hazards, assesses the risks and details the control measures and safe working procedures which are to be used to mitigate and control the occurrence of hazards and risks during construction or operation phases.

Health and Safety Agent: Means any person who acts as a representative for the Client in managing the overall health and safety work as their responsible person.

Health and Safety Plan: Means a documented plan which answers to the Health and Safety Specification, including all the supporting documentation that indicate how the Principal Contractor or Contractor plans to manage Health and Safety for the duration of the Contract.

Principal Contractor: Means the Consultant appointed by the DRPW to undertake the visual assessment work as detailed in the tender.

Regulation/s: Means the relevant regulation/s promulgated in terms of the Occupational Health and Safety Act, No. 85 of 1993.

Risk: Means the probability or likelihood that a hazard can result in injury or damage.

Site: Means the roads which are to be assessed by the Principal Contractor. Where there is no demarcated boundary it will include all adjacent areas and roads which are reasonably required for the activities of the Principal Contractor.

c) Key Role-players

Client's Representative: Head of Department, Province of the Eastern Cape Department of Transport

d) Key References

- Occupational Health and Safety Act No. 85 of 1993 and Regulations (as amended)
- Compensation for Injury and Occupational Diseases Act No. 100 of 1993 (as amended)
- Committee of Transport Officials (COTO)
- South African Roads Traffic Safety Manual (SARTSM) Chapter 2, Volume 13 of 1999
- Road Traffic Safety Act No. 93 of 1996 (as amended)

C3.8.2 PURPOSE OF THE HEALTH AND SAFETY SPECIFICATION (HSS)

The HSS is a performance specification to ensure that the Client and any bodies that enter into formal agreements with the Client (i.e. the Principal Contractor) achieve an acceptable level of OHS performance. The Client has a zero tolerance to non-compliance and the endangering of the lives of workers and the public. The purpose of the HSS is to assist Principal Contractors to achieve compliance with the Occupational Health and Safety Act and Regulations, in order to reduce incidents, injuries and occupational illnesses.

No advice, approval of any document required by the HSS (i.e. hazard identification and risk assessment, action plans) or any other form of communication from the Client shall be construed as an acceptance by the Client. Nor shall such communication relieve or absolve the Principal Contractor from any obligation or from achieving compliance with legal requirements. The Principal Contractor remains responsible for achieving the required performance levels and must sign an OHSA S.37.2 Mandatary Agreement with the Client. (Refer C1.3: Health and Safety Agreement).

The HSS highlights the aspects to be implemented over-and-above the minimum requirements of current legislation. Requirements may be changed should new risks or issues be identified during the course of the project.

C3.8.3 IMPLEMENTATION OF THE HSS

The HSS forms an integral part of the Contract and Principal Contractors are required to make it an integral part of their Contracts with Contractors and Suppliers. No work may commence prior to receipt of written approval of the HSP by the HSA. Failure to do so will be noted as a serious offense, and will result in a fine, and/or stoppage of part of, or the whole works, with no extension of time or allowable claims.

This specification must be read in conjunction with the OHSA, it's Regulations (as amended) and any other standards relating to work being done and ensure compliance thereto. The information relative to the Scope of the Work as detailed under Part 3 of the Contract (Refer C3.1 to C3.6), is to be taken into account when developing the Health and Safety Plan (HSP) and associated documentation.

Should there be a change in the Scope of Work, an amended HSS may be issued. In such an instance, the Principal Contractor will be required to resubmit an amended HSP for consideration by and approval of the HSA.

The HSA will conduct a monthly audit (or more frequently, if deemed necessary) of the Principal Contractor to monitor compliance with the HSP. Non-conformances will be noted, with fines being issued or work stopped, where appropriate.

C3.8.4HSP FRAMEWORK

The Principal Contractor has to demonstrate to the Client that he has a suitable and sufficiently documented HSP as well as the necessary competencies, experience and resources to perform the work safely.

The current legislative requirements, SANS codes and any other standards that may guide practice are to be taken into consideration in the HSP. The HSP shall provide evidence of the Principal Contractor's planning regarding the following aspects of safety and include at least the following:

- Safety precautions for inspections / assessments
- Safety procedures during execution of the inspections / assessments
- Emergency procedures in cases of incidents and or accidents
- Compliance with OHSA as relevant

C3.8.5PROJECT SPECIFIC REQUIREMENTS

a) Risk Management

The Client has identified the following risks, activities and considerations for which risk assessments, standard working procedures, management and control measures need to be addressed. (The Principal Contractor needs to supplement this with his own risk assessment, to ensure compliance with the OHSA):

- Working on or near roads, with particular emphasis on:
 - leaving and entering vehicles parked at the road side,
 - inspecting road surfaces,
 - travelling at slow speeds on public roads, and
 - conducting inspections whilst travelling
- Working in remote areas, with particular emphasis on:
 - access to sustenance, and
 - dehydration
- Neighbouring environmental influences such as bees, snakes, dogs, lightning, etc.

b) Emergency Procedures

As the site is remote and advanced medical support absent, attention to emergency planning and procedures is very important. Emergency procedure(s) shall include, but shall not be limited to, fire, accidents to employees, major incidents/accidents, etc. The Principal Contractor shall advise the HSA and all relevant authorities forthwith, of any emergencies, together with a record of action taken. This shall be confirmed in writing as soon as possible after the incident. A contact list of all service providers (Fire Department, Ambulance, Police, Medical and Hospital, etc.) must be maintained and available to all personnel. These procedures shall form part of the HSP.

c) First Aid

Each assessor shall have completed at least a Level 1 accredited first aid course, prior to undertaking any visual inspections. Each assessor shall carry a first aid kit in their vehicle at all times.

The vehicle shall be equipped with an amber-coloured flashing light of the rotating parabolic reflector type, at least 150 mm high, with a minimum intensity of 100 W. It shall be visible at any angle from the vehicle. The warning light shall be switched on at all times and a sign reading "ROAD INSPECTION" with letters at least 150mm high shall be displayed when the vehicle is used on site.

d) Personal Protective Equipment and Clothing

The Principal Contractor shall ensure that all assessors are issued with and shall wear reflective vests at all times.

All inspection vehicles shall be fitted with at least one operational orange, rotating safety lamp and suitable warning signs, adequate for ensuring safety of the Assessors and all third parties.

C3.8.6 APPOINTMENT OF HEALTH AND SAFETY PERSONNEL

In terms of Section 16 of the OHSA, the Chief Executive Officer of the Principal Contractor may delegate, in writing, part or all of his powers to a suitable person on the site. For the purpose of this Contract, each assessor will be appointed as a Construction Supervisor (as defined in the OHSA). Each assessor (Construction Supervisor) will also assume the role of and perform the duties of a Health and Safety Officer and Traffic Safety Officer. The Principal Contractor shall ensure that the assessors are competent persons, capable of fulfilling this role.

The appointment of competent persons to supervise parts of the Works does not relieve the Principal Contractor from any of his responsibilities to comply with all requirements of the OHSA and Construction Regulations.

C3.8.7 HEALTH AND SAFETY FILE

The Principal Contractor, in terms of Construction Regulation 5(7), shall maintain a Health and Safety File in his office at all times. A copy thereof, shall be kept in each Assessor's vehicle for the duration of the contract. The Principal Contractor shall appoint a suitably qualified person to prepare the Health and Safety File and to keep it up to date for the duration of the contract.

The Health and Safety File shall include at least the following information:

- All Documents as required by the Act and Regulations
- All Health and Safety reports of inspections and audits
- All non-conformity reports
- All Hazard Identification and Risk Assessments carried out for the project.
- All method statements
- Minutes of all relevant meetings
- Incident records, including investigations and results
- Record of all appointments under the Regulations
- Medical certificates of fitness and a copy of drivers licences.
- Record of Competencies
- Training Records

The Health & Safety File shall, in electronic version, be handed over to the Client on completion of the contract.

It must contain all the documentation as set out above, or as instructed, as well as any handed to the Principal Contractor by any subcontractors.

C3.8.8 ARRANGEMENTS FOR MONITORING AND REVIEW

The Client, or the HSA, may conduct a Monthly Audit to audit compliance with Construction Regulation 4 (1) (d) to ensure that the Principal Contractor has implemented and is maintaining the agreed and approved HSP.

The Client reserves the right to conduct other ad hoc audits and inspections as deemed necessary. A representative of the Principal Contractor must accompany the Client, or his agent, on all audits and inspections and may conduct his own audit/inspection at the same time. Each party will, however, take responsibility for the results of his own audit/inspection results.

C3.8.9 NON-CONFORMANCES

At any time, should the Works, or part of the Works, be stopped in terms of Section 4 subsection (e) the Principal Contractor shall have no claim for extension of time or any other compensation.

Failure or refusal on the part of the contractor to take the necessary steps to ensure the safety of workers and the general public in accordance with these specifications or as required by statutory authorities or ordered by the HSA, shall be sufficient cause for the Client to apply penalties. A penalty shall be deducted for each and every occurrence of non-compliance with any of the requirements of the HSS. The following constitute examples of the types of non-conformances that will attract penalties:

- Minor – Penalty: R 50 / count
 - Not wearing PPE
 - Not completing vehicle check registers
- Medium – Penalty: R 500 / count and a non-conformance
 - Sub-contractors not audited
 - Working without training or the appropriate health and safety method statements
 - Legal non-conformances identified during the previous audit and not addressed within the agreed time frame
- Severe – Penalty: R 5 000 / count, a non-conformance and / or activity stoppage
 - Contractors working without Health and Safety Plan approval
 - Flashing light not working / not used or vehicle signage not displayed
 - Invalid Letters of Good Standing
 - Any breach of legal requirements

C3.9 MEASUREMENT AND PAYMENT

Item Number	Description	Unit
C3.9.1	Testing and Calibration Workshop	Lump Sum

The tendered rate will include full compensation for all activities and costs associated with the testing and calibration of all proposed bridge inspectors and major culvert inspectors, including the following:

- Attendance of the testing and calibration workshop by all proposed bridge inspectors and major culvert inspectors;
- Travel, accommodation and subsistence costs for attending the testing and calibration workshop and doing the calibration assessments; and
- Attendance and training in the use of the data capture module and loading of the software onto the appropriate hardware.

Payment will be made as a lump sum item, after the bridge inspectors and major culvert inspectors pass the testing and calibration workshop. Should a proposed bridge inspector or major culvert inspector fail the testing and calibration workshop, any costs incurred by the Employer or his representative in re-testing or testing additional personnel, may be deducted from payment due to the Service Provider.

Item Number	Description	Unit
C3.9.2	Inventory and Inspection	No

Separate items will be scheduled for bridge inventory and inspections, according to the length of the structures, with one item scheduled for major culvert inventory and inspections. The inventory and inspections items are as follows:

- (i) Small Bridges: A bridge structure with an overall length of less than or equal to 20 meters;
- (ii) Medium Bridges: A bridge structure with an overall length exceeding 20 meters, but less than or equal to 50 meters;
- (iii) Large Bridges: A bridge structure with an overall length exceeding 50 meters, but less than or equal to 100 meters;
- (iv) Very Large Bridges: A bridge structure with an overall length exceeding 100 meters; and
- (v) Major Culverts: A major culvert structure irrespective of the overall length of the structure.

The unit of measurement for the above inventory and inspection items will be the number of bridges and major culverts for which an inventory and condition inspection has been undertaken, the data captured, and submitted to the Employer in the prescribed format and accepted by the Employer.

Payment will not be made for those bridges or major culverts that were under construction or flooded at the time of the inspection and which were therefore not inspected.

The tendered rate will include full compensation for all activities and costs associated with undertaking the bridge and major culvert inventory, inspections and data capturing, including the following:

- Attendance of a briefing meeting with all Key Persons, including the Structures Project Manager at King Williams Town (or East London);
- Attendance of monthly progress meetings by the Structures Project Manager at King Williams Town (or East London);
- Printing of inventory and inspection forms and maps;
- Inspections, inventories and data capturing;
- Travel, accommodation and subsistence costs;
- Quality control by the Structures Project Manager,
- Monthly Progress Reports, and
- Close-out Report

Payment will be paid in three instalments:

- 50% upon submission of the completed **inventory and inspection data** in hard copy format;
- 25% on submission of the data in the required electronic format, **including inventory and inspection photos**;
- 25% upon acceptance of the data by the Employer.

Item Number	Description	Unit
C3.9.3	Specialised Equipment Hire	Provisional Sum

The provisional sum is provided for the rental of specialised equipment for the bridge inspections, and the associated travel and disbursement costs. Payment will only be made for work / rentals that are pre-authorised by the Employer.

Item Number	Description	Unit
C3.9.4	Handling Charges on Specialised Equipment Hire	Percentage (%)

The handling charge shall include full compensation to the Service Provider for obtaining quotations, making arrangements for rental, payment on behalf of the Employer and all associated administrative costs.

Item Number	Description	Unit
C3.9.5	Time-based Services	Hour (Hr)

Separate items will be scheduled for the various categories of staff. The tendered rate will be for additional time-based services for the category of staff as instructed by the Employer. This is a provisional allowance, and payment will only be made for time pre-authorised by the Employer.

Item Number	Description	Unit
C3.9.6	Occupational Health and Safety Compliance	Sum

The tendered rate will include full compensation for all activities and costs associated with the Service Provider to comply with the relevant Occupational Health and Safety legislation, regulations and specifications.

This will include, but is not limited to the following:

- Preparing, maintaining, implementing and complying with the required statutory Safety Plans;
- Provision and maintenance of the necessary safety equipment such as orange lights and signage for vehicles, safety vests, and the like;
- Provision and maintenance of all the necessary insurances.

Payment will be made on a pro-rata basis per month, based on progress.
