SPECIFICATION

TERMS OF REFERENCE (ToR) FOR THE APPOINTMENT OF THE PROFESSIONAL SERVICE PROVIDER TO PROVIDE EVENT MANAGEMENT SERVICES FOR THE CITY OF JOHANNESBURG, 2023 WOMEN'S DAY CELEBRATION EVENT FOR THE CITY'S FEMALE EMPLOYEES.

Initials

1. PURPOSE

The City of Johannesburg invites suitably qualified and experienced service providers to provide services as per the deliverables below, for the 2023 Women's Day Celebration event for the City's female employees.

2. BACKGROUND

The 2023 South Africa's women's month marks the 67th anniversary celebration to pay tribute to the more than 20,000 women from various backgrounds who marched to the Union Buildings on 9 August 1956. The 2023 theme is *"Women's Socio-Economic Rights and Empowerment: Building Back Better for Women's Improved Resilience"*

Women's month provides the country with a vital opportunity to reflect on the progress made on gender equity and equality, including celebrating milestones in relation to gender transformation. This shall therefore lead to the elimination of peculiar gender stereotypes and gender barriers in South Africa

Group Human Capital Management (GHCM) through the Employment Equity (EE) and Transformation Office in collaboration with Group Communication & Marketing, is planning the city's first annual event for the its female employees in order to lay a foundation to comply with the Bill of Rights. Specifically in relation to the equality clause in response to the national initiative, which focuses on celebrating women's achievements, raise awareness about discrimination, and take action to drive gender parity.

Women transformation agenda remains one of the critical areas that South Africa is still battling with. This is evident in various annual reports, which the Commission for EE has released. City Core gender representation at top management level is a clear example that progressive measures must be developed and implemented to ensure gender transformation and to eliminate male dominance.

The 2023 event build up include the following:

Member of the Mayoral Committee (MMC): Group Corporate and Shared Services (GCSS) or delegated official to conduct a radio interview on women's month, with specific emphasis on the City's resilient female employees.

MBD9: CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
- a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
