The below terms are not defined in the VAT Act and as such, the ordinary meaning has been taken into account:

- 1.2 **Consortium or Joint Venture** - an arrangement between two or more persons based on an agreement to generally operate a single, limited or defined project. The parties to such an agreement will generally share control of the arrangement and share the product or output of the venture
- 1.3 **Partnership** - an arrangement between two or more persons based on an agreement. The parties to that arrangement should have the intention to be partners and the essential elements for a partnership being the partners' contributions, a profit objective and joint benefit for the partners must be evident from the agreement.

- a. such body shall be deemed to carry on such enterprise as a person separate from the members of such body;*
 - b. registration of that body as a vendor shall be effected separately from any registration of any of its members in respect of any other enterprise;*
 - c. liability for tax in respect of supplies by that body shall be determined and calculated in respect of the enterprise carried on by it as an enterprise carried on independently of any enterprise carried on by any of its members, and any refund relating to that body's enterprise which is payable in terms of section 44 shall be made to that body; and*
 - d. the duties and obligations imposed by this Act on any vendor or other person shall, as respects the enterprise carried on by that body, be performed by it separately from the duties and obligations imposed on any of its members.*

Should the joint venture or partnership or consortium not be registered for VAT, **VAT cannot be levied on any invoice** that will be issued out to Airports Company South Africa for services rendered.
