Dear Sir/Madam

Request for Enquiry Number	E3024DXKZNOU
Description / Project Title	An Enabling Agreement with a Panel of Twelve (12) Service Providers for the Inspection and Treatment of wooden poles on an “as and when” required basis in the Central East Cluster (Kwa-Zulu Natal and Free State Operating Units) for a period of three years.
Tender Questions Closing Date	20 July 2026

Item	Questions	Answers	Clarity Published Dates
1.	There are companies out there that are Agri Seta accredited and have this unit standers on there certificates e.g Pest Management Academy is this acceptable ? We have also sent our guys to a different training provider I have attached the training below to see if it is acceptable . Please note the last time we tendered for this we found out there is a list the Eskom has with approved training providers so we what to make sure this time.	Training will only be accepted if: The training is inspection competency training, and the training is based on the latest revision of Task Manual 240-133791951 (Maintenance inspection and supplemental treatment of treated wood utility poles).	30 June 2026

		The TEC is explicit that the training institution must use this Task Manual as the training material.	
2.	Vehicle Requirements Some of our vehicles are still under fiance so we don have (NATIS/RC1 form) document/s. Is it fine if we submit the page that the lice disk is cut out it also show the company details as the owner on it ?	Tenderers must submit proof of ownership - Banks/financing institutions allow customers to request a copy of the NaTIS document. Eskom Requires any of the following: • Certified copy or bank-issued copy of NaTIS showing: ○ Owner = tenderer ○ Titleholder = bank/financing institution • OR • Certified copy or bank-issued copy of + finance agreement / settlement letter • OR • Certified copy or bank-issued copy of + bank confirmation letter	30 June 2026

7.	Can we submit the 2025 financial for the current tender E3024DXKZNOU. Our accountants are still finalising our 2026 financial statement. In addition I would like to submit my tender early.	Yes, you may submit your 2025 financials, however please include on your letterhead confirmation that 2026 financials were not ready for submission.	30 June 2026
8.	My clarification relates to the Environmental Tender Evaluation and Scoring Card. Kindly clarify the following: 1. For the EMP, Environmental Induction – is the requirement to just provide the course content of the Induction, or for the induction to be completed at time of submission and the training certificates provided in the tender submission? 2. What is the minimum environmental competency/training required? Enviro Legislation, Induction, Waste Management Training?	1. For the EMP, Environmental Induction –The requirement is just to provide the course content of the Induction. 2. Enviro Legislation,	30 June 2026
