

MEMORANDUM

FROM : Iziko Museums of South Africa

REGARDING : RFQ Addendum IZIKO_C&D_RFQ-2023/09/21

DATE : 05 October 2023

IMPORTANT:

In request to RFQ Number IZIKO_C&D_RFQ-2023/09/21, Request for Quotation (RFQ) for installation drywall, painting, restoration electrical, lighting, and other renovations at Iziko Museum.

We would like to provide some essential clarifications and instructions regarding the Bill of Quantities (BOQ) for the project at the Iziko South African Museum, specifically for the Special Exhibition Hall and Discovery Room. Please take note of the following details:

WRT Bills of Quantities:

As our organization does not possess an internal Quantity Surveyor (QS), we are assuming that each service provider will be responsible for scoping the work and providing a corresponding quote based on the line items specified in the Request for Quotation (RFQ).

Special Exhibition Hall at Iziko South African Museum:

For the Special Exhibition Hall, the following tasks are to be performed:

Removal and disposal of large drywall.

Enlarging the entrance by demolishing parts of the drywall and removing the door, including disposal.

Construction of new drywall.

Preparation and painting of the entire hall, including ceilings.

Restoration of lighting functionality.

Discovery Room:

For the Discovery Room, the following tasks are to be performed:

Fitting of a new glass access door.

Preparation and painting of the entire room, including ceilings.

Fitting of new cabinetry.

Restoration of lighting functionality.

Paint Color and Measurements:

Contractors are required to take precise measurements for the following line item: "Entire Hall, including ceilings prepared and painted." Additionally, it has been clarified by our Project Manager, that two different paint colors are to be applied:

Ceiling down to the bottom of the A/C vent conduit: Plascon Polvin, paint color Bovine 47. Or equivalent to

Rest of the walls: Plascon Wall and All White or equivalent to.

We kindly request that you make note of these specific paint colors and ensure their accurate application during the project.

Please communicate these instructions and clarifications to your teams and include them in your quotations accordingly.

Tender Closing Date.

Tenderers are advised to ignore the closing date indicated on page 1 of the RFQ document as it has been changed:

The date of closing is, 13 October 2023 at 11:00 am

We hereby acknowledge receipt of the above referenced Addendum to the Request to RFQ and the RFQ Addendum shall be incorporated into our submission.
