1.1. BACKGROUND

SENTECH is a state-owned company and is the largest broadcasting signal distributor in Africa. SENTECH is a licensed Electronic Communications Network Service provider in South Africa, currently operates a number of communication networks from which Internet access is provided for customers and internal use.

Mandatory Criteria (If applicable)

Service Provider MUST comply with ALL the criteria below to be evaluated further (if applicable):

Mandatory Criteria	Proof Required
HAZMAT or HAZCHEM or similar Compliant – Provide company certification for handling, transporting and disposing hazardous chemical substance	Attach valid registration with authorities
Valid Letter of Good Standing with Department of Labour's Compensation Commissioner or Federated Employer Mutual (FEM) or Rand Mutual Assurance (RMA)	Attach valid registration with authorities

1.1. Functional / Quality criteria (if applicable)

Applicable for acquisitions between R 15 000 and R 1 million and if no Functional Criteria, indicate "N/A"

Functional criteria			Points
1. Give projects of similar type and magnitude (provide reference letters for each reference – listed project without reference letter will not count): 0-2 projects with reference - 0 pts 3-5 projects with reference – 10 pts - More than 5 projects with reference – 15 pts			15
2. Documented Disposal methodology (which should include type of vehicle [attach a picture], PPE[give PPE specification], handling, and disposing, spillage and containment management):			20
Excellent	20	The important issues are approached in an innovative and efficient way, indicating that the tenderer has outstanding knowledge.	
Good	15	The approach is specifically tailored to address the specific project objectives and methodology and is sufficiently flexible to accommodate changes that may occur during execution.	
Average	10	The approach is generic and not tailored to address the specific project objectives and methodology. The approach does not adequately deal with the critical characteristics of the project.	
Poor	0	The technical approach and/or methodology is poor / is unlikely, to satisfy project objectives or requirements. The tenderer has misunderstood certain aspects of the scope of work and does not deal with the critical aspects of the project.	
3. Functional Experience in the field (provide proof e.g. company registration & disposal recognition by authority) 0-2 years of experience – 0 points 3-5 years of experience – 10 points 5 years and more experience – 15 points			15
Total Points:			50

1.2. Minimum Score to Qualify (applicable to Functional Criteria)

If no Functional Criteria, indicate "N/A"

Minimum Score to Qualify for Further Evaluation	35
