MEMO

Good day,

TENDER CLARIFICATION MEETING ADDENDA.

INVITATION TO TENDER No. E3444GXMPKUS

Alterations and Additions to Existing Building Structures at Kusile Power Station for a Period of Nine (9) Months

Reference is made to enquiry number E3444GXMPKUS [Alterations and Additions to Existing Building Structures at Kusile Power Station for a Period of Nine (9) Months]

This addendum serves to notify all prospective tenderers of new tender closing date/extension.

In consideration of the above, and to allow sufficient time for bidders to incorporate information gathered into their submissions, the tender closing date has been extended as follows:

Revised Tender Closing Date

- **Previous Closing Date: 23 September 2026**
- **New Closing Date: 30 September 2026**

Tenderers are requested to acknowledge receipt of this addendum and ensure that the revised requirements and dates are incorporated into their tender submissions.
