CERTIFICATE OF INDEPENDENT BID DETERMINATION

1. This Municipal Bidding Document (MBD) must form part of all bids³ invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).⁴ Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
3. Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
4. This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

³ Includes price quotations, advertised competitive bids, limited bids and BIDs.

⁴ Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

APPOINTMENT OF A SERVICE PROVIDER TO PROVIDER PROFESSIONAL CONFERENCE SERVICES FOR THE CITY OF JOHANNESBURG FOR THE HOSTING OF URBAN 20 (U20) SUMMIT IN SEPTEMBER 2025

1 INTRODUCTION AND BACKGROUND

The Urban 20 (U20) is a diplomatic initiative facilitated by C40 Cities and United Cities & Local Governments (UCLG). It brings together major cities from G20 countries to raise the profile of urban issues and enhance the role of cities in the G20 agenda. U20 was launched in 2017 and the inaugural U20 Mayors Summit took place in Buenos Aires in October 2018. The U20 initiative builds on years of city engagement in the UN led by C40 Cities and UCLG. The U20 is an independent initiative that is permanently convened by the conveners UCLG and C40. U20 runs parallel to the G20 process and strives to build a platform on behalf of urban centres, enrich the G20 agenda and propose joint solutions.

The U20 focuses on climate change and sustainable development, including socio-economic issues at the nexus of the Sustainable Development Goals and Cities' cross-cutting challenge of access to finance. Since the inaugural meeting in Buenos Aires (2018), annual U20 events took place in Tokyo (2019), Riyadh (2020), Rome-Milan (2021), Jakarta (2022), Ahmedabad (2023) and Rio de Janeiro – Sao Paulo (2024). The City of Johannesburg was involved and represented in U20 activities since its inauguration.

The U20 brings together a group of participating cities. These cities are important economic or population hubs, made up of major C40 and UCLG member cities from G20 countries. During the process, each participating city is represented by its Mayor and a 'City Sherpa'. The U20 also invites G20 and non-G20 capital cities and intermediary cities as Observer Cities represented by their Mayors and works with other organizations as U20 partners.

The U20 governance structure is organized by:

- **Cities:** U20 is an initiative created and led by cities to bring the urban voice to the G20. 'Participating Cities' shape the U20 process by contributing to the development of the U20 Communique and recommendations. Additional cities, such as cities located in the G20 Host country or neighbouring regions, may be invited to attend select U20 events in an observer capacity. Their participation is voluntary, non-binding and revised on a yearly basis.
- **Executive team:** Composed of a U20 Chair that rotates on a yearly basis (usually located in a city of the country presiding the G20 that year), and the Conveners.
- **Partners:** Partners support the U20 process with knowledge-based contributions and evidence-based research to support cities in taking an informed position on the various U20 topics that are discussed during a cycle.
