

NOTICE OF EXTENSION

The bids on the below table were recently published on the City's website and National e-Tender Portal. The fuel increase related strike that started on 6 July 2022 within the jurisdiction of the City and surrounding areas may have a negative impact on the bids to be closed in the near future. Following these threats, the City has taken a decision to extend the closing dates on all the bids affected in order to enhance competition and avoid probability of disruption on the submission of responses from prospective bidders.
