

REQUEST FOR PROPOSALS

FOR

Appointment of a Panel of Corporate Videography (Multi-Media) Service Providers for the Technology Innovation Agency for a period of thirty-six (36) months, on an as-and-when-required basis.

Issue Date: Thursday 16 July 2026

Response Deadline: Thursday 30 July 2026 at 11h00

1. INTRODUCTION

- 1.1 The National System of Innovation in South Africa is still very young and fragmented and the flow of technology and information amongst people, enterprises and institutions is limited. The inability of academic research to reach the market as products and services is limiting economic development especially about technology innovation.
- 1.2 Technology Innovation Agency (TIA, organisation) an entity of the Department of Science, Technology and Innovation (DSTI) was established in terms of the TIA Act (Act No. 26 of 2008), with the objective to stimulate and intensify technological innovation in order to improve economic growth and the quality of life of all South Africans by developing and exploiting technological innovations, as the value chain depicted below.

2. PURPOSE

The purpose is to appoint an experienced, reputable videographers to capture high-quality videos for TIA funded projects, marketing collateral (corporate videos), events, and staff for various online platforms for TIA as and when required by the organisation.

3. BACKGROUND

TIA Marketing and Communications Unit manages all communication-related materials produced by the Agency, including brochures, publications, online content, and multimedia assets. Videography is an integral component of all these

communication tools. TIA's videography requirements include production of videos showcasing funded projects, innovators, events, and staff. These videos will be used across various communication platforms, including the Agency's website, social media channels, presentations, reports, and other stakeholder engagement activities.

4. SCOPE OF WORK

TIA is looking to make use of the services of experienced videographers to capture high-quality videos for TIA funded projects, marketing collateral (corporate videos), events, and staff for various online platforms. TIA will not appoint a single service provider but will work with different service providers that satisfy the set functionality criteria, are the most competitive in terms of price and specific goals. The appointed service providers will be listed as preferred suppliers and will be approached as and when required.

5. PROPOSAL SPECIFICATIONS

TIA is looking to make use of experienced multimedia suppliers to handle the video needs of TIA Communication. Interested parties need to stipulate and include information on:

- The hourly rate for services rendered (assume videography to take place at TIA offices in Pretoria, Durban and Cape Town. However, TIA projects are in various provinces. This single hourly quoted fee must be all inclusive, i.e., include
 - 1) travelling to the offices (kilometres rates will be paid as per the South African Revenue Service (SARS) tariff rates).
 - 2) any associate video editing
 - 3) supply of all videos in high and low resolution
 - 4) as well as any associated delivery/upload fees.
- The delivery lead times, described in the number of working days after the day of the shoot; (note elimination criteria in section 6).
- Delivery and upload on electronic platforms.
- Editing capabilities.
- Developing scripts and storyboards.
- Graphics and animation.

- Make-up artist (as and when required)
- Voice over (as and when required)
- Details of the equipment used and the ability to adhere to the technical requirements which are outlined under (6) elimination criteria.
- Portfolio including, event or conference videos, corporate videos, or science videos. The portfolio should include references to multimedia that have been included in online.
- The supplier is responsible for the provision of all filming equipment, which includes a minimum of two full HD video recording cameras, video lighting, sound recorders-lapel, editing subtitles and sound mixing software, a basic music library, for final videos and all the necessary equipment for the project.
- Drafts of each video are to be supplied to the TIA for review and final approval on a cloud-based storage facility or USB memory stick or external hard drive delivered to the TIA. The bidder must allow for up to five (5) drafts per video.
- Each edited and approved video to be approximately 3 - 5 minutes long and will include a standard introduction and closing sequence provided by the TIA for this series. The final HD video must also include subtitles.
- The video must comply with TIA brand guidelines. These will be shared at the beginning of each project.
- The pricing quotes, must be inclusive of all costs to be incurred by the bidder, including travelling costs in Gauteng, KwaZulu Natal and Western Cape. (kilometres rates will be paid as per the South African Revenue Service (SARS))
- Travelling and accommodation costs outside of Gauteng will be paid and covered for by TIA.
- Contactable references, within the last seven (7) years

All proposals should be submitted in electronic format only. The portfolio of work must be captured as part of the electronic proposal.

6. ELIMINATION CRITERIA

Proposals will be eliminated under the following conditions:

- If not registered on the Central Supplier Database.
- Submission after the deadline; and
- Proposals submitted at incorrect location.
- Any conditions stipulating delivery later than seven days (videography) from date of shoot;
