5. EVALUATION PROCESS AND CRITERIA

5.1. BASIC COMPLIANCE

ANNEXURE A

DECLARATION OF INTEREST

I/We understand that any natural/legal person, including employees of the State and/or those related to an Eskom employee/director (as per the definition of “related” set out hereunder), may tender to Eskom. However, in view of possible allegations of favouritism (the practice of showing favour to, or giving preference to some person/group, to the detriment of, or at the expense of another that is entitled to equal treatment or an equal opportunity), should the resulting tender, or part thereof, be awarded to such natural/legal person, as described herein, it is required that the *tenderer/s* declare such interest/relationship where:-

- the *tenderer/s* employees/ directors are also employees/contractors/consultants/ directors in the state or a state owned entity.
- the *tenderer/s* employees/ directors are also employees/ contractors/ consultants/ directors of Eskom
- the *tenderer/s* employees/directors are also employees/ contractors/ consultants or directors in another entity together with Eskom employees/ consultants/ contractors/ directors
- the *legal person/s (including its employees/ contractors/ directors/ members/ shareholders)* on whose behalf the tender documents are signed, is in some other way “related” to an Eskom employee/ contractor/ consultant/ director involved in the tender evaluation/tender adjudication/tender negotiation. “Related” meaning that:-
 - an individual is related to another individual if they are married, or live together in a relationship similar to marriage;
 - or are separated by no more than two degrees of natural or adopted consanguinity or affinity;
 - an individual is related to a juristic person if the individual directly or indirectly controls the juristic person, as determined in accordance with the definition of “control” (as per Companies Act section 2(1)) ; and
 - **a juristic person is “related” to another juristic person if :-**
 - 1) Either of them directly/ indirectly controls the other, or the business of the other, as determined in accordance with the definition of “control” (as per Companies Act section 2(1));
 - 2) Either is a subsidiary of the other; or
 - 3) A person directly/indirectly controls each of them, or the business of each of them, as determined in accordance with the definition of “control”
- the *tenderer/s* and one or more of the *tenderers* in this tendering/RFP process have a controlling partner in common, or a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the tender/proposal of another tenderer, or influence the decisions of Eskom regarding this bidding process;

Public

6. SCOPE OF WORK

- The offered price includes for the Purchaser to fully comply with the OHSA and relevant Safety Health and Environmental legislation, standards and requirements
- The transformer Oil is offered for sale and will be sold as is without Guarantees or Warranties

Public

When downloaded from the document management system, this document is uncontrolled and the responsibility rests with the user to ensure it is in line with the authorised version on the system.

No part of this document may be reproduced without the expressed consent of the copyright holder, Eskom Holdings SOC Ltd, Reg No 2002/015527/30.

	Investment Recovery Offer to Purchase Template	Template Identifier	240-75978567	Rev	2
		Effective Date	01 June 2021		
		Review Date	June 2024		

- **Proper care must be implemented and executed to prevent fire at all times. In the event of a fire, Eskom reserves the right to request for a proper investigation by means of a suitably qualified independent investigation entity to be appointed by Eskom on behalf of and for the account of the Purchaser which investigation entity will have the power to prosecute if necessary.**

NOTES

- Eskom will not be responsible for any damages or losses suffered during the removal of the oil incurred while working on this project arising from theft, damage or personal injury.
- You will be required to adhere to the condition as laid out by the Eskom site agent with regards to site access etc.
- Littering is prohibited at all times. Facilities will have to be made available on site during operations for the collection of disposal waste material. No rubble whatsoever is to be left on site.
- Additional precautions must be taken when using equipment. Portable fire fighting equipment must be available on site during all stages of the work programme.
- The oil that is sold shall become the property of successful contractor and he will be responsible for the oil spillage.
- You will be required to be put on an Eskom permit, prior to commencement of and work. After completion of the work, it is imperative that you notify the Eskom site agent, so that the job can be signed off.
- All work must comply with the OHSA Act no 85 of 1993. All Safety requirements and documentation shall be available on the site
- Any oil spills caused during the work programme will need to be rehabilitated by the successful contractor.
- This is an informal tender and all contractors that qualify may tender.
- A bidder who has an existing or expired contract with Eskom and has defaulted in terms of that contract will be disqualified and not be awarded a new contract
- A bidder who has an open non-conformance will be disqualified and not awarded a new contract.
- No accommodation will be allowed on site.

Public

8. Environmental requirements

The intended activities at the Eskom Sites will have an impact on the environment and as such have to be properly management. Proper management requires that there is compliance with all the relevant pieces of legislation that impact on the development or intended activities. Therefore, the list below indicates the pieces of legislation that impact on the proposed activities. It is important that the Construction Team complies with these. Non-compliance will be unwise and may prove to be very costly for the organisation.

ACT NAME	ACT NO	NOTES/REMARKS
Constitution of the Republic of South Africa	108 of 1996	<i>States that everybody has a right to the environment that is not harmful to their health and well-being</i>
National Environmental Management Act	107 of 1998, as amended	List of activities and competent authorities identified in terms of sections 24 and 24d Protects the rights of all citizens to a healthy and safe environment
Atmospheric Pollution Prevention Act	45 of 1965	Control all activities that pollute the air <i>Dust control during construction –Applicable during the clearing of yard-stones</i> <i>Fumes emitted by vehicles – front end loader for diesel emissions</i>
Conservation of Agricultural Resources Act	43 of 1983	Control of utilisation and protection of wetlands; soil conservation; control and prevention of veld fires; control of weeds and invader plants. <i>NB: applicable for use of weed killers</i>
Environment Conservation Act	73 of 1989	Controls for the effective protection and utilisation of the environment, littering, waste disposal, noise and various other activities, which may have a detrimental effect on the environment. <i>Waste management</i> <i>Application of waste disposal permit</i> <i>Noise control regulations</i>
Fencing Act	31 of 1963	Prohibition of damage to a property owner's gates and fences <i>Climbing or crawling over or through fences without permission</i> <i>Closing gates</i>
Hazardous Substance Act	15 of 1973	Sale of Group I,II,III and letting, use, operation, application and installation of Group III hazardous substances.
