REPORTING OF PROCUREMENT BY OTHER MEANS :DEVIATIONS

No	Supplier no.	Project Description	Name of Supplier	Reasons	Dev no.	Value of contract	Approval Date	Contract start date
1	MAAA052720	Annual membership renewal with PRISA	Public Relations Institute of Southern Africa (PRISA)	Deviation is sought for the renewal of professional membership with the Public Relations Institute of Southern Africa (PRISA) on a sole-source basis. PRISA is registered with the South African Qualifications Authority (SAQA) and, is the only recognised professional body in the public relations and communication management industry. PRISA is therefore the sole provider capable of offering the required professional membership, continuing professional development opportunities, industry accreditation and associated professional benefits. Accordingly, it is impractical to invite competitive quotations as no alternative supplier can provide the specific membership offered by PRISA, body in South Africa representing the global standard-setter for the internal auditing profession. Annual membership with IASA is essential to enable the CCMA's Internal Auditors to maintain professional alignment, credibility, and access to industry-specific training, guidance, and resources.	CCMADIV-26-07	R2 783,00	*As per the signature date.	Once off

* Approval date as per the final signature date on the deviation memo.

The Accounting Officer/ Authority confirms that the information captured in this report is a true reflection of the approved procurement by other means and the approved expansions and variations of contracts.
