Please urgently advise on the following: The pricing schedule has quantities for all line items as 1, but in the requirements in the tender document, it states that 12 Grade C officers day shift will be required and 11 Night shift Grade C officers. As well as NKP training requirements is 26, but on your schedule it is 1 The scope of services shall include without limitation the following. 4.1 Day shift personnel: 12 Grade C, one (1) x Grade B who will operate as a shift supervisor. 4.2 Night shift personnel: 11 Grade C and one (1) x Grade B who will operate as a shift supervisor. 4.3 One (01) Grade A who will operate as a Project Manager to oversee the operation. 4.4 The total number 26 NKP trained security personnel excluding relievers. 4.5 The service provider must provide relievers on an as and when required to guarantee the requirements and all relievers must be properly vetted in time. 4.6 All security officers shall be trained and knowledgeable about SABC procedures, protocol and Standard Operating Procedures (S.O.P). In addition, the graded staff will be responsible for the following; 4.6.1 Grade B security officers who will operate as shift supervisors. 4.6.2 Grade C security officers as per the NKP Act patrol inside and outside the premises, including the main security control centers, entry and exit points. Please clarify whether we must supply only unit rates? Or can we provide a pricing schedule with the correct number of guards and requirements?	i. Provide the unit rates as per the pricing schedule.
1. May you please advise about the Costing Model on Page 54. You only require unit rates for Grade B & C? However, page 28 states that the total number of guards required for the project is 26.	ii. Provide the unit rates as per the pricing schedule..
